

A HISTORY OF THE CIVIL WAR, 1861-1865

Fighting For Time Vol 4 The Image Of War 1861 1865

Kevin C. Chung

Fighting For Time Vol 4 The Image Of War 1861 1865:

Andersonvilles of the North James Massie Gillispie, 2008 *Andersonvilles of the North* by James M Gillispie represents the first broad study to argue that the image of Union prison officials as negligent and cruel to Confederate prisoners is severely flawed This study is not an attempt to whitewash Union prison policies or make light of Confederate prisoner mortality But once the careful reader disregards unreliable postwar polemics and focuses exclusively on the more reliable wartime records and documents from both Northern and Southern sources then a much different less negative picture of Northern prison life emerges While life in Northern prisons was difficult and potentially deadly no evidence exists of a conspiracy to neglect or mistreat Southern captives Confederate prisoners suffering and death were due to a number of factors but it would seem that Yankee apathy and malice were rarely among them **BOOK JACKET** The Bell Irvin Wiley Reader Hill Jordan, James I. Robertson, Jr., J. H. Segars, 2001-02-01 For countless readers the books of Bell Irvin Wiley 1906 1980 remain a high water mark in historical writing on the American Civil War *The Life of Billy Yank* *The Life of Johnny Reb* *The Road to Appomattox* *Southern Negroes 1861 1865* all are classics in the field and Wiley's influence on contemporary Civil War scholarship has been immeasurable *The Bell Irvin Wiley Reader* offers for the first time many lesser known and unpublished writings of this eminent historian and provides an intimate portrait of the man *Life* magazine once hailed as the nation's foremost authority of soldier life during the Civil War Culled from a trove of 176 boxes of Wiley's personal papers at the Emory University archives the selections in this collection present a broad cross section of his work both oral and written and focus on the professor's favorite subjects Among the documents are speeches and articles such as *The Road to War* *Lincoln Plain Man of the People* *Life on the Confederate Home Front* *The Collapse of the Confederacy* *American History and Racial Understanding* *Historians and the National Register* and *Why Teach the Civil War* Also included are lecture outlines one of Wiley's infamous final exams and an oral history interview with the historian Each piece reveals Wiley's immense talent as a historian communicator and educator as well as his continuing power to enlighten and inspire readers and students alike Buttressed with an excellent introduction by editors Hill Jordan and J H Segars and biographical notations and section introductions by James I Robertson Jr one of Wiley's best students this anthology shows Wiley to be an enigma a distinguished scholar who enjoyed the company of ordinary people a staunch advocate for civil rights who would not agree to ease university admission standards for blacks a master teacher who declined departmental chairmanships He was indeed the uncommon common man of which he wrote so often and his work continues to provide us with a clearer understanding of our great American heritage With previously unpublished family photographs and a complete bibliography of Wiley's books and articles *The Bell Irvin Wiley Reader* will fascinate all Civil War enthusiasts introducing new readers to and reacquainting old friends with the life and works of this unsurpassed scholar The Business of Captivity Michael P. Gray, 2001 One of the many controversial issues to emerge from the Civil War was the treatment of prisoners of war At two stockades the Confederate prison at

Anderson and the Union prison at Elmira suffering was acute and mortality was high This work explores the economic and social impact of Elmira *A Companion to the U.S. Civil War, 2 Volume Set* Aaron Sheehan-Dean,2020-05-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory *Flap Reconstruction of the Traumatized Upper Extremity, An Issue of Hand Clinics* Kevin C. Chung,2014-05-28 This issue of Hand Clinics will focus on flap reconstruction Flap reconstruction is a very large part of upper extremity surgery following a traumatic injury This issue will cover the entire process including anatomy decision making strategies on where to source harvest flaps and a large number of papers tailored to specific surgical procedures different parts of the hand and upper extremity pediatric reconstruction and aesthetics *Gary Paulsen* James B. Blasingame,2007-08-30 Gary Paulsen a three time Newbery Honor winner has written over 175 books for young adults and adults for over twenty years His stories of adventure and survival are beloved by readers teachers librarians and critics This volume examines a sample of the most widely known and widely studied books by Paulsen A biographical chapter demonstrates how Paulsen s life experiences notably the Iditarod have influenced his writing Each book is analyzed for plot characterization setting and themes written at a level that is accessible for young readers yet providing in depth information for older readers Books analyzed in this volume include Brian s Winter Dogsong Hatchet The Island Winter Room *Genius of Place* Justin Martin,2011-05-31 This definitive first full scale biography of Olmsted famed designer of New York s Central Park reveals him also as a brilliant political and social reformer **Rebel Watchdog: The Confederate States Army Provost Guard** Radley, Kenneth J.,1989 **Two Civil Wars** Katherine Bentley Jeffrey,2016-04-11 Two Civil Wars is both an edition of an unusual Civil War era double journal and a narrative about the two writers who composed its contents The initial journal entries were written by thirteen year old Celeste Repp while a student at St Mary s Academy a prominent but short lived girls school in midcentury Baton Rouge Celeste s French compositions dating from 1859 to 1861 offer brief but poignant meditations describe seasonal celebrations and mention by name both her headmistress Matilda Victor and French instructor and priest Father Darius Hubert Immediately following Celeste s prettily decorated pages a new title page intervenes introducing An Abstract Journal Kept by William L Park of the U S gunboat Essex during the American Rebellion Park s diary is a fulsome three year account of military engagements along the Mississippi and its tributaries the bombardment of southern towns the looting of plantations skirmishes with Confederate guerillas the uneasy experiment with contrabands freed slaves serving aboard ship and the mundane circumstances of shipboard life Very few diaries from the inland navy have survived and this is the first journal from the ironclad Essex to be published Jeffrey has read it alongside

several unpublished accounts by Park's crewmates as well as a later memoir composed by Park in his declining years. It provides rare insight into the culture of the ironclad fleet and equally rare firsthand commentary by an ordinary sailor on events such as the sinking of CSS Arkansas and the prolonged siege of Port Hudson. Jeffrey provides detailed annotation and context for the Repp and Park journals, filling out the biographies of both writers before and after the Civil War. In Celeste's case, Jeffrey uncovers surprising connections to such prominent Baton Rouge residents as the diarist Sarah Morgan and explores the complexity of wartime allegiances in the South through the experiences of Matilda Victor and Darius Hubert. She also unravels the mystery of how a southern youngster's school scribbler found its way into the hands of a Union sailor. In so doing, she provides a richly detailed picture of occupied Baton Rouge and especially of events surrounding the Battle of Baton Rouge in August 1862. These two unusual personal journals, linked by curious happenstance in a single notebook, open up intriguing, provocative, and surprisingly complementary new vistas on antebellum Baton Rouge and the Civil War on the Mississippi.

Meserve Civil War Record Richard Alden Huebner, 1987 **Air university review, 1984**, 1984 **Masters of the Field** John L. Herberich, 2025-06-06 The only regular U.S. Cavalry regiment from the Western Theater to fight in the Civil War Rebel Yell S. C. Gwynne, 2014 An account of General Thomas Stonewall Jackson's rise to prominence during the Civil War **Waters of Discord** Rodman L. Underwood, 2008-04-01 At the beginning of the American Civil War, the Federal government imposed a blockade of the southern coast of the Confederate States of America, including the dark corner of the Confederacy, Texas. Much of the fighting in Texas during the Civil War took place in the state's coastal counties and the adjoining Gulf of Mexico waters, and nearly all of these engagements were involved in one way or another with the Union blockade of the Texas coast. This book examines all major blockade-related land and sea engagements in and near Texas and also includes many minor ones. It begins with a discussion of the blockade's creation and then concentrates on the successful Confederate efforts to evade the blockade by shipping cotton out of Mexico and in return receiving materiel and civilian goods through that neutral nation. The author also covers political intrigue and the spy activity with the French, who had invaded Mexico. The book concludes with an analysis of the effectiveness of the Union blockade of Texas. Pioneer Photographers from the Mississippi to the Continental Divide Peter E. Palmquist, Thomas R. Kailbourn, 2005 This biographical dictionary of some 3,000 photographers and workers in related trades active in a vast area of North America before 1866 is based on extensive research and enhanced by some 240 illustrations, most of which are published here for the first time. The territory covered extends from central Canada through Mexico and includes the United States from the Mississippi River west to but not including the Rocky Mountain states. Together, this volume and its predecessor *Pioneer Photographers of the Far West: A Biographical Dictionary, 1840-1865* comprise an exhaustive survey of early photographers in North America and Central America, excluding the eastern United States and eastern Canada. This work is distinguished by the large number of entries, by the appealing narratives that cover both professional and private lives of the subjects, and by the painstaking

documentation It will be an essential reference work for historians libraries and museums as well as for collectors of and dealers in early American photography In addition to photographers the book includes photographic printers retouchers and colorists and manufacturers and sellers of photographic apparatus and stock Because creators of moving panoramas and optical amusements such as dioramas and magic lantern performances often fashioned their works after photographs the people behind those exhibitions are also discussed **Encyclopedia of the Confederacy** ,1993 **The American Civil War** Steven E. Woodworth,1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work s value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America s pivotal experience Smithsonian Year Smithsonian Institution,1984 *A Confederate Yankee* Edward William Drummond,2004 Later released in a prisoner of war exchange he returned to savannah served in the Confederate army to the end of the war and eventually reconciled with his Northern family members BOOK JACKET
Publishers Weekly ,1983
