# Fifty Years Later The New Deal Evaluated

**Stephen P Powers**

## **Fifty Years Later The New Deal Evaluated:**

*Fifty Years Later* Harvard Sitkoff, 1985      *Fifty Years Later* Harvard Sitkoff, 1985 Revised and expanded papers originally presented at a symposium sponsored by the Dept of History University of New Hampshire and held Mar 17 18 1983      Leadership in the Modern Presidency Fred I. Greenstein, 1988 In presidential election years the leadership qualities of occupants of the Oval Office become yardsticks for aspiring candidates What profile of qualities both positive and negative helps explain the performance of chief executives In this book about the White House nine eminent political scientists and historians present their assessments of the leadership styles and organizational talents of presidents from Franklin D Roosevelt to Ronald Reagan Filled with anecdote and insight this is an unprecedented opportunity to observe how the running of the office of President has been changed subtly and not so subtly by the management and personal styles of the various incumbents within their historical contexts The book vividly depicts each president There is Roosevelt a real artist in government Truman a strong executive who always managed to appear weak Eisenhower who cultivated the image of being above the fray of politics but was actually fully occupied with getting political results Kennedy who successfully projected the symbolic grandeur of his office Johnson a figure from classical tragedy Nixon who preferred a corporate to a political mode of operation Ford who placed healing the nation's wounds from Vietnam and Watergate above his personal political future Carter whose fall was as stunning as his rise was meteoric The chapter on Reagan is an impassioned encomium of the president as a folk philosopher that is bound to be controversial These accounts of leadership by modern presidents are acute studies of how the presidency has become the first among equals in our tripartite system of government This book will be important to political scientists historians and government officials and the liveliness of its presentation and the quotidian impact of the men it describes will make it attractive to everyone interested in how we are governed and who is doing the governing      Big Dams of the New Deal Era David P. Billington, Donald C. Jackson, 2017-04-20 The massive dams of the American West were designed to serve multiple purposes improving navigation irrigating crops storing water controlling floods and generating hydroelectricity Their construction also put thousands of people to work during the Great Depression Only later did the dams' baneful effects on river ecologies spark public debate *Big Dams of the New Deal Era* tells how major water storage structures were erected in four western river basins David P Billington and Donald C Jackson reveal how engineering science regional and national politics perceived public needs and a river's natural features intertwined to create distinctive dams within each region In particular the authors describe how two federal agencies the Army Corps of Engineers and the Bureau of Reclamation became key players in the creation of these important public works By illuminating the mathematical analysis that supported large scale dam construction the authors also describe how and why engineers in the 1930s most often opted for massive gravity dams whose design required enormous quantities of concrete or earth rock fill for stability Richly illustrated *Big Dams of the New Deal Era* offers a compelling account of how major dams in the New Deal era

restructured the landscape both politically and physically and why American society in the 1930s embraced them wholeheartedly *Hollywood's America* Stephen P Powers, 2018-02-19 American motion pictures still dominate the world market with an impact that is difficult to measure Their role in American culture has been a powerful one since the 1930s and is a hallmark of our culture today Though much has been written about the film industry there has been very little systematic attention paid to the ideology of its creative elite How does the outlook of that elite impact on the portrayals of America that appear on the screen How do their views interact with the demands of the market and the structure of the industry to determine the product that is seen by mass audiences *Hollywood's America* is a marvellously rich and careful discussion of these questions It combines a meticulous systematic content analysis of fifty years of top grossing films with a history of the changing structure of the industry To that mixture it adds an in depth survey of Hollywood's creative elite comparing them to other leadership groups The result is a balanced discussion of unique breadth and depth on a subject of national importance Placing the film industry in the context of American society as a whole the authors point out that Hollywood's creative leadership impacts the larger society even as it is influenced by that society The creators of films cannot remove themselves too far from the values of the audiences that they serve However the fact that films are made by a relatively small number of people who as the authors demonstrate tend to share a common outlook means that over time motion pictures have had an undeniable impact on the beliefs lifestyles and action of Americans This study contributes to the debate over the role and influence of those who create and distribute the products of mass culture in the United States The book also contains a devastating critique of the poststructuralist theories that currently dominate academic film criticism demonstrating how they fail in their attempt to explain the political significance of motion pictures **Harry Partch, Hobo Composer** S. Andrew Granade, 2014 During the Great Depression Harry Partch rode the railways following the fruit harvest across the country From his experience among hoboes he found what he called a fountainhead of pure musical Americana Although he later wrote immense stage works for instruments of his own creation he is still regularly called a hobo composer for the compositions that grew out of this period of his life Yet few have questioned the label's impact on his musical output compositional life and reception Focusing on Partch the person alongside the cultural icon he represented this study examines Par The South and the New Deal Roger Biles, 2021-05-11 When Franklin D Roosevelt was sworn in as president the South was unmistakably the most disadvantaged part of the nation The region's economy was the weakest its educational level the lowest its politics the most rigid and its laws and social mores the most racially slanted Moreover the region was prostrate from the effects of the Great Depression Roosevelt's New Deal effected significant changes on the southern landscape challenging many traditions and laying the foundations for subsequent alterations in the southern way of life At the same time firmly entrenched values and institutions militated against change and blunted the impact of federal programs In *The South and the New Deal* Roger Biles examines the New Deal's impact on the rural and urban South its black and

white citizens its poor and its politics He shows how southern leaders initially welcomed and supported the various New Deal measures but later opposed a continuation or expansion of these programs because they violated regional convictions and traditions Nevertheless Biles concludes the New Deal coupled with the domestic effects of World War II set the stage for a remarkable postwar transformation in the affairs of the region The post World War II Sunbelt boom has brought Dixie more fully into the national mainstream To what degree did the New Deal disrupt southern distinctiveness Biles answers this and other questions and explores the New Deal s enduring legacy in the region *What's Good for Business* Kim Phillips-Fein, Julian E. Zelizer, 2012-04-10 This book provides a sweeping interpretation of how business mobilized to influence public policy and elections since World War II The American Dole Jeff Singleton, 2000-09-30 As Jeff Singleton shows the rapid expansion of unemployment relief in the early 1930s generated pressures which led to the first federal welfare programs However the process has received relatively little attention from historians and unemployment relief does not play a major role in discussions of the current state of welfare Singleton seeks not only to fill this gap but to challenge popular interpretations of relief policy in the early 1930s He shows that relief was expanding prior to the depression and that the modern aspects of social policy implemented in the 1920s profoundly influenced the response of the welfare system to the early stages of the economic crisis Relief under President Herbert Hoover was neither primarily voluntarist nor traditional The first full fledged federal welfare program was implemented under the Hoover administration by the Reconstruction Finance Corporation The initial goals of the New Deal s Federal Emergency Relief Administration were to reduce the national relief caseload and the federal welfare role while improving standards for those on the dole The institutionalization of state level welfare was a consequence of the failure of the 1935 reform program the WPA and the Social Security Act to eliminate the dole not a product of conscious liberal policy Singleton concludes by evaluating the 1996 Personal Responsibility Act in the context of these conclusions If the dole was not a product of liberal reform but instead arose to fill a policy vacuum then it will be difficult to eliminate by legislative fiat unless states and the federal government are willing to finance relatively costly alternatives A provocative analysis of interest to historians and social scientists concerned with American social and labor policy Why America Needs a Left Eli Zaretsky, 2013-04-26 The United States today cries out for a robust self respecting intellectually sophisticated left yet the very idea of a left appears to have been discredited In this brilliant new book Eli Zaretsky rethinks the idea by examining three key moments in American history the Civil War the New Deal and the range of New Left movements in the 1960s and after including the civil rights movement the women s movement and gay liberation In each period he argues the active involvement of the left especially its critical interaction with mainstream liberalism proved indispensable American liberalism as represented by the Democratic Party is necessarily spineless and ineffective without a left Correspondingly without a strong liberal center the left becomes sectarian authoritarian and worse Written in an accessible way for the general reader and the undergraduate student this book

provides a fresh perspective on American politics and political history It has often been said that the idea of a left originated in the French Revolution and is distinctively European Zaretsky argues by contrast that America has always had a vibrant and powerful left And he shows that in those critical moments when the country returns to itself it is on its left liberal bases that it comes to feel most at home The Democrats' Dilemma Steven M. Gillon,1995-02-16 What does Walter Mondale's career reveal about the dilemma of the modern Democratic party and the crisis of postwar American liberalism Steven M Gillon's answer is that Mondale's frustration as Jimmy Carter's vice president and his failure to unseat the immensely popular President Reagan in 1984 reveal the beleaguered state of a party torn apart by generational and ideological disputes The Democrats Dilemma begins with Mondale's early career in Minnesota politics from his involvement with Hubert Humphrey to his election to the United States Senate in 1964 Like many liberals of his generation Mondale traveled to Washington hopeful that government power could correct social wrongs By 1968 urban unrest a potent white backlash and America's involvement in the Vietnam war dimmed much of his optimism In the years after 1972 as senator as vice president and as presidential candidate Mondale self consciously attempted to fill the void after the death of Robert Kennedy Mondale attempted to create a new Democratic party by finding common ground between the party's competing factions Gillon contends that Mondale's failure to create that consensus underscored the deep divisions within the Democratic Party Using previously classified documents unpublished private papers and dozens of interviews including extensive conversations with Mondale himself Gillon paints a vivid portrait of the inner workings of the Carter administration The Democrats Dilemma captures Mondale's frustration as he attempted to mediate between the demands of liberals intent upon increased spending for social programs and the fiscal conservatism of a president unskilled in the art of congressional diplomacy Gillon discloses the secret revelation that Mondale nearly resigned as vice president Gillon also chronicles Mondale's sometimes stormy relationships with Jesse Jackson Gary Hart and Geraldine Ferraro Eminently readable and a means of access to a major twentieth century political figure The Democrats Dilemma is a fascinating look at the travail of American liberalism

Roosevelt's Peacetime Administrations, 1933-41 George Henry Bennett,2004 This book serves as an essential introduction to Roosevelt's domestic policy during his tenure from the struggles of the Depression to the outbreak of the Second World War Incorporating archival discoveries at the Roosevelt Presidential Library this documentary collection focuses on the debates and controversies surrounding the implementation and practice of New Deal policies It highlights the meanings flaws and outcomes of Roosevelt's attempts to refashion American society With an extensive introduction the book reproduces extracts from a variety of sources including Government records public addresses and speeches and the private papers of Roosevelt and some of his closest associates **United States Academic Decathlon Curriculum** ,

*Lonesome Roads and Streets of Dreams* Andrew S. Berish,2012-02-06 Any listener knows the power of music to define a place but few can describe the how or why of this phenomenon In *Lonesome Roads and Streets of Dreams* Place Mobility and

Race in Jazz of the 1930s and 40s Andrew Berish attempts to right this wrong showcasing how American jazz defined a culture particularly preoccupied with place By analyzing both the performances and cultural context of leading jazz figures including the many famous venues where they played Berish bridges two dominant scholarly approaches to the genre offering not only a new reading of swing era jazz but an entirely new framework for musical analysis in general one that examines how the geographical realities of daily life can be transformed into musical sound Focusing on white bandleader Jan Garber black bandleader Duke Ellington white saxophonist Charlie Barnet and black guitarist Charlie Christian as well as traveling from Catalina Island to Manhattan to Oklahoma City Lonesome Roads and Streets of Dreams depicts not only a geography of race but how this geography was disrupted how these musicians crossed physical and racial boundaries from black to white South to North and rural to urban and how they found expression for these movements in the insistent music they were creating

*Urban Policy in Twentieth-century America* Arnold Richard Hirsch, Raymond A. Mohl, 1993 The recent riots in Los Angeles brought the urban crisis back to the center of public policy debates in Washington D C and in urban areas throughout the United States The contributors to this volume examine the major policy issues race housing transportation poverty the changing environment the effects of the global economy confronting contemporary American cities Raymond A Mohl begins with an extended discussion of the origins evolution and current state of Federal involvement in urban centers Michael B Katz follows with an insightful look at poverty in turn of the century New York and the attempts to ameliorate the desperate plight of the poor during this period of rapid economic growth Arnold R Hirsch Mohl and David R Goldfield then pursue different facets of the racial dilemma confronting American cities Hirsch discusses historical dimensions of residential segregation and public policy while Mohl uses Overtown Miami as a case study of the social impact of the construction of interstate highways in urban communities David Goldfield explores the political ramifications and incongruities of contemporary urban race relations Finally Carl Abbott and Sam Bass Warner Jr examine the impact of global economic developments and the environmental implications of past policy choices Collectively the authors show us where we have been some of the needs that must be addressed and the urban policy alternatives we face

Hard Work and a Good Deal Barbara W. Sommer, 2009-07 CCC veterans tell compelling stories of their experiences planting trees fighting fires building state parks and reclaiming pastureland in this collective history of the CCC in Minnesota

United States History - Part B , **What's Class Got to Do with It?** Michael Zweig, 2004 Across the great divide crossing classes and clashing cultures Barbara Jensen **Franklin D Roosevelt Congress** , **Civil Rights Since 1787** Jonathan Birnbaum, Clarence Taylor, 2000-06 Editors Birnbaum writer and Taylor history Florida International U have gathered an impressive array of documentary materials from a variety of sources including excerpts from books and articles and recent newspaper articles Their material divided into the broad categories of slavery reconstruction segregation the second reconstruction backlash redux and towards a third reconstruction traces the ongoing black struggle for civil rights from the arrival of the first

### **Fifty Years Later The New Deal Evaluated Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Fifty Years Later The New Deal Evaluated has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Fifty Years Later The New Deal Evaluated has opened up a world of possibilities. Downloading Fifty Years Later The New Deal Evaluated provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Fifty Years Later The New Deal Evaluated has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Fifty Years Later The New Deal Evaluated. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Fifty Years Later The New Deal Evaluated. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Fifty Years Later The New Deal Evaluated, users should also consider the potential security risks associated with online platforms. Malicious actors may

exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Fifty Years Later The New Deal Evaluated has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Fifty Years Later The New Deal Evaluated Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Fifty Years Later The New Deal Evaluated is one of the best book in our library for free trial. We provide copy of Fifty Years Later The New Deal Evaluated in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Fifty Years Later The New Deal Evaluated. Where to download Fifty Years Later The New Deal Evaluated online for free? Are you looking for Fifty Years Later The New Deal Evaluated PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Fifty Years Later The New Deal Evaluated. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Fifty Years Later The New Deal Evaluated are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage

along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Fifty Years Later The New Deal Evaluated. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Fifty Years Later The New Deal Evaluated To get started finding Fifty Years Later The New Deal Evaluated, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Fifty Years Later The New Deal Evaluated So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Fifty Years Later The New Deal Evaluated. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Fifty Years Later The New Deal Evaluated, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Fifty Years Later The New Deal Evaluated is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Fifty Years Later The New Deal Evaluated is universally compatible with any devices to read.
