George Washingtons Rules Of Civility Decent Behaviour In Company And Conversation:

George Washington's Rules of Civility and Decent Behaviour in Company and Conversation George Washington,1926 *George Washington's Rules for Civility and Decent Behavior in Company and Conversation* Rev. Mark W Chidester, PhD,2014-06-07 By age sixteen Washington had copied out by hand 110 Rules of Civility Decent Behavior in Company and Conversation They are based on a set of rules composed by French Jesuits in 1595 Anyone that might read these rules today is likely to believe a number of them silly and likely dismiss them as being outdated and more appropriate to a time of quills and powdered wigs than a modern age but they reflect something that is increasingly difficult to find in today s high tech world focus This collection of rules is ideal for today in earnest as they proclaim our respect for others without needing to speak a word in most cases and in turn give us a heightened self esteem and the gift of self respect Just imagine if everyone in the nation practiced these rules Imagine further being a beacon of hope to the world that the entire world might embrace such a system just how much greater a world we would have to leave to our children
