GEORGE F. KENNAN

An American Life

JOHN LEWIS GADDIS

"Magisterial . . . Bids fair to be as close to the final word as possible
on one of the most important, complex, moving, challenging
and exasperating American public servants."

—Henry Kissinger, *The New York Times Book Review*

George F Kennan An Annotated Bibliography

Frank N. Magill

George F Kennan An Annotated Bibliography:

George F. Kennan ,1997-03-11 The writings of George F Kennan diplomat historian and Soviet expert are a rich source for anyone trying to understand 20th century United States diplomacy particularly the struggles surrounding the Cold War This bibliography is the first to bring together and annotate works by and about Kennan The first section provides comprehensive coverage of Kennan s books and journal articles It also includes his most significant newspaper articles book reviews and selected U S Federal Documents The second section covering works about Kennan includes articles biographies and monographs with substantial material on Kennan The section is selective focusing on recent comment but providing a range of interpretations A Russian specialist in the State Department from 1926 to 1953 Kennan served in Moscow for several years and was Ambassador to the Soviet Union and to Yugoslavia Kennan s most influential contribution was the policy of containment of the Soviet Union although he later became critical of the execution of that policy This bibliography is the first to bring together and annotate works by and about Kennan The book s first section provides comprehensive coverage of Kennan s books and journal articles It also includes his most significant newspaper articles his book reviews and selected U S Documents such as Congressional hearing transcripts The second section covers works about Kennan including articles biographies and monographs with substantial material on Kennan This section is selective emphasizing recent opinion and comment but the range of works provides differing interpretations and gives an overview of the historiographical developments in Cold War history

George Kennan John Lukacs,2007-04-24 A man of impressive mental powers of extraordinary intellectual range and last but not least of exceptional integrity George Frost Kennan 1904 2005 was an adviser to presidents and secretaries of state with a decisive role in the history of this country and of the entire world for a few crucial years in the 1940s after which he was made to retire but then he became a scholar who wrote seventeen books scores of essays and articles and a Pulitzer Prize winning memoir He also wrote remarkable public lectures and many thousands of incisive letters laying down his pen only in the hundredth year of his life Having risen within the American Foreign Service and been posted to various European capitals and twice to Moscow Kennan was called back to Washington in 1946 where he helped to inspire the Truman Doctrine and draft the Marshall Plan Among other things he wrote the X or Containment article for which he became and still is world famous an article which he regarded as not very important and liable to misreading John Lukacs describes the development and the essence of Kennan s thinking the perhaps unavoidable misinterpretations of his advocacies his self imposed task as a leading realist critic during the Cold War and the importance of his work as a historian during the second half of his long life

Vietnam, an Annotated Bibliography ,1968 **Kennan and the Cold War** David Felix,2017-07-05 With his policy of containment US diplomat George F Kennan 19042005 devised a way to resist the Soviet Union s attempt to conquer the world for Communism That way was to go to the brink of war to prevent war His idea was first expressed in his famous Long Telegram from Moscow on February 22 1946 It took genius to

see a wartime ally as a dangerous adversary and to convince the American leadership to act upon it. Back in the United States the young diplomat first acted as deputy commandant in the National War College. He then operated as director of the State Department's Policy Planning Staff to restore Europe from wartime destruction. By 1950 Kennan began to reverse his thinking, believing that the military component of American policy was going too far. While his old colleagues continued to develop US power given point by the atomic bomb, Kennan withdrew from government and began a new career as a public intellectual campaigning for a more peaceable policy in his eighteen books and articles and talks. The breakdown of the Soviet economy in the 1980s showed that Kennan was right the second time as well. Always sympathetic to the Russian people and culture which the later Soviet leaders appreciated, Kennan was able to welcome the new non-Communist Russia into a more peaceable relationship with the democracies that ended the Cold War. His life and works have become a national treasure.

A Companion to Harry S. Truman Daniel S. Margolies, 2012-07-30 With contributions from the most accomplished scholars in the field, this fascinating companion to one of America's pivotal presidents assesses Harry S. Truman as a historical figure, politician, president, and strategist. Assembles many of the top historians in their fields who assess critical aspects of the Truman presidency. Provides new approaches to the historiography of Truman and his policies. Features a variety of historiographic methodologies.

Politics, Order and History Glenn Hughes, Stephen McKnight, Geoffrey Price, 2001-03-01 This volume brings together critical review papers, many specially commissioned on key themes and questions in the work of the political scientist, philosopher, and religious thinker Eric Voegelin. 1901-1985. Areas covered include:

1. Political science: Political Religions, manifestations in Nazi Germany and in contemporary European and North American nationalism.
2. International relations: the Cold War in critical perspective.
3. Philosophy: Plato and Aristotle in the reading of Eric Voegelin; contemporary assessments.
4. Sociology: Correspondence of Voegelin and Alfred Schütz.
5. New Testament studies and Christology: questions and developments for Voegelin's interpretations.
6. Old Testament studies: questions and developments from Voegelin's Israel and Revelation.
7. Historical sociology: Revelation and order in axial age societies.
8. Philosophy of history: Voegelin and Toynbee in contrast.
9. Literary studies: Voegelin in contrast with contemporary literary theory; critical readings of Milton, Greek tragedy.

Gnostic Wars Stefan Rossbach, 2019-08-07 Stefan Rossbach reminds us of the philosophical and spiritual underpinnings of the Cold War era, drawing on the traditions of apocalypticism, millenarianism, and Gnostic spirituality.

Mr. X and the Pacific Paul J. Heer, 2018-05-15 George F. Kennan is well known as the preeminent American expert on the Soviet Union during the Cold War and the author of the doctrine of containment. In *Mr. X and the Pacific*, Paul J. Heer chronicles and assesses Kennan's work in affecting US policy toward East Asia. Heer traces the origins, development, and bearing of Kennan's strategic perspective on the Far East during his time as director of the State Department's Policy Planning Staff from 1947 to 1950. The author follows Kennan's career and evolution of his thinking as he subsequently became a prominent critic of American participation in the Vietnam War. *Mr. X and the Pacific* offers

readers a new view of Kennan revealing his importance and the totality of his role in East Asia policy his struggle with American foreign policy in the region and the ways in which Kennan s legacy still has implications for how the United States approaches the region in the twenty first century **Bulletin of Bibliography** ,1998 **Presidents, Diplomats, and Other Mortals** Robert H. Ferrell,2007 From Abraham Lincoln s stance on international slavery to George W Bush s incursions on the world stage American presidents and other leaders have taken decisive actions to shape our country s foreign policy This new collection of essays provides analytical narratives of how and why policies were devised and implemented that would determine the place of the United States in the international arena from the 1860s to the present Showing what individuals do or choose not to do is central to understanding diplomacy in peace and war These writings by such prominent historians as Terry H Anderson and Eugene P Trani examine presidents and other diplomats at their best and worst in the practice of statecraft They take on issues ranging from America s economic expansion abroad to the relations of democracies with authoritarian leaders and rogue nations to advocacy of such concepts as internationalism unilateralism nation building and regime change In so doing they take readers on a virtual tour of American diplomatic history tracing the ideas and actions of individuals in shaping our foreign policy whether George F Kennan as author of Soviet containment or Ronald Reagan as progenitor of Star Wars The essays range over a variety of scenarios to depict leaders coming to grips with real world situations They offer original views on such topics as American diplomacy toward Nicaragua origins of U S attitudes toward Russia and the Soviet Union FDR s idiosyncratic approach to statecraft and food diplomacy as practiced by LBJ and Richard Nixon And in considering post Cold War crises they address Bill Clinton s military interventions George W Bush s war against Iraq and the half century background to the current nuclear standoff with Iran Additional articles pay tribute to the outstanding career of Robert H Ferrell as a scholar and teacher Throughout the volume the authors seek to exemplify the scholarly standards of narrative diplomatic history espoused by Robert Ferrell especially the notion that historians should attempt to explain fully the circumstances opportunities and pressures that influence foreign policy decisions while remembering that historical actors cannot with certainty predict the outcomes of their actions **Presidents Diplomats and Other Mortals** is both a collection of compelling historical studies and an overarching case study of the role of individuals in foreign policy making and an insightful review of some of history s most important moments Taken together these essays provide a fitting tribute to Ferrell the trailblazing scholar in whose honor the book was written *The British National Bibliography* Arthur James Wells,1998 **The 20th Century Go-N** Frank N. Magill,2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the

summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.

American Studies Jack Salzman, American Studies Association, 1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988

Soviet Bibliography, 1953-06-17

Quarterly Review of Military Literature, 1977

Joseph Stalin David R. Egan, Melinda A. Egan, 2007-07-25 With the opening of Russian and communist bloc archives dating from the Soviet era there has been a significant increase of scholarly writings pertaining to Joseph Stalin. Widely considered to be among the most influential historical figures of the twentieth century, Stalin continues to be a source of intense study. In the absence of a comprehensive compilation of periodical literature, the need for *Joseph Stalin: An Annotated Bibliography of English Language Periodical Literature to 2005* is conspicuous. Ranging from editorials and news reports to academic articles, the more than 1700 sources cited collectively cover the full range of his life, the various aspects of his leadership, and virtually all facets of the system and practices traditionally associated with his name. The coverage in this bibliography extends beyond the person of Stalin to include the subjects of Stalinism, the Stalinist system, the Stalin phenomenon, and those policies and practices of the Communist Party and Soviet state associated with him. This volume also provides a record of scholarly opinion on Stalin and sheds light on the evolution and current state of Stalinology. An effort has been made to list only those articles in which Stalin figures prominently, but in some instances articles have been included which do not center on Stalin but are worthy of listing for other reasons. The book is divided into fourteen main sections: General Studies and Overviews; Biographical Information and Psychological Assessments; The Revolutionary Movement; October Revolution and Civil War; Rise to Power; Politics; Economics; Society and Social Policy; Nationalism and Nationality Policy; Culture; Religion; Philosophy and Theory; Foreign Relations and International Communism; Military Affairs; and De-Stalinization. Including a subject index of several hundred headings and even greater number of subheadings, this comprehensive annotated bibliography should be of benefit to those individuals who, for the purpose of research or classroom,

Limitations Of Military Power - Essays Presented To Professor Norman John B. Hattendorf, Malcolm H. Murfett, 1990-10-11

O Powerful Western Star! Peter Golden, 2012

American Jews, Russian Jews and the Final Battle of the Cold War

The Stalinist Dictatorship Christopher Edward Ward, 2018-10-24 From the late 1920s onwards, forced collectivisation, state directed industrialisation, mass purging, and the party's control of culture refashioned Russia and gave birth to a new type of society. The second revolution and its aftermath remodelled the Soviet State, and the Bolshevik party restructured all institutions and reconstituted all social relationships. Millions found their lives changed forever. Nothing was untouched, and no one was unaffected. Presiding over these momentous changes was Joseph Stalin, one of the twentieth century's most disturbing figures. *The Stalinist Dictatorship* looks at the regime from three different perspectives. Section one focuses on interpretations of Stalin's character and attempts to explain the everlasting puzzle of the relationship between events and personality. Section two looks at Stalin's role within the

Soviet Union and sees him as only one part albeit an important one of a complex culture of politics and administration The final section examines the ways in which the Soviet people handled socialism and how Stalinism functioned on the ground The vicissitudes in Stalin's reputation reflect the vicissitudes of the history of the twentieth century itself Stalin became a symbol of a new system a socialist alternative to the capitalist path Understanding War Christian P. Potholm, 2016-08-03 The third book in Professor Christian Potholm's war trilogy which includes *Winning at War* and *War Wisdom* *Understanding War* provides a most workable bibliography dealing with the vast literature on war and warfare As such it provides insights into over 3000 works on this overwhelmingly extensive material *Understanding War* is thus the most comprehensive annotated bibliography available today Moreover by dividing war material into eighteen overarching themes of analysis and fifty seminal topics and focusing on these *Understanding War* enables the reader to access and understand the broadest possible array of materials across both time and space beginning with the earliest forms of warfare and concluding with the contemporary situation Stimulating and thought provoking this volume is essential for an understanding of the breadth and depth of the vast scholarship dealing with war and warfare through human history and across cultures

George F Kennan An Annotated Bibliography Introduction

In the digital age, access to information has become easier than ever before. The ability to download George F Kennan An Annotated Bibliography has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download George F Kennan An Annotated Bibliography has opened up a world of possibilities. Downloading George F Kennan An Annotated Bibliography provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading George F Kennan An Annotated Bibliography has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download George F Kennan An Annotated Bibliography. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading George F Kennan An Annotated Bibliography. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading George F Kennan An Annotated Bibliography, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download George F Kennan An Annotated Bibliography has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About George F Kennan An Annotated Bibliography Books
