

THE GEORGE GRANT READER

Edited by William Christian and Sheila Grant

George Grant Reader

Hugh Donald Forbes

George Grant Reader:

The George Grant Reader George Parkin Grant, 1998-01-01 A number of his more disturbing essays are also included such as his controversial writings on abortion The editors substantial introduction places the articles in the wider context of Grant's life and thought **BOOK JACKET** George Grant Hugh Donald Forbes, 2007-01-01 George Grant 1918-1988 is the most engaging and provocative writer to have dealt with Canadian politics in the last fifty years His *Lament for a Nation* 1965 is an undisputed classic of our nation's political literature An instant best seller on account of its practical political argument it has endured as an interpretation of Canadian history and a justification for nationalism in this country Along with Grant's other books it has also helped to clarify what is meant by the malaise of modernity said to characterize our time and thus has served to introduce more than a generation of students to the basic questions of political philosophy This study aims to guide the reader toward a clearer understanding of Grant's thought Focusing on his six short books and some of his most revealing articles and addresses it serves as both an introduction to and an overview of George Grant's career and his many contributions to the fields of political science philosophy religion and Canadian studies Hugh Donald Forbes relates Grant's work to that of three disparate and controversial European thinkers Martin Heidegger Leo Strauss and Simone Weil exploring Grant outside of the strictly Canadian framework in which he is normally situated This volume offers fresh perspective on the work of an important political philosopher It will prove invaluable reading for students new to the subject as well as for those interested in a comprehensive study of an outstanding Canadian thinker **Collected Works of**

George Grant George Grant, 2000 *Collected Works of George Grant* Arthur Davis, Henry Roper Roper, Sheila Grant, 2009-02-28 George Grant 1918-88 has often been called Canada's greatest political philosopher and his work continues to influence the country's political social and cultural discourse and institutions The fourth and final volume of the *Collected Works of George Grant* contains his writings from the last period of his life and includes unpublished material such as lectures interviews and excerpts from his notebooks With comprehensive annotations for his articles reviews and the three books he published during this period *Time as History* *English Speaking* *Justice and Technology* and *Justice* the volume also contains his writings on Nietzsche Heidegger Simone Weil and C line that were central to this phase of his thought Volume 4 reveals his engagement with technology and the nature of technological society that is as insightful today as during Grant's lifetime and is lasting proof of his legacy Arthur Davis is Associate Professor in the School of Social Sciences Atkinson Faculty of Liberal and Professional Studies York University During the 1950s he studied undergraduate philosophy with George Grant **Collected Works of George Grant: 1951-1959** George Parkin Grant, 2000-01-01 A collection of all the important material from the 1950s when philosopher George Grant did his first teaching and writing at Dalhousie University

Collected Works of George Grant George P. Grant, 2000-12-15 More than a decade after his death George Grant continues to stimulate challenge and inspire During his lifetime he influenced a broad cross section of Canadians urging

them to think more deeply about matters of social justice and individual responsibility He wrote on subjects as diverse as technology abortion Canadian politics and nationalism and the war in Vietnam and was claimed equally by rightist and leftist causes Grant s legacy includes six books and more than two hundred articles as well as numerous broadcast transcripts extensive correspondence and a wealth of unpublished lectures essays and notes In this projected eight volume series Grant s published and unpublished writings including his complete correspondence will be brought together for the first time The texts are annotated and each volume includes an introduction to the period that it covers The series will not only make it possible to see the whole pattern of Grant s thought but will also invite a reconsideration of the nature and importance of his work Volume I covers Grant s intellectual development through his student years Included are his early reviews a brief journal written as he recovered from tuberculosis in 1942 and his earliest social and political writings about Canadian and international affairs The most important of Grant s formative years were those spent at Oxford after the war culminating in the writing of his DPhil thesis on the Scottish philosopher John Oman In this dissertation published here in full we see the main themes of Grant s thought worked out for the first time

Collected Works of George Grant: 1933-1950 George Parkin Grant, Henry Roper, 2000-01-01 Included are Grant s early reviews a brief journal written as he recovered from tuberculosis in 1942 his earliest social and political writings and his DPhil thesis on the Scottish philosopher John Oman

George Grant T.F. Rigelhof, 2001-01-01 George Grants Lament for a Nation led some to call him a Red Tory and the dominant force behind the Canadian nationalist movement of the 1970s Today reading George Grants books helps us to understand the full implications of American led technology driven globalization on everyday life

George Grant and the Subversion of Modernity Arthur Davis, 1996-12-15 George Grant s mystique as a public philosopher is due in part to the seemingly contradictory political stances he took through the years His opposition to the Vietnam war and his linking of liberalism with technological progress and imperialism brought him favour among the political left during the 1960s Then in the following decade his opposition to abortion earned him allies on the political right despite his rejection of limitless capitalist growth and free trade with the US This collection of original essays reveals the complex philosophic artistic and religious sources underlying Grant s public positions of nationalism pacifism and conservatism The collection begins with Grant s previously unpublished writing on C line This is a bold and vigorous Grant writing on a topic about which he is passionate and deeply informed Grant s own work is followed by two pieces that explore his devotion to C line Nietzsche Heidegger Weil and Strauss also receive special attention here Many of the essays draw on manuscripts and notes left unpublished by Grant thus contributing new perspectives to the ongoing discussion of his work The focus of this book is the unknown George Grant namely the philosophic religious and artistic inspiration behind his well known public positions Here we discover the great modern thinkers who animated Grant and whose writings occupied him for much of his life

Waiting at the Foot of the Cross Pamela R. McCarroll, 2013-12-24 How do we hope in the face of modernity s failure

and postmodernity's absence of foundations How do we hope when the future seems fearful and no clear way forward appears How do we hope when despair indifference and cynicism dominate the psychic landscape of English speaking North America In dialogue with theologians of the cross George Grant and Douglas John Hall this book unmask the failure of hope in our time and the vacuum of meaning that remains As an exercise in the theology of the cross *Waiting at the Foot of the Cross* explores the North American context as one in which true hope is discovered only when life's negations are engaged from a posture of waiting trust Such hope is not passive or blind Rather it is attentive active open and spiritually grounded in the One who meets us when all hope is spent The final chapter proposes a way toward hope for today that inspires subversive resilience in the face of the ambiguities and vicissitudes of life Readers interested in the theology of the cross in thinking theologically in our time and place and those interested in the character of Christian hope will find this book compelling

Body, Mind and Self in Hume's Critical Realism Fred Wilson, 2013-05-02 This essay proposes that Hume's non-substantialist bundle account of minds is basically correct The concept of a person is not a metaphysical notion but a forensic one that of a being who enters into the moral and normative relations of civil society A person is a bundle but it is also a structured bundle Hume's metaphysics of relations is argued must be replaced by a more adequate one such as that of Russell but beyond that Hume's account is essentially correct In particular it is argued that it is one's character that constitutes one's identity and that sympathy and the passions of pride and humility are central in forming and maintaining one's character and one's identity as a person But also central is one's body a person is an embodied consciousness the notion that one's body is essential to one's identity is defended at length Various concepts of mind and consciousness are examined for example neutral monism and intentionality and also the concept of privacy and our inferences to other minds

Leo Strauss and Anglo-American Democracy Grant N. Havers, 2013-10-15 Leo Strauss and Anglo American Democracy critically interprets Strauss's political philosophy from a conservative perspective Most mainstream readers of Strauss have either condemned him from the Left as an extreme right wing opponent of liberal democracy or celebrated him from the Right as a traditional defender of Western civilization Rejecting both portrayals Grant N Havers shifts the debate beyond the conventional parameters stating that Strauss was neither a man of the Far Right nor a conservative but in fact a secular Cold War liberal In *Leo Strauss and Anglo American Democracy* Havers contends that the most troubling implication of Straussianism is that it provides an ideological rationale for the aggressive spread of democratic values on a global basis while ignoring the preconditions that make these values possible Concepts such as the rule of law constitutional government Christian morality and the separation of church and state are not easily transplanted beyond the historic confines of Anglo American civilization as recent wars to spread democracy have demonstrated [Canadian Conservative Political Thought](#) Lee Trepanier, Richard Avramenko, 2023-03-24 This book corrects an imbalance in Canadian political literature through offering a conservative account of Canadian political thought Across 15 chronologically organized chapters and with a

mixture of established and rising scholars the book offers an investigation of the defining features and characteristics of Canadian conservative political thought asking what have Canadian conservative political thinkers and practitioners learned from other traditions and in turn what have they contributed to our understanding of conservative political thought today Rather than its culmination Canadian Conservative Political Thought will be the beginning of conservative political thought's recovery and will spark debates and future research The book will be a great resource for courses on Canadian politics history political philosophy and conservatism Canadian Studies and political theory George Grant in Conversation David Cayley, 1995-10-01 Historian Ramsay Cook called George Grant one of Canada's two most important political thinkers in the twentieth century In these lively conversations recorded not long before Grant's death David Cayley explores with Grant the deep roots of his faith his evolution as a thinker and his views on the future of Canada **Canadian Books in Print.**

Author and Title Index, 1975 Canada and the End of Empire Phillip Buckner, 2013-12-01 Sir John Seeley once wrote that the British Empire was acquired in a fit of absence of mind Whatever the truth of this comment it is certainly arguable that the Empire was dismantled in such a fit This collection deals with a neglected subject in post Confederation Canadian history the implications to Canada and Canadians of British decolonization and the end of empire Canada and the End of Empire looks at Canadian diplomatic relations with the United Kingdom and the United States the Suez crisis the changing economic relationship with Great Britain in the 1950s and 1960s the role of educational and cultural institutions in maintaining the British connection the royal tour of 1959 the decision to adopt a new flag in 1964 the efforts to find a formula for repatriating the constitution the Canadianization of the Royal Canadian Navy and the attitude of First Nations to the changed nature of the Anglo Canadian relationship Historians in Commonwealth countries tend to view the end of British rule from a nationalist perspective Canada and the End of Empire challenges this view and demonstrates the centrality of imperial history in Canadian historiography An important addition to the growing canon of empire studies and imperial history this book will be of interest to historians of the Commonwealth and to scholars and students interested in the relationship between colonialism and nationalism **Quest Biography 35-Book Bundle** Judith Fitzgerald, Michelle Labrèche-Larouche, Kate Braid, T.F. Rigelhof, Raymond Plante, Arthur Slade, John Wilson, Kathryn Bridge, Roderick Stewart, Sharon Stewart, Margaret Macpherson, Iain Goodall, Marguerite Paulin, Francine Legaré, Gary Evans, Deborah Cowley, Tom Shardlow, Heather Kirk, Anne Cimon, André Vanasse, Wayne Larsen, Tom Henighan, Nicholas Maes, Julie H. Ferguson, Valerie Knowles, D.T. Lahey, Edward Butts, Peggy Dymond Leavey, Rosemary Sadlier, Ray Argyle, Nathan Tidridge, Ged Martin, 2013-12-24 This special bundle contains the first thirty five books in the Quest Biography series which profiles the lives of Canadians who have had a profound effect on their country and the world Some of these figures are truly famous while others were quietly influential Among the wide variety of people we meet are prime ministers Mackenzie King Macdonald Laurier and more artists Emily Carr Tom Thomson explorers David Thompson Samuel de Champlain politicians

Ren L vesque Joey Smallwood writers Robertson Davies Gabrielle Roy entertainers Emma Albani Mary Pickford activists Nellie McClung Louis Riel Harriet Tubman and many many more Let this series be your primer on the greatest figures in Canadian history Includes Emma Albani Emily Carr George Grant Jacques Plante John Diefenbaker John Franklin Phyllis Munday Wilfrid Laurier William Lyon Mackenzie King Ren L vesque Samuel de Champlain John Grierson Lucille Teasdale Maurice Duplessis David Thompson Mazo de la Roche Susanna Moodie Gabrielle Roy Louis Riel James Wilson Morrice Vilhjalmur Stefansson Robertson Davies James Douglas William C Van Horne George Simpson Tom Thomson Simon Girty Mary Pickford Harriet Tubman Laura Secord Joey Smallwood Prince Edward Duke of Kent John A Macdonald Marshall McLuhan

Christian Moral Theology in the Emerging Technoculture Brent Waters, 2016-05-23 We are living in an emerging technoculture Machines and gadgets not only weave the fabric of daily life but more importantly embody philosophical and religious values which shape the contemporary moral vision a vision that is often at odds with Christian convictions This book critically examines those values and offers a framework for how Christian moral theology should be formed and lived out within the emerging technoculture Brent Waters argues that technology represents the principal cultural background against which contemporary Christian moral life is formed Addressing contemporary ethical and religious issues this book will be of particular interest to students and scholars exploring the ideas of Heidegger Nietzsche Grant Arendt and Borgmann

Canada and the Ethics of Constitutionalism Samuel V. LaSelva, 2018-12-30 Canada is caught between two empires and between two constitutional systems However neither the British model of a single sovereign nor the American people's sacred fire of liberty matched the pluralistic identity of Canada so Canadians engaged in constitutional experimentation In *Canada and the Ethics of Constitutionalism* Samuel LaSelva argues that in order to understand the old Canada of Confederation and the new one that followed the Charter of Rights and Freedoms it is necessary to see how distinctive Canadian constitutionalism is and how that distinctiveness does not depend on borrowings from the British or American constitutional models LaSelva supports his argument by exploring different aspects of Canada's contribution to the ethics of constitutionalism including the limits of free expression the Charter's notwithstanding clause the origins and functions of judicial review the Quebec secession debate Aboriginal self government and the conception of Canada as a multicultural and multinational mosaic Through a careful consideration of how Canadian constitutional pluralism with its focus on the rights of others differs from American and British ideas *Canada and the Ethics of Constitutionalism* provides engaging answers to contested questions about how Canada was founded and what it has become

The Vanishing Tradition Paul Gottfried, 2020-07-15 This anthology provides a timely critical overview of the American conservative movement The contributors take on subjects that other commentators have either not noticed or have been fearful to discuss In particular this collection of searing essays hits hard at blatant cult of celebrity and intolerance of dissent that has come to characterize the conservative movement in this country As *The Vanishing Tradition* shows the conservative movement has

not often retrieved its wounded instead dispatching them in order to please its friendly opposition and to prove its moderateness The movement has also been open to the influence of demanding sponsors who have pushed it in sometimes bizarre directions Finally the essayists here highlight the movement's appeal to permanent values as a truly risible gesture given how arduously its celebrities have worked to catch up with the Left on social issues This no holds barred critical examination of American conservatism opens debates and seeks controversy

Whispering the Secrets of Language: An Mental Quest through **George Grant Reader**

In a digitally-driven world wherever screens reign great and immediate communication drowns out the subtleties of language, the profound strategies and psychological subtleties hidden within phrases often get unheard. However, located within the pages of **George Grant Reader** a fascinating literary value pulsating with organic feelings, lies a fantastic journey waiting to be undertaken. Written by an experienced wordsmith, this marvelous opus attracts readers on an introspective trip, softly unraveling the veiled truths and profound influence resonating within ab muscles fabric of each and every word. Within the mental depths of this touching evaluation, we can embark upon a genuine exploration of the book is key subjects, dissect its interesting publishing design, and fail to the strong resonance it evokes serious within the recesses of readers hearts.
