The University Bookman, a Quarterly Review ,1960 *Justice as an Aspect of the Polis Idea in Solon's Political Poems* Joseph A. Almeida,2017-07-31 This book examines the meaning of justice or dike in the political poems of Solon from a new interpretative perspective The first two chapters argue that neither standard historical nor literary treatments have provided an adequate foundation for understanding Solon s dike The main defect lies in an inability to connect Solon s concrete political work with his poetic perceptions The book s central proposal is that the polis idea from new classical archaeology provides an objective standard for an interpretation of Solon s dike which remedies this defect The third chapter sets forth the polis idea which becomes the measure for an examination in the final two chapters of Solon s view of dike The book thus exhibits an interdisciplinary approach to Archaic poetry

Social Identity, Intergroup Conflict, and Conflict Reduction Richard D. Ashmore, Lee Jussim, David Wilder,2001-08-09 How are group based identities related to intergroup conflict When and how do ethnic religious and national identities lead to oppression violence rebellion

war mass murder and genocide How do intergroup conflicts change people s identities How might social identity be harnessed in the service of reducing conflict between groups The chapters in this book present a sophisticated and detailed interdisciplinary analysis of the most fundamental issues in understanding identity and conflict Government and Politics - Volume II Masashi Sekiguchi,2010-08-27 Government and Politics is the component of Encyclopedia of Social Sciences and Humanities in the global Encyclopedia of Life Support Systems EOLSS which is an integrated compendium of twenty one Encyclopedias The Theme on Government and Politics in the Encyclopedia of Social Sciences and Humanities deals with the discipline of general and introductory descriptions on a wide range of political phenomena in rather conventional ways It covers the following topics The first two topics Forms and Modes of Government and Structures of Government deal with institutional and structural aspects of political phenomena The third topic Political Aspects of Government is about dynamic political processes The fourth Ideas and Ideologies in Politics investigates political thoughts and ideologies in the modern world The fifth topic International Politics intend to give readers an international perspective since contexts and systems which have international or transnational characters are obviously important background against which a political aspect of building a sustainable society must be considered These two volumes are aimed at the following five major target audiences University and College students Educators Professional practitioners Research personnel and Policy analysts managers and decision makers and NGOs **CULTURE, CIVILIZATION AND HUMAN SOCIETY - Volume II** Herbert Arlt,Donald G. Daviau,2009-04-07 Culture Civilization and Human Society theme is a component of Encyclopedia of Social Sciences and Humanities in the global Encyclopedia of Life Support Systems EOLSS which is an integrated compendium of twenty one Encyclopedias The Theme on Culture Civilization and Human Society deals in two volumes and cover five main topics with a myriad of issues of great relevance to our world such as Theory and History of Culture Cultural Heritage Mass Culture Popular Culture and Cultural Identity Cultural Interaction Twentieth Century Perspectives on Culture which are then expanded into multiple subtopics each as a chapter These two volumes are aimed at the following five major target audiences University and College Students Educators Professional Practitioners Research Personnel and Policy Analysts Managers and Decision Makers NGOs and GOs **The Socialist Ideas of the British Left's Alternative Economic Strategy** Baris Tufekci,2019-11-30 This book provides the first book length study of the political and economic ideas of the British left s Alternative Economic Strategy in the 1970s and early 1980s Discussing the AES s approaches to capitalism the nation state and the working class it argues that existing academic accounts have significantly overstated the radicalism of the strategy Perhaps more notable especially in the light of its stated revolutionary aims was the extent of its moderation its continuities with post war Labour revisionism its marked reluctance to look beyond the market economy the degree of its preoccupation with Britain s global economic status and its inability to break with Labourist politics of class co operation in the national interest While the book argues that the AES was the last class politics socialist initiative in mainstream British politics it also

explores the ways in which its ideas perhaps prepared the way for New Labour in the 1990s and its relationship with Corbynism since 2015

The Idea of War and Peace Irving Louis Horowitz, 2017-07-12 Modern theorists and their ideas on war and peace are here presented interpreted and evaluated with scholarship and clarity of expression In examining the main currents in modern social theory the author has gone directly to the works of the leading philosophic figures This book is a carefully documented analysis based on primary sources Its republication in an expanded version after more than a half century since its initial appearance is a welcome addition to the literature on conflict and conflict resolution In this 2007 greatly expanded third edition of *The Idea of War and Peace* Irving Louis Horowitz provides a sense of substance to the character of Western Civilization The book permits the reader to better understand what the clash of civilizations is about It provides a broad outline of both European and American twentieth century social philosophies as they relate to the issue of war and peace It also offers a new concluding section that explores in depth this same theme in the first decade of the twenty first century Such major figures as Bertrand Russell John Dewey Jacques Maritain Albert Einstein and Vladimir Lenin reviewed in earlier editions are now joined by examinations of the work of Raymond Aron Harold D Lasswell and other contemporaries *The Idea of War and Peace* is not just one more manual of how to conduct or avoid conflict and even less a guideline to policy making Instead the work offers a profound sense of the theories and values that underline manuals and guides This third edition is graced by a consideration of major figures in the second half of the twentieth century and a retrospective on the work of Niccolo Machiavelli on the nature of warfare It also includes chapters on the relationship of war peace and the democratic order and a postscript on new forms of state power and terrorism This new edition links past and present and serves as an analytical bridge between cen

Husserlian Phenomenology and Contemporary Political Realism Michael F. Hickman, 2023-04-21 Drawing on Husserl's concepts of communalization and intersubjectivity this book aspires to an orientation in which human beings are understood in the context of their full blooded concrete existence the life world Michael F Hickman offers a fresh return to the raw experience of politics through the contemporary realist idea of radical disagreement as the circumstances of politics He surpasses realist limitations through the acknowledgment of the constitution of the world as an achievement of the intersubjective community while crucially asserting that the political horizon is distinguishable from but coterminous with the life world itself Through the use of hypotheticals an unprecedented phenomenological account of political experience is offered in which three major themes of political subjectivity are explored belonging and possession authority and foreignness and political others Finally a multi phase analysis of legitimacy is conducted which taking into account universal human rights and concretely identifiable expressions of acceptance is nonetheless rooted in a source the life world that reaches beyond any mere collectivity of ego acts Utilizing an expanded philosophical universe *Husserlian Phenomenology and Contemporary Political Realism* offers a path forward from the ideological stalemates in which liberal theory seems

hopelessly locked It will appeal to scholars involved in the study of political theory and philosophy international relations
