Fields Of War A Young Cavalrymans Crimea Campaign:

The Fields of War Temple Godman,1977 **Nightingale's Nuns and the Crimean War** Terry Tastard,2022-10-06

Infectious disease wounded and dying soldiers and a shortage of supplies were the daily realities faced by the nuns who nursed with Florence Nightingale in the Crimean War This study documents their involvement in the conflict and how the nuns bore witness to the effects of carnage and official indifference in many cases traumatized as a result This book reflects on the initiative and courage shown by the nuns and how their actions can be viewed as part of a wider movement among women in the mid 19th century to find fulfilment and assert control in their own lives Nightingale's Nuns and the Crimean War also sheds light on how critics at the time accused many of the nuns of being secret agents of the Catholic Church who preyed on vulnerable soldier patients there was a campaign in parliament to regulate and control convents Terry Tastard shows how the nuns attempted to neutralize this anti Catholicism as well as charting the participation of Anglican nuns who had just begun an astonishing project to revive the religious life in the Church of England Finally the book reveals new insights into Florence Nightingale's relationships with the nuns who nursed with her in Crimea and how these experiences impacted Nightingale's own perspective *Bion, Rickman, Foulkes, and the Northfield Experiments* Tom Harrison,2000 The Northfield Experiments conducted during the Second World War mark an important moment in the development of the therapeutic community movement This is the first book to record the experiments in detail The book provides a fascinating account of a significant advance in psychiatry **Mrs Duberly's War** Frances Isabella Locke Duberly,2008 Mrs Duberly's journal is one of the most vivid eye witness accounts we have of the Crimean War Fanny Duberly then aged 25 accompanied her husband to the Crimea in 1854 She witnessed the battle of Balaklava and the charge of the Light Brigade and rode through the ruins of Sebastopol Christine Kelly provides an introduction biographical and explanatory notes and an index She makes revealing use of Fanny's original previously unpublished letters which often show a reckless immediate response to events and people where the journal is more circumspect The edition includes photographs maps and some of Fanny's own sketches *The Pocket Hercules* M.J. Trow,2006-09-15 William Morris was in the front rank during the Charge of the Light Brigade He was one of the first horsemen to reach the Russian guns This is his story M J Trow's vivid biography of this typical Victorian soldier gives a fascinating insight into the officer class that fought the Crimean War In recording Morris's experiences during a notorious campaign the author reveals much about the hidebound character of the British army of that era The portraits of Morris's fellow officers and commanders men like Nolan Raglan and Lucan are telling as is the contrast between Morris and his incompetent superior Cardigan The author meticulously recreates Morris's life and through him the lives of a generation of professional British soldiers **The Victorians at War, 1815-1914** Harold E. Raugh Jr.,2004-10-25 Capturing the strength of the British Army from 1815 to 1914 this groundbreaking reference presents the most recent research on the most significant wars campaigns battles and leaders The Victorians at War 1815 1914 An Encyclopedia of

British Military Spectacle Scott Hughes Myerly, 1996 In the theater of war how important is costume And in peacetime what purpose does military spectacle serve This book takes us behind the scenes of the British military at the height of its brilliance to show us how dress and discipline helped to mold the military man and attempted to seduce the hearts and minds of a nation while serving to intimidate civil rioters in peacetime Often ridiculed for their constrictive splendor British army uniforms of the early nineteenth century nonetheless played a powerful role in the troops performance on campaign in battle and as dramatic entertainment in peacetime Plumbing a wide variety of military sources most tellingly the memoirs and letters of soldiers and civilians Scott Hughes Myerly reveals how these ornate sartorial creations combining symbols of solidarity and inspiration vivid color and physical restraint enhanced the managerial effects of rigid discipline drill and torturous punishments but also helped foster regimental esprit de corps

Encouraging recruitment enforcing discipline within the military and boosting morale were essential but not the only functions of martial dress Myerly also explores the role of the resplendent uniform and its associated gaudy trappings and customs during civil peace and disorder whether employed as public relations through spectacular free entertainment or imitated by rioters and rebels opposing the status quo Dress drills parades inspections pomp and order as this richly illustrated book conducts us through the details of the creation design functions and meaning of these aspects of the martial image it exposes the underpinnings of a mentality and vision that extends far beyond the military subculture into the civic and social order that we call modernity

Beyond Nightingale Carol Helmstadter, 2019-11-11 This book studies Crimean War nursing from a transnational perspective setting nursing in the five combatant armies into the wider context of European statecraft

Beatson's Mutiny Richard Stevenson, 2015-03-23 Over a long and varied career Major General William Beatson earned a fine reputation as a leader of irregular cavalry in the nineteenth century He trained many future commanders of the Victorian army saw action in Spain and British India and rode with the Heavy Brigade at the Battle of Balaklava But tasked with disciplining the Turkish Bashi Bazouks during the Crimean War his character flaws led him into conflict with politicians and diplomats running the war who accused him of inciting mutiny Parliament newspapers and the law courts then became his chosen battlefields as he fought to clear his name and return to duty By bringing Beatson's life and career into sharper focus Richard Stevenson connects wide ranging themes in Victorian military and imperial history in a fresh and accessible way

Nursing before Nightingale, 1815-1899 Carol Helmstadter, Judith Godden, 2016-05-23 Nursing Before Nightingale is a study of the transformation of nursing in England from the beginning of the nineteenth century until the emergence of the Nightingale nurse as the standard model in the 1890s From the nineteenth century on historians have considered Florence Nightingale with her training school established at St Thomas's Hospital in 1860 the founder of modern nursing This book investigates two major earlier reforms in nursing a doctor driven reform which came to be called the ward system and the reforms of the Anglican Sisters known as the central system of nursing Rather than being the beginning of nursing reform Nightingale nursing was the culmination of these two earlier reforms

The Roman Cavalry Karen R. Dixon, Pat Southern, 2013-01-11 The cavalry was a vital part of the army of Rome and it played a significant role in the expansion and success of the Roman Empire Karen R Dixon and Pat Southern describe the origins of the mounted units of the Roman army and trace their development from temporary allied troops to the regular alae and cohorts They have drawn together evidence from a wide variety of sources archaeological epigraphic and literary as well as comparing ancient testimony with more recent experience of the use of cavalry The book covers the subject from the perspective of both the men and the horses How were the horses selected and disposed of how were they trained stabled and fed How were the men recruited organized and equipped and what were the conditions of service for a Roman cavalryman The cavalry had to be employed in peacetime and this is discussed as well as its role in war The image of the Roman cavalry is often one of

excitement and glory but the authors are aware that a true picture must not overlook the routine and the suffering This book provides a comprehensive account of the Roman cavalry and the current state of knowledge concerning it The wide selection of illustrations includes original drawings by Karen R Dixon

Moving Home Sandra Gunning,2021-09-13 Sandra Gunning draws on nineteenth century African diasporic travel writing to explore the conditions and possibilities of race gender sex and class that early black Atlantic travel enabled

The Crimean War Ian Fletcher,Natal'iĭa Anatol'evna Ishchenko,2004 2004 marks the 150th anniversary of the Crimean War and this volume covers the events from the complex causes of the war and the declaration of war by Turkey in 1853 through the involvement of Britain and France in 1854 and the war itself including the bloody battles of Alma Balaclava and Inkermann to the declaration of peace in 1856

Red Coat, Green Machine Charles Kirke,2014-07-04 How different were the men who fought at Blenheim and at Goose Green Is there a human thread that connects the redcoat of 300 years ago with the British soldier of today What would they find in common if they faced a common foe This book is about the people in the Army and the very human interactions between them in their daily lives It marries the disciplines of Social Anthropology and Military History to provide a novel way of looking at the anatomy of the British Army at unit level from an entirely human perspective Concentrating on the attitudes expectations and concerns expressed by the people involved it sets out a set of simple models of life at regimental duty that can be used to describe analyze and explain their behaviour over the past 300 years The book is grounded on what soldiers of all ranks have said using the author s research interview material for the modern witnesses and memoirs diaries and letters published and unpublished for earlier ones

Nine Black Women Moira Ferguson,2015-12-22 This is the first anthology to bring together the writings of the earliest black women writers in the East and West Caribbean Bermuda Canada the US and England The selections span the American Revolution to the decade following the Civil War The nine writers included both slave and free represent a variety of genres regions professions and political perspectives Their words suggest the rich cultural history embedded in the writings and provide a glimpse into the lives of women coping with extreme racism and sexism As black women survival guides the construction of their texts and their public images Each employs diverse strategies of resistance evasion displacement omission and accommodation With an introduction that contains copious biographical details about each writer and a brief chronology preceding each text *Nine Black Women* is a unique collection of original works

Journal of the Society for Army Historical Research Society for Army Historical Research (London, England),2011

Englishmen at War Ernest Sanger,1993 This is the first attempt to give a comprehensive picture of war through letters written by generations of Englishmen and women from the mid fifteenth century to the turn of the twentieth The letters here provide not only the most vivid description of battles but express the experience of warfare more immediately and truthfully than any retrospective history could From the Hundred Years War to the Boer War over three hundred extracts have been collected together in one volume John Paston writes of his fear of invasion in 1462 Katherine of

Aragon triumphantly sends Henry VIII a piece of the King of Scots coat after the victory at Flodden in 1513 we hear of preparations to meet the Armada and of Elizabeth's sympathy for a mother's loss during the Irish rebellion letters from the Civil War show the strain of divided loyalties alongside a spirit of generous respect between countrymen Marlborough the soldier lover writes devotedly to Sarah from the battlefield Nelson forecasts Trafalgar with a feeling of premonition and Wellington describes Waterloo as a pounding match of gluttons in the Crimean War jingoism begins to be tempered by a growing moral uncertainty about the usefulness of such wars while the Boer War gives a foretaste of the destruction total war would inflict in 1914 Drawing on published and private sources as well as the archive of the National Army Museum Ernest Sanger has compiled this unique collection over fifty years Illustrated with black and white plates *Englishmen at War* forms an illuminating narrative for the general reader a sourcebook for the student of history and a socio psychological study of changing attitudes to war during four and a half centuries
