Brill's Companion to Lucan Paolo Asso, 2011-09-15 Although it was labeled an anti epic for trumping the celebratory scope of the Roman national epos Lucan s *Bellum Civile* is a hymn to lost republican liberty composed under Nero s tyrannical empire Lucan lost his life in a foiled conspiracy to replace the emperor but his poem survived the wreckage of antiquity and enjoyed uninterrupted readership The present collection samples the most current approaches to Lucan s poem its themes its dialogue with other texts its reception in medieval and early modern literature and its relevance to audiences of all times Congressional Record United States. Congress, 1943 *The Original Knickerbocker* Andrew

Burstein, 2008-02-26 Washington Irving author ambassador and Manhattanite has largely slipped from America s memory and yet his creations are well known Acclaimed historian Andrew Burstein returns Irving to the context of his native nineteenth century where he was an international celebrity both a comic genius and the first American to earn his living as an author Irving traveled through Europe and America excavating tales and writing popular social satire beloved children s stories gothic drama and picturesque history He gave his young nation such enduring tales as *The Legend of Sleepy Hollow* and *Rip Van Winkle* His 1809 burlesque *A History of New York* popularized the figure of jolly old St Nicholas and gave birth to the modern American Christmas Irving was the original Knickerbocker he also coined Gotham as the name for New York By showing Irving as a leading architect of the American personality Burstein has managed to reinvigorate the legacy of one of our nation s most outsized literary talents as well as to help us better understand the country we live in *Proceedings of the ... Continental Congress of the Daughters of the American Revolution* Daughters of the American Revolution, 1918

Epic Landscapes Julia Sienkewicz, 2019-11-13 *Epic Landscapes* is the first study devoted to architect Benjamin Henry Latrobe s substantial artistic oeuvre from 1795 when he set sail from Britain to Virginia to late 1798 when he relocated to Pennsylvania Thus this book offers the only extended consideration of Latrobe s Virginian watercolors including a series of

complex trompe l'oeil studies and three significant illustrated manuscripts Though Latrobe's architecture is well known his watercolors have received little critical attention *Epic Landscapes* rediscovers Latrobe's watercolors as an ambitious body of work and reconsiders the close relationship between the visual and spatial sensibility of these images and his architectural designs It also offers a fresh analysis of Latrobe within the context of creative practice in the Atlantic world at the end of the eighteenth century as he explored contemporary ideas concerning the form of art for Republican society and the social impacts of revolution Published by University of Delaware Press Distributed worldwide by Rutgers University Press

Historic Preservation, 1976 Revolutionary Bodies K. S. Batmanghelichi, 2020-12-10 Gender and sexuality in modern Iran is frequently examined through the prism of nationalist symbols and religious discourse from the late nineteenth and early twentieth centuries In this book Kristin Soraya Batmanghelichi takes a different approach by interrogating how normative ideas of women's bodies in state religious and public health discourses have resulted in the female body being deemed as immodest and taboo Through a diverse blend of sources a popular cultural women's journal a red light district cases studies of temporary marriages iconic public statues and an HIV AIDS advocacy organization in Tehran this work argues that conceptions of gender and sexuality have been mediated in public discourse and experienced and modified by women themselves over the past thirty years of the Islamic Republic Expanding upon existing philosophical theory technological research and scholarship on gender and sexuality in Iran this book focuses much needed attention on understudied marginalized communities such as widows living with HIV This work interrogates how bodily technologies are constructed discursively and socially in Iran and the values and perspectives which are incorporated in them Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004
