Ian Rush

Ian Rush:

Rush Ian Rush,1985 **Rush** Ian Rush,2008 In 2006 Liverpool fans voted Ian Rush among the top three greatest players in the history of the club Taking his place alongside Kenny Dalglish and Steven Gerrard he surpassed legends such as Fowler Keegan Owen Smith Carragher and Hansen This autobiography presents the story of a man who learned how to grow as a player **Ian Rush** Ian Rush,Ken Gorman,1997-08-01 Winning at All Costs John Foot,2007-08-24 The 2006 World Cup final between Italy and France was a down and dirty game marred by French superstar Zidane s head butting of Italian defender Materazzi But viewers were also exposed to the poetry force and excellence of the Italian game as operatic as Verdi and as cunning as Machiavelli it seemed to open a window into the Italian soul John Foot s epic history shows what makes Italian soccer so unique Mixing serious analysis and comic storytelling Foot describes its humble origins in northern Italy in the 1890s to its present day incarnation where soccer is the national civic religion A story that is reminiscent of Gangs of New York and A Clockwork Orange Foot shows how the Italian game like its political culture has been overshadowed by big business violence conspiracy and tragedy how demagogues like Benito Mussolini and Silvio Berlusconi have used the game to further their own political ambitions But Winning at All Costs also celebrates the sweet moments the four World Cup victories the success of Juventus Inter Milan AC Milan the role soccer played in the resistance to Nazism and the great managers and players who show that Italian soccer is as irresistible as Italy itself Ian Rush - An Autobiography With Ken Gorman Ian Rush,2013-03-31 Ian Rush is one of the greatest goal scorers of all time This will be his full and long awaited autobiography and as such its publication this autumn will be a key event in sports publishing In it Rushie one of Liverpool s most revered and long standing players reveals in depth the trials and triumphs of his career playing under such great Liverpool managers as Shankly Paisley Fagan Dalglish and Evans and his thoughts and feelings about fellow players John Barnes Jamie Redknapp and Robbie Fowler Aside from Liverpool Rush takes a frank look at his time playing for home country Wales where he is the record goal scorer It will also deal with his views on the game and where it is heading as well as his own future after playing in the FA Cup Final when he leaves Liverpool at the end of the 1996 season **Love Hurts** Fraser Marr,Neil Jeffries,2012-01-27 Most relationships between a fan and a favourite football team go way beyond the casual Almost always that relationship is a torrid steamy and passionate love affair A love affair that rarely lives up to expectations A love affair that seldom satisfies and most of the time just plain hurts So it is for supporters of Leeds United a club with a big reputation secured in the late 1960s and early 70s but tarnished in the 80s and rebuilt only partially in the 90s Come the start of the 1996 97 season Leeds were a Premiership club on paper but on the pitch looked far from it The supporters groaned and the new board acted swiftly manager Howard Wilkinson being replaced by the once disgraced George Graham The football world watched as the former Arsenal supreme sought to rebuild both Leeds and his own reputation All the club had was time hope and the love of its fans Love Hurts tells the story of some of those fans It is a diary of one extraordinary

season told and photographed in a uniquely personal way by two men for whom following Leeds is a labour of love requiring hours of motorway travel to matches offering variable amounts of torment and despair of ecstasy and humour The book pulls no punches and points the finger whether the team wins or loses No quarter is given and no fan of any team who reads it can fail to recognise the joy and pain it contains *All Quiet on the Hooligan Front* Colin Ward, 2012-06-22 *All Quiet on the Hooligan Front* is a compelling exploration into the changing face of football Covering the years just prior to the Hillsborough disaster up to the present day it shows how the mood of English football has changed dramatically since the era of hooliganism described in its predecessor the hugely successful *Steaming In* The book revolves around the author's travels and gives a vivid portrayal of the fun that fans have when supporting their team It looks at how football has changed now that the terraces have gone and gives an insight into how members of the press often distort the truth about the game in order to sell more papers The book emphasises the importance now assigned to marketing within football and on a darker note looks at the advent of the drugs culture amongst fans *All Quiet on the Hooligan Front* chronicles all of the changes which have occurred in the game post Hillsborough and leaves it for the reader to decide whether these have been good or bad for the beautiful game *Reluctant Redfellows* John Oram, 2014-07-29 A football rivalry like no other in the English game when Liverpool take on Manchester United it is the biggest match of the season according to those in the know including Steven Gerrard and Sir Alex Ferguson This book explores the relationship between these English heavyweights the managers the players the fans the owners and the two cities Of course the competition between the two has often descended into acrimony and mutual hostility However both clubs also share a great deal in terms of footballing success global appeal and of course tragedy so that they are and remain reluctant redfellows **Ticket to the Moon** Richard Sydenham, 2018-11-01 Aston Villa's 1982 European Cup win in many ways was the most romantic in football history And yet set against the backdrop of English dominance in the competition it is widely a forgotten achievement By taking readers inside the boardroom revealing through minutes who said what to whom at key meetings Sydenham paints a vivid portrayal that covers more than 20 years of turbulent Midland football history *Both Feet in the Grave* Jeaniene Frost, 2023-04-18 If you thought you learned more about the dangerous and sexy alpha vampire Bones in the USA Today bestselling scorcher *THE OTHER HALF OF THE GRAVE* you haven't seen anything yet Bones is back to tell you his side of what happened when he spent four long years looking for Cat the half vampire now known as the Red Reaper But now that he's found her has time hardened Bones too much to risk love again Or will his passion for Cat burn through every obstacle alive undead or otherwise between them From the New York Times bestselling author of the *Night Huntress* series comes a fresh new perspective on the origin saga of Cat and Bones in Bones's own words Living everything through Bones's eyes was amazing Tynga's Reviews I had no idea how much I needed Bones's point of view But apparently I did Carol's Random Life Think *Buffy the Vampire Slayer* for Anne Rice fans Apple Books *Southgate (Ultimate Football Heroes - The No.1 football series)* Matt & Tom

Oldfield,Ultimate Football Heroes,2022-07-21 The No 1 football series over 1 million copies sold Gareth Southgate was once just a boy with a big England dream But he knew he couldn t get there without hard work He trained every day honed his defensive qualities and quickly became a formidable centre back for club and country He went on to guide Middlesbrough as captain to a first major trophy in 128 years His leadership qualities as a player would transform him into a manager Discover how Southgate put the penalty pain of Euro 96 behind him and inspired the Three Lions through his kindness tactical rigour and positive mindset to their first ever the UEFA Euro final Ultimate Football Heroes is a series of biographies telling the life stories of the biggest and best footballers in the world and their incredible journeys from childhood fan to superstar professional player Written in fast paced action packed style these books are perfect for all the family to collect and share

Liverpool FC - You'll Never Walk Alone , A View From The Terraces - Part 1 Steve Wilson,2011-09-05 A recollection of more than thirty years of watching professional sport across Britain and Europe The memories cover more than a thousand games of Football Rugby League Cricket Ice Hockey and Rugby Union **The Little Red Book of Liverpool FC** Darren Phillips,2010-08-10 The Little Book of Liverpool FC a book on the Reds like no other packed with facts stats trivia stories and legends Liverpool the most prolific trophy winning club in the history of domestic and European football has a rich and varied history Players such as Elisha Scott Billy Liddell Kenny Dalglish Ian Rush and Steven Gerrard are synonymous with the club s success and their achievements along with all those who have worn the red shirt are envied throughout the world This book charts the club s history in an intriguing format which will appeal to all fans young or old so why not take a look back at what has made this club what it is today the players and characters that have represented Liverpool over the years and the events that have shaped the club If you want to know the record crowd for a home game the record appearance holder or longest serving manager look no further this is the book you ve been waiting for All the well known events are covered as are many priceless trivia gems who can claim to know that a former world heavyweight champion boxer was once on the club s books and that one trophy win may be down to a Romany curse on the opposition Can you really afford not to own a copy [The Boot Room Boys](#) Peter Hooton,2018-09-27 Now also a new documentary film written and presented by Peter Hooton The Boot Room Boys BT Sport April 2022 The Boot Room story starts in 1959 when Bill Shankly arrived and converted a 12 x 12 storage room into a meeting place for him and his coaches a move that had momentous consequences both for the Club and British football Fans on the Kop will remember the heart stopping extra time of the 1965 FA Cup Final and the jubilation of winning the treble in 1984 But what was the common thread during Liverpool s glory years It was the Boot Room Lifelong Liverpool supporter and editor of legendary fanzine The End Peter Hooton takes us back into that old storage room where first Shankly then in succession Paisley Fagan and Dalglish drank tea analysed strategised selected and deselected and built the most successful British club in Europe in the 20th Century Illustrated throughout with over 100 powerful never before seen images from the Mirror s forgotten archives The Boot Room Boys

captures the story as it unfolded of Liverpool's conquering heroes **A Matter Of Opinion** Alan Hansen, 2011-07-31

Football is a game of opinions Alan Hansen knows this only too well In his long distinguished career with Liverpool he faced some fierce public criticism from the media Now the boot is on the other foot and Hansen himself earns a living as one of football's most outspoken and popular pundits Hansen's autobiography is as uncompromising as the man himself Looking back at fourteen victorious years at Anfield he focuses on the highlights and the inspirational characters Paisley Fagan Dalglish Rush who were so instrumental in building the club's international success Then there were the disappointments and the darker days at Heysel and Hillsborough Hansen reflects on the impact both incidents had on his life and on the future for spectators of British football In 1991 Hansen retired from football He explains his reasons for not wanting to stay in the game revealing a surprising lack of self confidence If he were starting his playing career now who are the teams he would want to play for and those he wouldn't Which managers and players does he respect Why does he admire Wimbledon above all other home teams Hansen addresses these questions and now that clubs are becoming multi faceted business empires looks at the future for the game in the UK Until a knee injury ended his playing career Hansen was one of the most successful British soccer players of all time He captained Liverpool to an historic double in 1986 and is the only person to have won all of the honours available at club level at least twice A keen tactical understanding of the game has made him a favourite on BBC TV Match of the Day Grandstand and Sportsnight Before embarking on his professional playing career Hansen was awarded a place at Aberdeen University to read history He lives with his family in Merseyside **Leeds United**

Gary Edwards, 2011-11-25 He made you cry with laughter with Paint It White now the celebrated Leeds supporting cartoon drawing painting and decorating eccentric Gary Edwards is back It turns out that his first book was only an undercoat and now the story of his crazy life following Leeds needs a second coat No wonder Edwards you see has seen every Leeds game competitive and friendly anywhere in the world since 17 January 1968 During those 37 years he's been there done that and bought the T shirt So after subtle prompts from his travelling companions he's back with more tales that simply would not fit into the first volume There's barely a pub in the land he can step into without some well meaning soul coming up to him and demanding Loved the book Gary When are you going to do another with me in it So here it is another fabulously entertaining collection of travelling tales and friends remembered Eventually In this follow up instalment of high gloss and drama Edwards recounts how he befriended a real life Leeds supporting Dalek convinced Rolf Harris that the earth was flat was accosted by firemen while trying to paint a fire engine white appeared on the sides of buses with his face painted in Leeds colours and received letters from the Queen and the Prime Minister after he complained about David Beckham getting an OBE Leeds United The Second Coat is another hilarious account of the scrapes adventures and moments of comedy that a life's passion for Leeds United has brought Gary Edwards OK he missed one but he still has the match ticket and only a strike by Spanish air traffic control stopped him getting to a one off friendly in Toronto **Anfield Road** Chris Shepherd, 2024-10-29

Conor lives at home with his Gran on Anfield Road Liverpool Life is routine Findus Crispy Pancakes for tea drunk scallies on the way to the footy and a school that s more like a prison Conor dreams of getting out going to art college in London with his girlfriend Maureen but he s terrified of leaving his sick domineering grandmother behind and striking out on his own What follows is a Northern Fantasy as Conor investigates bigotry sickness and being true to himself all against the glorious backdrop of 1980s Liverpool This is one of the best and most powerful graphic novels I ve seen David Quantick It s fascinating to see such a beautiful rendition of Anfield in the late 80s a neglected landscape that I knew so well Alexi Sayle The economy and beauty of this graphic novel highlights how talented and probably underrated he is as both a storyteller and an artist David Shrigley Captures the beauty and the bleak of growing up skint in 80s Liverpool Helen Serafinowicz

My Liverpool Home Kenny Dalglish, 2010-09-16 Kenny Dalglish s relationship with Liverpool Football Club is one of the great love stories of sport From the moment he first set foot in the Anfield dressing room nervously asking for autographs while having a trial at the club Dalglish felt a passion for Liverpool stir within him After joining from Celtic in 1977 the supremely gifted striker was embraced by Liverpool fans for the goals and the glory and most especially for the three European Cups The Kop s adoration of King Kenny has never ebbed Every game they still sing his name Liverpool fans have never forgotten how Dalglish held the club together through two tragedies the first at the Heysel stadium in Brussels in 1985 and then at Hillsborough in 1989 Both disasters are explored at length and in emotional detail by Dalglish in *My Liverpool Home* Eventually for the sake of his health and his family Dalglish resigned and Liverpool have not won the title since Although Dalglish walked alone away from Anfield in his heart he never really left and has now finally returned playing a pivotal role in this turbulent period in the club s history *My Liverpool Home* is the story of Dalglish s epic love affair with Liverpool tracing the highs and lows the characters the laughter the triumphs and the many tears For football fans this revealing book about one of the game s greatest players is a must For those fascinated by how a very private man suffered after very publicly supporting his community Dalglish s emotional story makes compelling reading *Sport and the Literary Imagination* Jeffrey Hill, 2006 The development of sport in the twentieth century has been examined from a variety of angles Rarely though has the work of the creative writer been considered in detail This book directs its attention to this neglected area examining a selection of novels in which the subject of sport has featured prominently It highlights the ways in which novelists in the second half of the twentieth century have approached sport explained its place in society and through the sporting subject constructed a critique of the historical circumstances in which their narrative is set The study therefore seeks to complement the increasing body of work on the representation of sport through such media as film television and autobiography It also brings a fresh dimension to the use made by historians of literary sources suggesting that creative fiction can be far more valuable as historical evidence than has customarily been acknowledged
