Fighting For Life

William Henry Condon

Fighting For Life:

A Fighting Life Lou Duva, 2016-06-28 For more than seven decades Lou Duva has been a mainstay in the boxing world. With his craggy face and the bulbous nose of a boxer with questionable defensive skills, Duva is one of the most enduring images of boxing having climbed in and out of rings for championship fights on six different continents. In *Lou Duva A Fighting Life* you'll hear firsthand the exhilarating story of how Duva balanced family life and his work with nineteen different world champions. The son of Italian immigrants who landed at Ellis Island and lived in Manhattan before moving the family to Paterson, New Jersey, Duva had the odds stacked against him. Rather than settling, Duva was able to claw his way out of poverty to reach the pinnacle of the boxing business where he laid the foundation of Main Events Promotions, one of the most powerful boxing promotions companies in the sport. *Lou Duva A Fighting Life* chronicles an amazing boxing career filled with ups and downs. From his training of champions including Evander Holyfield and Lennox Lewis to staging some of the biggest bouts in the history of boxing, including the classic match between Sugar Ray Leonard and Thomas Hearns to the notorious Riot at the Garden, Duva pulls no punches as he shares his Hall of Fame life for the first time. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports books about baseball, pro football, college football, pro and college basketball, hockey, or soccer. We have a book about your sport or your team. In addition to books on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Enzo Calzaghe - A Fighting Life Michael Perlman, 2011-09-01 He is the genius behind the genius. Enzo never fought in the ring, but he still turned his son Joe into one of the top ten boxers on the planet, a World Champion with a record of 46 unbeaten fights. Now Enzo tells the extraordinary behind-the-scenes story of his flamboyant career and the making of a fighting legend. It is much more than a round-by-round tale of ropes and gloves and grit and glory. For the first time, Enzo opens the family album and discloses intimate details of his bruising upbringing in Sardinia where the Mafia lurked on every corner and his father practiced tough love. He talks of fleeing Italy to hitchhike and busk his way around Europe. He charts his improbable rise from slaving as a waiter-cum-cook in a seaside restaurant to supporting many big-name chart stars such as Shirely Bassey. Not only does it provide a unique insight into the father and son relationship that conquered boxing, but also shows how the heart and determination of one self-made man serves as an example for anyone who craves success and is prepared to overcome near-impossible odds to achieve it. I'm a life fighter, he says. This book proves it.
