George Washington's Ghost:

George Washington's Ghost, 1994 Celinda the smallest member of a traveling family of puppeteers is determined to find an important part to play when the troupe sets out to earn a living in the early days of the new United States George Washington's Ghost James Philip, 2020-02-18 Conventional wisdom is that if the Crown Colonies of the Commonwealth of New England ever unite in common purpose then the Empire might fall That this might happen at the very moment that century old post war settlement of the Treaty of Paris is threatening to fall apart had been the unimaginable nightmare of generations of European monarchs politicians diplomats and generals The unthinkable is happening Mexican troops are advancing through the South Western borderlands of New England nothing can stop them At sea the supposedly invincible Royal Navy has been driven from the Caribbean and the Gulf of Spain The handful of survivors of HMS Achilles are trapped in enemy territory The three brothers unwittingly caught up in the events of Empire Day 1976 are swept along by the tide of events while news of Melody Danson and Henrietta De L Isle s adventures in Spain momentarily distract a bewildered and increasingly uneasy public in the old and the new worlds In apparent disarray in the Americas at home in England the Government is attempting to navigate the fallout from the death of the Kaiser distracted from the problems across the Atlantic And then secrets more explosive than any of the weapons deployed in the war threatening to change the map of New England burst in the midst of the crisis In a world threatening to dissolve into chaos who can step from the shadows to save the day Ghosts of the White House Cheryl Harness, 1999 George Washington s ghost pulls a girl out of her school White House tour and takes her on a personal tour of the building introducing her to the ghosts of previous presidents and to the history of the White House and of the United States **The Complete Idiot's Guide to Ghosts and Hauntings** Tom Ogden, 1999 You re no idiot of course You know Casper was a friendly ghost and that the Phantom Hitchhiker is someone you d rather not meet on a deserted highway late at night But when it comes to knowing the authentic roots of ghost stories and which ones remain unexplained to this day you don t stand a ghost of a chance Don t get spirited away yet The Complete Idiot s Guide to Ghosts and Hauntings is an eerie investigation into the firsthand accounts legends literature and dramatic works surrounding the world of ghosts In this Complete Idiot s Guide you get **George Washington on Screen** Leigh Ehlers Telotte, 2023-07-18 One of the most moving narratives from the American Revolution is the first presidential administration and the many precedents set by George Washington While media historians have extensively analyzed screen portrayals of the more sensational events of America in the 1750s to the 1790s far less attention has been paid to portrayals of the first presidency and the character of George Washington in film television and other formats This book addresses that gap by providing the most comprehensive analysis of the character of George Washington on screen Divided into two parts the book begins with an analysis of how the Washington character has evolved through time and screen media from early silent films to modern multimedia products In Part II a filmography documents each piece of screen media that features a

representation of Washington It includes silent films theatrical films cartoons television and screen media from the 21st century such as streaming video games and multimedia presentations Arranged alphabetically each entry includes format type production details crew and cast lists and a brief description of Washington s character in relation to the plot

Haunted Presidents Charles A. Stansfield,2010-07-16 Follow our presidents chronologically through stories of ghostly manifestations and experiences with unexplained phenomena **The Haunting of the Presidents** Joel Martin,William J. Birnes,2010-02-10 The history of paranormal phenomena in the presidential residence is revealed for the first time in a fascinating exploration of the country s most famous portal to the unknown George Washington's Surprise Attack Phillip Thomas Tucker,2016-08-23 Extensively researched and superbly argued in Tucker s compelling narrative this in depth examination of George Washington s military miracle at the Battle of Trenton unquestionably confirms the vital importance of that stunning victory Jerry D Morelock PhD editor in chief at Armchair General Like many historical events the American Revolution is sometimes overlooked ignored or minimized by historians because of common shrouding in romantic myth or interference from stubborn stereotypes Here historian Phillip Thomas Tucker provides an in depth look at the events of the Battle of Trenton weeding out fiction and legend and presenting new insights and analysis Stories from many forgotten individuals of the war including officers and soldiers from both sides bring to life the Continental Army s desperate circumstances and shocking victory Myths that Tucker debunks include the Hessians slovenly drunkenness Washington acting alone in creating the attack strategy and Rall s incompetence as a leader largely contributing to his troops defeat By exploring the forgotten aspects of one of America s most famous battles revealing Trenton s story proves to be even more fascinating In the end America s founding was nothing short of miraculous and no chapter of America s story was more miraculous than Washington s improbable success at the battle of Trenton where America s fate was decided to almost everyone s amazement on a dark snowy morning Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home Benedict Arnold: Legacy Lost (A Ghost's Story) Will Maartin,2011-12-18 Benedict Arnold few names in American history are as infamous And for more than two centuries readers of American history have asked Why did Benedict Arnold betray his country Although branded as this nation s most villainous traitor from the very beginning those who knew him then and readers of history ever since have wondered if Arnold had some other motive Benedict Arnold Legacy Lost A Ghost s Story presents that motive and answers the question why *The Life and Writings of George Washington Doane ...* George Washington Doane,1860 *George Washington Parke Custis* Charles S. Clark,2021-09-10

George Washington Parke Custis 1781-1857 was raised at Mount Vernon by George and Martha Washington. Young Wash appears in Savage's 1789 painting of the first presidential family; his small hand placed symbolically on a globe. He would later make his mark on the national landscape by building Arlington House on the Potomac. A poor student, he emerged as an agricultural reformer and sought after Federalist orator. He championed the plights of Irish Americans and war veterans. An important memoirist, he wrote well-received theatrical works and produced paintings rich in historical detail. Inheriting much of the vast Custis fortune, he also became the enslaver of more than 200 people. The slow march toward their emancipation became the central struggle of his life, particularly after his daughter's 1831 marriage to Robert E. Lee. This first full-length biography of Custis offers a 21st-century reappraisal of a life that dramatically bridged the American Revolution and the Civil War.

Hauntings Gail Barbara Stewart, 2009-08 From clanking and wailing in an abandoned house and strange lights on a Civil War battlefield to eerie voices heard on a tape recorder left on in a cemetery at night, there are thousands of haunted places. Why do some spirits of the dead remain on earth, and what can be done about them?

George Washington and Political Fatherhood Heinz Tschachler, 2020-02-20 More than two hundred years after his death, George Washington is still often considered the metaphorical father of the United States. He was first known as the Father of His Country during his lifetime when the American people bestowed the title upon him as a symbolic act of resistance and rebirth. Since then, presidents have stood as paternal figureheads for America, often serving as moral beacons. This book tracks political fatherhood throughout world history, from the idea of the pater patriae in Roman antiquity to Martin Luther's Bible translations and beyond. Often using George Washington as a paradigm, the author explores presidential iconography in the U.S. propaganda and the role of paternal rhetoric in shaping American sociopolitical history, including the results of the 2016 presidential election.

Ghosts of Presidents Past - A Reckoning James Mikel Wilson, 2020-10-26 Ghosts of Presidents Past: A Reckoning serves as a metaphor for the chaos in American politics from 2015-2020. The work combines historical fiction with political parody and humor. Normally, we don't see ghosts and phantoms except on Halloween when trick-or-treaters knock on front doors. If Halloween in government existed, how might twenty-three former US presidents, beginning with George Washington, respond to the siren call to visit a president who ignores the Constitution and suppresses and manipulates information for political gain? What if that president disrespected his obligations to the Nation's revered institutions and the American public? What if he lacked moral fiber and used the office for personal gain? What if he had attained the highest office in the land through unscrupulous means? What if his ego drove him to manipulate the truth to enhance his image? What if he bullied his opponents and called them sophomoric names? What if he alienated friends and stalwart allies? What if that president disrespected his obligations to the Nation's revered institutions and the American public? What if he lacked moral fiber and used the office for personal gain? What if he had attained the highest office in the land through unscrupulous means? What if his ego drove him to manipulate the truth to enhance his image? What if he bullied his

opponents and called them sophomoric names What if he alienated friends and stalwart allies In *Ghosts of Presidents Past* President Daniel Hands violates the public trust He desecrates the Oval Office so egregiously that past occupants return to confront him What could they say to POTUS that might reform him During their journey each shares some relevant success and regrets while in office *Ghosts of Presidents Past A Reckoning* encapsulates many of the more shocking public utterances and events over the last several years where each new one often eclipses its predecessor *Ghosts* will entertain readers who enjoy presidential history The visiting presidents bring some surprises and share some little known or forgotten moments in their lives The book will speak primarily to moderate Republicans Democrats and Independents Charles Dickens's *A Christmas Carol* provided the inspiration for this book And like his work it is political satire and a statement of the times The author is a Proud Supporter of NPR and PBS Houston Public Media stations Readers can follow the author on www.jamesmikelwilson.com Instagram and The Authors Guild
