Georgia Boy:

Georgia Boy Erskine Caldwell, 1943 The Georgia boy is twelve years old and the household in which he is brought up includes his father Morris Stroup a somewhat strong minded and itinerant character and his mother Martha Stroup trying to raise her young son and cope with her husband some aggravating goats game cocks and a lazy colored yard boy named Handsome Brown who has a hand in practically everything Mrs Stroup raises her family with the grace of any woman who has been supporting herself and household as long as she can remember Georgia Boy is a new sort of book from the pen of Erskine Caldwell It is a tale of boyhood woven from memory and fancy altogether a charming story While the complete measure of the book might be humorous in tone Georgia Boy is balanced by sentiment irony and enough of the ordinary in everyday life to be compared with such other wholly delightful books in the same field as Clarence Day's Life with Father and Ruth McKenney's My Sister Eileen From dust jacket

Reading Erskine Caldwell Robert L. McDonald,2006-01-24 Erskine Caldwell has been compared to literary giants like Faulkner and Hemingway yet he has also been reviled as peddler of pop trash Was he a genius or just a shooting star whose brilliance faded long before he stopped writing Caldwell began his career in the late 1920s and gained fame for revealing the gritty backwoods South in novels such as his seminal Tobacco Road He wrote prolifically sometimes as much as a book a year As the editor of this book maintains perhaps anyone who wrote so much would inevitably stumble These 12 essays explore a

variety of issues They discuss Caldwell as humorist social commentator modernist and revolutionary novelist They examine his themes and tropes political images social injustice the environment ideological struggles and his use of artistic devices short stories cubist strategies repetition A generous bibliography includes not only books on Caldwell but also chapters and forewords journal articles essays news items and obituaries The reader is encouraged to look at Caldwell with fresh eyes to press beyond his controversial image and to compare his works especially his early ones to those of any of the top names in literature

The People's Writer Wayne Mixon, 1995 Most critics have considered Caldwell to be only a minor southern writer often associating him with his worst writing Yet Saul Bellow suggested he deserved the Nobel Prize and William Faulkner once characterized him as one of the five best writers of his time alongside himself Thomas Wolfe Ernest Hemingway and John Dos Passos

The Man from Scottsboro Kwando Mbiassi Kinshasa, 2002-12-16 In March 1931 Clarence Norris a self described hobo and eight other black men were arrested in Paint Rock Alabama and charged with raping two white girls who were also hoboes on the train he was riding The one day trial of the nine men better known as the Scottsboro Boys resulted in conviction and the death sentence despite a paucity of evidence Though later pardoned Norris spent 13 years in jail He died in 1989 Clarence Norris s description of his arrest trial and sentencing is both tragic and inspirational His letters to his family attorneys and supporters show his spirit as he struggled against a biased judicial system A lengthy 1980 interview with Norris is supplemented by contemporary newspaper accounts of the trial articles by Supreme Court Justice Felix Frankfurter and Alabama Appeals Court Judge James E Horton and legal opinions of the defendants attorney Samuel S Leibowitz

Long Time Leaving Roy Blount, Jr., 2009-01-16 I left the South in search of the Enlightenment I m pro choice in favor of gay marriage and against creationism and the war in Iraq But both my parents people are deep Southern from many generations and I spent a little over a third of my life including the presumably most formative years toilet training through college living in the South Mathematically that makes me just about exactly as Southern as the American people 34 percent of whom are Southern residents But it goes deeper than math my roots are Southern I sound Southern I love a lot of Southern stuff and when my Northern local paper announces a festival to celebrate the spirit of differently abled dogs I react as a Southerner I believe I care as much about dogs feelings as anybody It is hard for me to imagine that a dog with three legs minds being called a three legged dog A sly dry hilarious collection of essays his first in more than ten years from the writer who according to The New York Times Book Review is in serious contention for the title of America s most cherished humorist This time Blount focuses on his own dueling loyalties across the great American divide North vs South Scholarly raunchy biting and affable ol Roy takes on topics ranging from chicken fingers to yellow dog Democrats to Elvis s toes And he shares experiences chatting with Ray Charles rounding up rattlesnakes watching George and Tammy record meeting an Okefenokee alligator also named George or Georgette imagining Faulkner s tennis game and being swept up sort of in the

filming of Nashville His yarns analyses and flights of fancy transcend all standard shades of Red Blue and in between Roy on language Remember when there was lots of agitated discussion of Ebonics pro and con I kept waiting for someone to say that if you acquire white English you can become Clarence Thomas whereas if you acquire black English you can become Quentin Tarantino Roy on eating The way folks were meant to eat is the way my family ate when I was growing up in Georgia We ate till we got tired Then we went Whoop and leaned back and wholeheartedly expressed how much we regretted that we couldn't summon up the strength right then to eat some more Roy on racism Anybody who claims not to have a racist bone in his or her body is at best preraacist and has a longer way to go than the rest of us Blount's previous books have included reflections on a Southern president Jimmy Carter a novel about a Southern president Clementine Fox a biography of Robert E Lee a celebration of New Orleans a memoir of growing up in Georgia and the definitive anthology of Southern humor Long Time Leaving is the caper Maybe it won't end the Civil War at last but it does clarify or aptly complicate divisive delusions on both sides of the longstanding national rift It's a comic ode to American variety and also a droll assault on complacency North and South a glorious union of diverse pieces reshaped and expanded into an American classic from one of the most definitive and esteemed humorists of our time
