Exiles Preston M. Sprinkle, 2024-03-05 A thoughtful exploration of the intersection of faith and politics Exiles asks What if we considered ourselves exiles in Babylon and turned to Scripture not political parties to shape our most passionate values Politics are dividing our churches like never before New York Times bestselling author Dr Preston M Sprinkle reminds us that the first century church was not an apolitical gathering where Christians left their Roman politics at the door It also wasn t a place where Christians mounted a Roman flag next to or above a Christian one Church was a place where God s plan for governing the world was revealed where one could witness what it means to follow the Creator s design for human flourishing In this timely book Preston explores why Israel s exile to Babylon profoundly shaped the political identity of God s people and still does today Christians should see themselves as foreigners in the country where they live The gospel of Jesus kingdom was politically subversive The church today should view its political identity as fundamentally separate from the empire Total allegiance to a political party dilutes the church s witness Discover a more biblical powerful way to live in a secular world Discover what it means to live in exile *The Bible Story Begins* John William Drane, 1994

Revised Chronology of the Bible Anthony Lyle, 2013-10 This book is a culmination of that research After trashing his work 10 times and starting over he managed to get a revised chronology that seemed to be more accurate than that being put out by the status quo universities It combines secular world history with Biblical history in a far more even and smoother match than that proposed by former historians who have attempted the same This is his version 12 which doesn t try to match different histories based on dates but rather by matching people and events and then applying revised dates to those events and people This work will call into question the conclusions of historians of the last 200 years about the ancient periods of time and provide an alternative dating for those times It is a World History in that it incorporates the ancient history of India China Japan as well as the traditional Middle Eastern and European societies of ancient times It re evaluates the beginnings of civilization and the solar system refuting common historical and scientific beliefs of the modern world

Documents that have previously been written off as Mythology have been re evaluated as well as they give a different perspective of ancient times and what happened back then The use and creation of calendars is an important feature added to this work which is seldom taken into account by modern histories Incorporated in this work are many of the more recent archaeological finds that have yet to be incorporated in status quo works and institutions He makes no apology for the fact that this is Biblically based and the conclusions that have been reached by this work fit very well in Biblical contexts and adds some understanding to the events that took place in the Biblical narratives **TANAK** Marvin A. Sweeney,2011-11-01 Though biblical theology has long been considered a strictly Christian enterprise Marvin A Sweeney here proposes a Jewish theology of the Hebrew Bible based on the importance of Tanak as the foundation of Judaism and organized around the major components Torah Nevi im Prophets and Kethuvim Writings Sweeney finds the structuring themes of Jewish life the constitution of the nation Israel in relation to God the disruption of that ideal documented by the Prophets and the reconstitution of the nation around the Second Temple in the Writings Throughout he is attentive to tensions within and among the texts and the dialogical character of Israel s sacred heritage Publisher description **Everyday Life in Bible Times** Margaret Embry,1994 The Fiery Furnace John William Drane,Nigel Hepper,Alan Millard,Margaret Embry,1995 An intriguing and exciting information book on the Bible for older children Volume 3 of the Bible World series relates the downfall of the nation of Israel and recalls the words of the prophets who called the people back to God **God's Redeeming Plan** William Edward Dewberry,2011-06-24 This book is about the hope of mankind for a more satisfying and meaningful life based on the knowledge of God and Christ A better understanding of the Word of God results in producing faith hope and love in the hearts of readers and believers The complete Word of God revealed in the Bible is believed and practiced by millions This book is written in language that is easy to understand and reveals the mystery of salvation for everyone Author William Edward Dewberry hopes to give a comprehensible view of Gods plan that will lead readers to examine the Holy Scriptures more thoroughly and become better acquainted with the plan of God that is able to lead a person to salvation through their faith in Christ The word is near you in your mouth and in your heart that is the word of faith that we preach that if you confess with your mouth the Lord Jesus and believe in your heart that God raised Him from the dead you will be saved For whoever calls on the name of the Lord shall be saved Romans 10 This book explains the redeeming plan of God the great benefits of believing and the dire consequences of ignoring the Creator and His Son Jesus Christ It explains Gods plan from the day of creation to the day that the earth and everything in it will be destroyed by extreme heat But the day of the Lord will come as a thief in the night in which the heavens will pass away with a great noise and the elements will melt with fervent heat both the earth and the works that are in it will be burned up Therefore since all these things will be dissolved what manner of persons ought you to be in holy conduct and godliness 2nd Peter 3 10 11

Smith,2019-08-22 A vivid picture of how this earth matters to God our work our communities and the physical world Scott B Rae Beginning with the creation of the heavens and earth and ending with the New Jerusalem the storyline of Scripture reveals God s commitment to the physical world that he created Our final destiny is not some disembodied heavenly existence but rather life with God on a renewed earth How does this understanding of our future home affect our lives today What role should Christians play in meeting physical needs Are spiritual realities more significant than physical This book will help us understand God s eternal vision for the renewal of this earth and discover purpose in all of our daily real world endeavors such as work the arts social justice ecology medicine and more ARE YOU READY? Janice L. Theodorou,2010-02-20 **Peloubet's Select Notes on the International Bible Lessons for Christian Living** ,1910 *Panorama of the Bible* Stephen J. Binz,2016-05-19 While every character story and book of Scripture is significant in itself stepping back for a broad panoramic view of the entire Bible helps us to take in and understand God s single unified plan for human history In this first of a two part panorama of the Bible noted Scripture scholar Stephen Binz shows us how all of the Bible s many parts fit together in a grand and awesome narrative With a clear vision of this sweeping unity we can then understand far better our own place within the storyline and our own personal role within the mission of God Exiles in Babylon; Or, Children of Light A. L. O. E.,1880 *A Biblical Theology of Exile* Daniel L. Smith-Christopher, The Christian church continues to seek ethical and spiritual models from the period of Israel s monarchy and has avoided the gravity of the Babylonian exile Against this tradition the author argues that the period of focus for the canonical construction of biblical thought is precisely the exile Here the voices of dissent arose and articulated words of truth in the context of failed power
