I Want To Know About The Fruit Of The Spirit:

What You Need to Know About the Holy Spirit in 12 Lessons Max Anders, 1998-01-15 Many Christians desire to know and understand the Holy Spirit personally This volume offers understanding about the third person of the Trinity and helps believers grow in their relationship with Him **THE FRUIT OF THE SPIRIT** GODSWORD GODSWILL ONU, *The Fruit of the Spirit* Al L. Holloway, 2008-11 Though the schism of valuing spirituality with respect to social work practice has lessened over the years there continues to be a gap in our understanding as to exactly what spirituality is and how one might incorporate it within social work practice It is my contention that social workers should not only be incorporating spirituality within their practice but also they should become spiritual exemplars themselves Fruit of the Spirit A Primer for Spiritually minded Social Workers provides some provocative notions that will spur the reader forward on his her spiritual development It introduces to the reader the notion of spiritual differentiation from the animalistic notion of self which I describe as the indifferent heart realm to the development of humanistic principles craving heart realm to the ultimate experience of our purposeful journey of being fully cognizant of our spiritual selves pure heart realm This process is exemplified with a gardening metaphor which the reader can progress from seeding awareness of one s spiritual self and the sowing of spiritual seeds weeding the structure and care of developing our spiritual selves and the harvesting the ingesting and granting of spiritual fruits that has been produced Traditional knowledge of social work practice helps to elucidate the student whereas embracing spiritual principles is about transforming and transcending the student to higher levels The fruits that are gathered are the attributes of God e g love peace goodness etc There are exercises at the end of each chapter that will assist the reader in developing his her spirituality **Dear Diotrephes** J. H. Binkley, Sr., 2004-11 These letters were written to various friends critics and inquisitors who were trying to learn our position on the prevailing issues in the Church of Christ Asking for help was enough to uncover other issues Everyone felt compelled to take a stand on every issue I was searching for help due to my failing eyesight and a concern for my wife and six children When I asked whether James 5 14 had really passed away as they said where could I go for help I learned that hardly any of them believed the Bible They just said they did I was told that there were 27 branches of us The introduction of the healing question doubled the number so we had 54 The Holy Spirit question caused further division so we had 108 sects Speaking in tongues professional clergy and fellowship issues made 216 socio religious sects Voila How is that for growth *Living the Fruit of the Spirit* Joshua M Danis, 2020-08-05 Discover a fresh approach to growing in love joy peace patience kindness goodness faithfulness gentleness and self control Author Josh Danis breaks down the myths around striving or finding shortcuts to the fruitful life and unfolds the true meaning of each fruit and how to allow it to flourish in our daily lives It s time to not just know about the fruit of the Spirit but to manifest it and see how it can affect our relationships and the world around us for good **Be Still and Know.** . . The Gospel Uncensored Alden Swan,2010-10-18 It is for freedom that Christ has set us free Many people have been taught that Christianity is a religion in which you must do certain things in order to receive certain benefits and that you must do more and try harder to be accepted The truth is faith in Jesus is enough Any attempt to add anything even good works to this simple good news is to lose the Gospel completely Blue and Swan look at Paul s letter to the Galatians and how his passionate case for the simple gospel of grace applies to many of the issues facing the church today As one reviewer stated The Gospel Uncensored is a fervent book on the grace of God and how this gracious work of Christ leads to freedom It is a heartfelt plea to the reader to get over Jesus plus religion and come back to Jesus plus nothing For it is in Jesus and Him alone that we have freedom Its time to be free

Opening Proverb There is an African proverb that says A cockroach knows how to sing and dance but it is the hen that prevents it from performing its art during the day What does this mean Well in many African villages it is not uncommon to see a hungry hen running around pecking at the ground for its meal of cockroaches scurrying about But without the hindrance of its enemy the hen the cockroach would be free to demonstrate all that it s skilled to do My question is if cockroaches can dance in the face of danger why can t you What hen giant king or obstacle is holding you from being all that you re created for Why did you stop using your God given talents and gifts in the service of his kingdom Who has turned you against yourself emasculated you and frozen your potentials Now is the time to declare to that mountain to be removed and be cast into the sea Matt 17 20 To that tumultuous and raging situation peace be still Mark 4 39 to that giant I am well able to overcome you Numbers 13 30 to that king Nebuchadnezzar terrorizing your life My God is able to deliver me Daniel 3

17 and to that circumstance like Jesus I will rise again Matt 27 63 For in the time of trouble he shall hide me in his pavilion in the secret of his tabernacle shall he hide me he shall set me up upon a rock And now shall mine head be lifted up above mine enemies round about me therefore will I offer in his tabernacle sacrifices of joy I will sing yea I will sing praises unto the LORD PSALM 27 5 6 If cockroaches can dance in the face of its enemy I can too In the Bible gifts and talents are not just given to some but to all We are called to use those gifts in service of others They are instruments and tools that help build the kingdom of God on earth According to Bishop T D Jakes senior pastor of the Potter s House the gift talent and abilities God gave you is your key to success They were not given to you to be put on display to be wasted to be hidden or denied out of a false sense of religious humility but to be poured out to be used and invested Apostle Paul in the book of Romans succinctly admonishes us in these words Having gifts that differ according to the grace given to us let us use them if prophecy in proportion to our faith if service in our serving the one who teaches in his teaching the one who exhorts in his exhortation the one who contributes in generosity the one who leads with zeal the one who does acts of mercy with cheerfulness Roman 12 6 8 New King James Version Do not forget that God does not give equal gifts or talents but equal opportunity for investment we don t have equal gifts and talents but the same twenty four hours in a day to utilize it and there is the enemy like the hen walking about seeking to devour those who would dare use their gift Be sober be vigilant because your adversary the devil walks about like a roaring lion seeking whom he may devour 1 Peter 5 8 NKJV In this proverb if singing and dancing represent the gifts that are given by God to every person then we all can sing and dance Hence the Bible declared that He gave gifts to all men To my greatest chagrin there doesn t seem to be a whole lot of singing and dancing going on Why What hen do you think is trying to devour you and your gift Each chapter in this book is dedicated to a hen that may be keeping you from singing and dancing performing your art or becoming all that God created you to be We ll call them hen drances Even before the foundation of the earth God wrote history and it is known as His story because only God His son and His Spirit can give an accurate account and story of my life In His story He included you me and every other person throughout all of time Do you see why everyone else that attempts to tell your story becomes *A Biography of the Holy Trinity and Man* Markus E. Adams, 2009 If you re like most people you have questions about God that are difficult to find answers for But there are answers to some of these and other intriguing and sometimes troubling questions about life inside this book in easy to understand language This book is designed to lessen some of the mystery of God God wants us to know more about Him and His plans for us God wants us to know about His Son Christ Jesus and exactly what He did for us then and what He does for us now God wants us to know about His power the Holy Spirit and what He does God wants us to understand how we are viewed by Him and how we fit into His overall plans He wants us to see ourselves the condition that we have and the position that we are in God wants us to understand that there must be a faithful and productive relationship between Him and us if we are to please Him And we must have a solid understanding of how that relationship itself works It is extremely important

that we know what sin is and how it affects our relationship with Him He wants and expects us to know all these things God has never wanted to remain a total mystery to us because we cannot serve Him if He is a total mystery Therefore this book explains to the undecided enlightens the newly converted and reinforces for those already born again the necessity of understanding the relationship between God and themselves Also you will come to know that there are choices that must be made that only you can make But they will not be as difficult to make once you have a better understanding of the relationship between God and man *I Can Hear Your Face* Joan L.
