FAIRY TALES OF HANS CHRISTIAN ANDERSEN A CHEERFUL TEMPER

Hans Christian Andersen, 2017-04-23 Here rests a happy man that is to say a man of high birth and position which was very
lucky for him otherwise he would have been scarcely worth notice It is beautiful to observe how wisely nature orders these
things He walked about in a coat embroidered all over and in the drawing rooms of society looked just like one of those rich
pearl embroidered bell pulls which are only made for show and behind them always hangs a good thick cord for use This man
also had a stout useful substitute behind him who did duty for him and performed all his dirty work And there are still even
now these serviceable cords behind other embroidered bell ropes It is all so wisely arranged that a man may well be in a
good humor
