comparison test Car and Driver watched over the virtual rebirth of the American car during that decade with the renaissance at Ford through the Taurus and the revival of the Corvette while keeping its lock on the strongest feature writing in the auto magazines with stories like Brock Yates's thirty years past observance of the death of James Dean. The Nineties saw Car and Driver continue its leadership as the world's largest selling automotive magazine. From the introduction of the Acura NSX and the Mazda Miata to the brand new Mustangs and Corvettes that have come in just the past years Car and Driver has been the authority that readers trust when it comes to 0-60 times, road tests and reviews. Fifty Years with Car and Driver combines classic stories from the magazine, commentary by former staffers including the author, vintage and modern photos of the hottest and most important cars reviewed by the magazines as well as stories from behind the scenes with all the attitude, expertise and visual excitement readers have come to expect from the magazine itself.

BOOK JACKET Car
 DK, 2011-05-02 From the first motor cars and classic cars to today's supercars and Formula 1, this is the ultimate book about the history of the car. Packed with stunning photography and featuring more than 2,000 cars, Car shows you how cars have evolved around the world over the last 130 years and their impact on society as objects of curiosity, symbols of status and luxury and items of necessity. Extensive catalogues showcase the most important marques and models organized in categories such as sports cars, convertibles and city compacts. The book also features virtual photographic tours of some of the most iconic cars from each era such as the Rolls Royce Silver Ghost, Ford Model T, Lamborghini Countach and Ferrari F40, while cross sections of key engines explore the driving force behind them. Lavishly illustrated feature spreads detail the stories of the men, machines and magic that helped create the car world's most famous marques and made brands such as Porsche, Mercedes-Benz, Aston Martin and Cadillac household names. If you love cars, then you'll love Car. It is simply a must-have title for all car enthusiasts.

Automobile Year 2006/07 Ian Norris, 2006-12 Published for more than 50 years, this annual covers the year's main motoring events from Formula One to the latest styling studies and concept cars and takes an overview of the period it has chronicled. Famous photographers look back and select their favourite images from more than five decades of racing.

DieCastX Magazine, 2006 DieCast X covers the entire spectrum of automotive diecast from customizing to collecting; it takes an insider's look at the history behind popular diecast cars and trucks as well as how each model has helped shape the automotive industry and motor sports.

The Book of the Ferrari 288 GTO Joe Sackey, Nicola Materazzi, 2013 This book covers the background, conception, design, production and aftermath of the iconic Ferrari 288 GTO, including the prototypes, the early production cars, the mainstream production cars in their various specification guises and the Evolution cars planned for the aborted Group B FIA race series. A comprehensive and beautifully illustrated look at a unique sports car.
