Editor

Georgetown At Two Hundred Faculty Reflections On The Universitys Future

Various

Georgetown At Two Hundred Faculty Reflections On The University's Future:

Georgetown at Two Hundred William C. McFadden, 1990 In this book seventeen faculty members and administrators attempted in 1989 to answer the fundamental question How does a university like Georgetown maintain and develop its Catholic and Jesuit identity while actively engaging in the often conflicting political social and religious debates that America must urgently conduct today The Bicentennial History of Georgetown University: From academy to university, 1789-1889 Robert Emmett Curran, 1993 Sets Georgetown's story within the larger educational context quite expertly Catholic Historical Review **Jesuit Colleges and Universities in the United States** Michael T. Rizzi, 2022-07-15 Provides a comprehensive history of Jesuit higher education in the United States weaving together the stories of the fifty four colleges and universities that the Jesuits have operated successfully and unsuccessfully since 1789 It emphasizes the connections among the institutions exploring how certain Jesuit schools like Georgetown University gave birth to others like Boston College by sharing faculty financial resources accreditation and even presidents throughout their history The book also explores how the colleges responded to common challenges including anti Catholic prejudice in the United States the push from government authorities to modernize their shared curriculum and the pull from Roman authorities to remain loyal to Catholic tradition It covers themes like the rise of the research university in the 1880s the administrative reforms of the 1960s and the role of Jesuit colleges in racial justice women's education and other civil rights issues **The Cambridge Companion to the Jesuits** Thomas Worcester, 2008-03-20 Ignatius of Loyola 1491-1556 obtained papal approval in 1540 for a new international religious order called the Society of Jesus Until the mid 1700s the Jesuits were active in many parts of Europe and far beyond Gaining both friends and enemies in response to their work as teachers scholars writers preachers missionaries and spiritual directors the Jesuits were formally suppressed by Pope Clement XIV in 1773 and restored by Pope Pius VII in 1814 The Society of Jesus then grew until the 1960s it has more recently experienced declining membership in Europe and North America but expansion in other parts of the world This Companion examines the religious and cultural significance of the Jesuits The first four sections treat the period prior to the Suppression while section five examines the Suppression and some of the challenges and opportunities of the restored Society of Jesus up to the present **Routledge Library Editions: Higher Education** Various, 2021-03-29 The volumes in this set originally published between 1964 and 2002 draw together research by leading academics in the area of higher education and provide a rigorous examination of related key issues The volume examines the concepts of learning teaching student experience and administration in relation to the higher education through the areas of business sociology education reforms government educational policy business and religion whilst also exploring the general principles and practices of higher education in various countries This set will be of particular interest to students and practitioners of education politics and sociology In the Lógos of Love James Heft, Una M. Cadegan, 2016 So much has changed about Catholic intellectual life in the half century since the end of the Second Vatican Council that it

has become difficult to locate the core concepts that make up the tradition In the L gos of Love is a collection of essays that grew out of a 2013 conference on Catholic intellectual life co sponsored by the University of Dayton and the Institute for Advanced Catholic Studies at the University of Southern California The essays written by scholars of theology history law and media studies of religion trace the history of this intellectual tradition in order to craft new tools for understanding the present day and approaching the future Each essay explores both the promise of Catholic intellectual life and its various contemporary predicaments How does a changed media landscape affect the way Catholicism is depicted and the way its adherents understand and communicate among themselves What resources can the tradition offer for reflection on new understandings of sexuality and gender How can and should US Catholic intellectual life embrace and enhance and introduce students to the new ways in which Catholicism is becoming a more global tradition What is the role of scholars in disciplines beyond theology Of scholars who are not Catholic Of scholars in universities not sponsored by Catholic religious orders or dioceses By providing context for and proposing responses to these questions the scholars invite discussion and reflection from a wide range of readers who have one important thing in common a stake in sustaining a vibrant flourishing intellectual tradition

Handbook of Research on Catholic Higher Education Kendall Hunt, Ellis A. Joseph, Ronald J. Nuzzi, John O. Geiger, 2003-08-01 The Handbook of Research of Catholic Higher Education provides an important and timely overview for scholars and students interested in understanding this important sector of private higher education More importantly it is an important resource for those faculty staff and administrators interested in shaping the distinctiveness of Catholic colleges and universities The Handbook provides chapters presenting a thematic overview of a particular element of Catholic higher education and in addition provides an extensive bibliography resource of further reading While some of the chapters will appeal to those with specialized interests e g legal affairs finance and community relations the chapters on mission and religious identity history and the documents on Catholic higher education provide an important perspective on the challenges facing Catholic higher education and should be read by everyone involved in Catholic colleges and universities The Handbook of Research of Catholic Higher Education is an important resource for understanding and shaping the distinctiveness of Catholic higher education

Religious Higher Education in the United States Thomas Hunt, James Carper, 2018-10-11 Originally published in 1996 Religious Higher Education in the United States looks at the issue of higher education and a lack of a clearly articulated purpose an issue particularly challenging to religiously affiliated institutions This volume attempts to address the problems currently facing denomination affiliated institutions of higher education beginning with an introduction to government aid and the regulation of religious colleges and universities in the US The greater part of the volume consists of 24 chapters each of which begins with a historical essay followed by annotated bibliographical entries covering primary and secondary sources dating back to 1986 on various denomination connected institutions

Promise Renewed Martin R. Tripole, 1999 Speaking candidly twenty seven noteworthy Jesuits from major areas of Jesuit higher

education have contributed essays that discuss how the recent 34th General Congregation has had an impact on their scholarship and role as teachers and administrators

A Catholic Cold War Patrick H. McNamara, 2005 This book is the first biography in 42 years of the priest and educator who became one of the most important political forces in America's Cold War against communism

Encyclopedia of Christian Education George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women's education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church's founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education

American Law from a Catholic Perspective Ronald J. Rychlak, 2015-03-11 Edited by Ronald J Rychlak American Law from a Catholic Perspective is one of the most comprehensive surveys of American legal topics by major Catholic legal scholars Contributors explore bankruptcy corporate law environmental law family law immigration labor law military law property torts and several different aspects of constitutional law among other subjects Readers will find probing arguments that bring to bear the critical perspective of Catholic social thought on American legal jurisprudence Essays include Michael Ariens's account of Catholicism in the intellectual discipline of legal history William Saunders's assessment of human rights and Catholic social teaching Hadley Arkes's look at the place of Catholic social thought with respect to bioethics and many others on major legal topics and their intersection with Catholic social teaching American Law from a Catholic Perspective is essential reading for all Catholic lawyers judges and law students as well as an important contribution to non Catholic readers seeking guidance from a faith tradition on questions of legal jurisprudence Based on well developed and established ideas in Catholic social thought the evaluations suggestions and remedies offer ample food for thought and a basis for action in the realm of legal

scholarship **Journal of Ecumenical Studies** ,1990 **History of Universities** Mordechai Feingold,2014-03-27 This is one of the volumes in a series of books covering the history of universities It contains a mix of learned chapters and book reviews which covers topics related to higher education The volume provides original research and invaluable reference material *Theological Education in the Catholic Tradition* Patrick W. Carey,Earl C. Muller,1997 The aim of this book is both to raise questions about the contemporary theological enterprise and to suggest ways to improve theological education at the college seminary and graduate levels With that in mind the editors have here gathered together important essays by leading theologians and prominent bishops that provide expert assessment of the present state of Catholic theological education and its future prospects treating a full range of the most pressing topics from undergraduate and graduate programs to the role of bishops and the task of inculturation Bibliographic Guide to Education 1992 G. K. Hall and Co. Staff,1993-06 **God and Man at Georgetown Prep** Mark Gauvreau Judge,2005 Mark Gauvreau Judge one of the most talented writers to emerge from GenX takes us through a hilarious edgy take no prisoners look at his experience in three of the most prestigious Catholic schools in U S history □□□□□□□□□□ □□□,2015-07-10 28 **America, History and Life** ,1994 *Italian Americans and Religion* Silvano M. Tomasi,Edward C. Stibili,1992
