revolutionary method in art instruction originally conceived by Arthur Wesley Dow In Bement's class the students did not mechanically copy nature but instead were taught the principles of design using geometric shapes They worked at exercises that included dividing a square working within a circle and placing a rectangle around a drawing then organising the composition by rearranging adding or eliminating elements It sounded dull and to most students it was But Georgia found that these studies gave art its structure and helped her understand the basics of abstraction During the 1920s O Keeffe also produced a huge number of landscapes and botanical studies during annual trips to Lake George With Stieglitz's connections in the arts community of New York from 1923 he organised an O Keeffe exhibition annually O Keeffe's work received a great deal of attention and commanded high prices She however resented the sexual connotations people attached to her paintings especially during the 1920s when Freudian theories became a form of what today might be termed pop psychology The legacy she left behind is a unique vision that translates the complexity of nature into simple shapes for us to explore and make our own discoveries She taught us there is poetry in nature and beauty in geometry Georgia O Keeffe's long lifetime of work shows us new ways to see the world from her eyes to ours **Georgia O'Keeffe** Lois Nicholson,1995 Biography of American artist Georgia O Keeffe discussing her life art career and importance as an American artist *Letters Like the Day* Jennifer Sinor,2017-03 Taking O Keeffe's letters as a touchstone Sinor experiments with the limits of language using the same aesthetic that drove O Keeffe's art Romantic Days and Nights in Santa Fe Lynn Cline,1998 Both natives and visitors find that Santa Fe's attitude and altitude offer romantics of all types a heightened sense of awareness Whatever your taste mood or budget from fabulously elegant to on a shoestring panache you will find ways to enhance your feelings for one another during these carefully chosen itineraries Imagine a luscious weekend indulging in the pleasures of the palate being overwhelmed by Georgia O Keeffe's art or simply surrendering to experienced hands at a sensual spa Choose one intriguing itinerary or mix and match to customize your perfect romantic getaway Whatever you do in an around enchanted Santa Fe the memories you create will be treasured all your days
