Indian Writing In English 2 Vols. Set Vol# 2 A.N. Dwivedi, 2002 **International Books in Print**, 1997 *Ecology and Literatures in English* Françoise Besson, 2018-12-14 In all latitudes writers hold out a mirror leading the reader to awareness by telling real or imaginary stories about people of good will who try to save what can be saved and about animals showing humans the way to follow Such tales argue that in spite of all destructions and tragedies if we are just aware of and connected to the real world around us to the blade of grass at our feet and the star above our heads there is hope in a reconciliation with the Earth This may start with the emergence or rather the return of a nonverbal language restoring the connection between human beings and the nonhuman world through a form of communication beyond verbalization Through a journey in Anglophone literature with examples taken from Aboriginal African American English Canadian and Indian works this book shows the role played by literature in the protection of the planet It argues that literature reveals the fundamental idea that everything is connected and that it is only when most people are aware of this connection that the world will change Exactly as a tree is connected with all the animal life in and around it texts show that nothing should be separated From Shakespeare s theatre to ecopoetics from travel writing to detective novels from children s books to novels all literary genres show that literature responds to the violence destroying lands men and nonhuman creatures whose voices can be heard through texts *Books in Print*, 1981 *Bowker's Guide to Characters in Fiction* 2007, 2008-02 **Literary Cultures in History** Sheldon Pollock, 2003-05-19 A grand synthesis of unprecedented scope Literary Cultures in History is

the first comprehensive history of the rich literary traditions of South Asia Together these traditions are unmatched in their combination of antiquity continuity and multicultural complexity and are a unique resource for understanding the development of language and imagination over time In this unparalleled volume an international team of renowned scholars considers fifteen South Asian literary traditions including Hindi Indian English Persian Sanskrit Tibetan and Urdu in their full historical and cultural variety The volume is united by a twofold theoretical aim to understand South Asia by looking at it through the lens of its literary cultures and to rethink the practice of literary history by incorporating non Western categories and processes The questions these seventeen essays ask are accordingly broad ranging from the character of cosmopolitan and vernacular traditions to the impact of colonialism and independence indigenous literary and aesthetic theory and modes of performance A sophisticated assimilation of perspectives from experts in anthropology political science history literary studies and religion the book makes a landmark contribution to historical cultural studies and to literary theory in addition to the new perspectives it offers on what literature has meant in South Asia Available in South Asia from Oxford University Press India
