George Mills Stanley Elkin, 2010-10-26 An age old family curse fuels this National Book Critics Circle Award winner Elkin's imagination should be declared a national landmark Paul Auster Since the time of the First Crusade every generation of the Mills family has been consigned by fate to an unfulfilling servile existence And each successive Mills has had a son George to perpetuate the family plight through history Whether a stable hand in feudal Europe or a prisoner in an Ottoman harem each George Mills falls prey to his hereditary misfortune until the modern George Mills threatens to reverse this fate once and for all Written with penetrating insight and wit George Mills is an engrossing story of one man's salvation and an unforgettable defense of free will in even the most overwhelming of circumstances This ebook features rare photos and never before seen documents from the author's estate and from the Stanley Elkin archives at Washington University in St Louis

Housing the North American City Michael Doucet, John C. Weaver, 1991-08-06 Doucet and Weaver begin this empirical analytical and narrative study with an analysis of the evolution of land development as an enterprise and continue with an examination of house design and construction practices the development of the apartment building and an account of class and age as they relate to housing tenure They also relate developments in Hamilton to the current state of urban historiography using their case study to resolve discrepancies and contradictions in the literature Among the major themes the authors deal with is a controversial exploration of what they see as a central North American urge the desire to own a home Other themes include the social allocation of urban space the quality and affordability of housing the increased interest of large corporations in the land development and financial service industries and a comparative analysis of housing in Canada and the United States The authors have drawn on civic and business records dating from the early nineteenth century to the latest planning data Combining this information with their comprehensive analysis Doucet and Weaver show that current housing problems and potential solutions are better understood when seen as part of a historical process They provide a critical assessment of the ways in which contemporary society produces shelter and question the use of technical innovations alone to resolve housing crises

Thunder from the Prairie Jerry Harrington, 2023-08-15 In Thunder from the Prairie Jerry Harrington explores the life of Harold E Hughes a man of working class origins who overcame severe alcoholism to become Iowa governor 1963-1969 and US Senator 1969-1974 As a Democratic governor in traditionally Republican Iowa Hughes through his charismatic leadership helped transform Iowa into a competitive two party state while modernizing state government to make it more responsive to the contemporary needs of its citizens Hughes was an outspoken leader against the Vietnam War and the American military as senator and he exposed covert operations such as the illegal bombings of North Vietnam and Cambodia Relying upon his experience with alcoholism

that nearly cost him his life Senator Hughes spearheaded the creation of the National Institute of Alcohol Abuse and Alcoholism which was founded on the principle that alcoholism is a disease not a personal moral failure Hughes's moral compass was guided by his Christian beliefs steering him to politics left of center In this way Hughes was distinctive among other openly Christian politicians of his day whose theology manifested in conservative politics Jerry Harrington's detailed *Thunder from the Prairie* is the first book length treatment of Harold E Hughes The work fills major gaps in the history of Iowa and Midwestern political history as well as the history of the Long Sixties from the late 1950s to the early 1970s Hughes was an impactful actor within the rise of postwar American liberalism the conflict over the Vietnam War and the civil rights movement and led the effort to reform the Democratic Party to make it more open to women minorities and young people
