**The Fight of My Life** Maude Barlow,1998 Synopsis coming soon      **Marion Dewar** Deborah Gorham,2016-09-13

Marion Dewar could never ignore a person who was begging in the street Along with money she would offer words of encouragement and friendship Perhaps it was her training as a nurse her devout Catholic upbringing or maybe it was simply because she was a genuinely compassionate woman As mayor of Ottawa from 1978 1985 Marion Dewar worked tirelessly to bring about non profit housing better public transportation support and encouragement for the arts for peace and for women s rights She advocated for visible minorities gays and lesbians and was the driving force behind the initiative to bring 4 000 boat people to Ottawa from Vietnam and Southeast Asia She was a prominent member of the New Democratic Party and sat as a Member of Parliament in 1987 1988 all while raising four children Accompanied by archival and personal photos an intriguing look at a woman who took action when it counted most

**Paul Martin: CEO for Canada?** Murray Dobbin,2003-09-15 Canadians have high hopes for Prime Minister Paul Martin and widely welcome him as Liberal leader But will he give Canada the government Canadians expect In this book Murray Dobbin focuses on what Martin has done in business and in politics and what he can be expected to do in office What Dobbin reports is often surprising Martin s actions reflect a man deeply committed to an agenda of less government expansion of the private sector at the expense of public services tax cuts favouring those already well off and closer relations to the U S In many areas Martin s views seem closer to Brian Mulroney than those traditionally associated with the Liberal party And he is often at odds with the values Canadians themselves express in opinion polls A successful CEO himself Martin thinks and acts as a CEO in his political role For Canadians who want Ottawa to do more in health care education social services and culture Martin s accession may mark a significant step backwards Based on extensive research and interviews with key analysts this book offers a different view of Paul Martin from the usual portrayals in the business friendly news media and from the other books on Martin being

published in fall 2003 Rather than a play by play account of who did what to whom in Martin s political career Murray Dobbin keeps his eye on what really matters to most people what Paul Martin has done to date in business and politics and what he is likely to do as prime minister

**Canadian Communication Thought** Robert E. Babe,2000-01-01 Babe examines the writings of ten major thinkers in the context of their physical and cultural environments and finds that there is indeed a mode of theorizing that is quintessentially Canadian

**Blue Future** Maude Barlow,2011-05-10 Water is a human right A rousing case for what will be one of the key environmental challenges of the twenty first century Booklist The United Nations has recognized access to water as a basic human right but there is still much work to be done to stem this growing environmental crisis In this book water activist Maude Barlow draws on her extensive experience to lay out a set of key principles that show the way forward to what she calls a water secure and water just world Not only does she reveal the powerful players even now impeding the recognition of the human right to water she argues that water must not become a commodity to be bought and sold on the open market Focusing on solutions she includes stories of struggle and resistance from marginalized communities as well as government policies that work for both people and the planet At a time when climate change has moved to the top of the national agenda and the stage is being set for unprecedented drought mass starvation and the migration of millions of refugees in search of water Blue Future is an urgent call to preserve our most valuable resource for generations to come In a book as clear as a pristine mountain stream Maude Barlow lays out a practical and inspiring vision for how we can defend water the source of all life from the forces of death Naomi Klein author of *The Shock Doctrine*

*No Globalization Without Representation* Paul Adler,2021-05-28 With razor sharp clarity and a well paced narrative Paul Adler has written a riveting history of political conflicts over multinational corporations and economic liberalization The book contains many memorable stories of political conflicts from the halls of the World Health Organization in Geneva to street protests in Seattle Deeply researched and eminently readable the book enriches our understanding of globalization and some of its fiercest critics In the late twentieth century as large corporations crossed borders and gained new powers a network of activists arose to beat them back In this fresh lively book Paul Adler tells how those global justice advocates developed tools and ideas to confront globalization at times with startling success Book jacket

*Becoming an Ally* Anne Bishop,2023-04-14 Already I have found myself quoting Anne Bishop s wisdom her simple advice is compelling Right now in Australia she has the power to lead us as we struggle with questions of guilt responsibility and patterns of oppression which are larger than ourselves Rev Tim Costello President Baptist Union of Australia *Becoming an Ally* is must reading for anyone concerned with understanding and challenging the dynamics forms and sources of oppression whether it is their own oppression that of others or both Bob Mullaly is Head of Social Work at Victoria University Melbourne Where does oppression come from Has it always been with us just human nature What can we do to change it What does individual healing have to do with the struggles for social justice What does social justice have to do with individual healing Why do members of the same

oppressed group fight each other sometimes more viciously than their oppressor Why do some who experience oppression develop a life long commitment to fighting oppression while others turn around and oppress others Anne Bishop draws on her many years experience in community work to write this feisty and bestselling guide for activists community workers and welfare workers     **Unpacking Globalization** Linda E. Lucas,2007-01-01 Unpacking Globalization offers interdisciplinary analysis of the well being of women and men as they cope with the changes of globalization Through theory case studies and data several themes emerge indicating that from the household to the continental level change is leading to new awareness and new survival strategies for both women and men The contributors to the volume come from around the world Africa Asia Europe and North and South America     **Shifting Gears** Stephanie Ross,Larry Savage,2024-09-03 In the decades following the Second World War autoworkers were at the forefront of the labour movement Their union urged members to rally in the streets and use the ballot box to effect change for all working class people But by the turn of this century the Canadian Auto Workers union had begun to pursue a more defensive political direction Shifting Gears traces the evolution of CAW strategy from transformational activism to transactional politics Class based collective action and social democratic electoral mobilization gave way to transactional partnerships as relationships between the union employers and governments were refashioned This new approach was maintained when the CAW merged with the Communications Energy and Paperworkers Union in 2013 to create Unifor Canada s largest private sector union Stephanie Ross and Larry Savage explain how and why the union shifted its political tactics offering a critical perspective on the current state of working class politics     **Free Traders** Malcolm Fairbrother,2020 Today s global economy was largely established by political events and decisions in the 1980s and 90s when scores of nations opened up their economies to the forces of globalization In Free Traders Malcolm Fairbrother argues that politicians embrace of globalization was much less motivated by public preferences than by the agendas of businesspeople and other elites Drawing on over one hundred interviews with decision makers and analyses of archival materials from Canada Mexico and the U S Fairbrother tells the story of how each country negotiated and ratified two agreements that substantially opened and integrated their economies the 1989 Canada U S and trilateral 1994 North American Free Trade Agreement Contrary to what many commentators believe these agreements like free trade elsewhere were based less on mainstream neoclassical economics than on the informal self serving economic ideas of business While the stakes in the globalization debate remain high Free Traders uses a comparative historical approach to sharpen our understanding of how globalization arose in the past to provide us with clearer trajectory for how it will develop in the future     **The Canadian Forum** ,1998     **WE International** ,1999     *Canadian Books in Print* 2002 Marian Butler,2002-02     **Canadian Book Review Annual** ,1998     *Canadian Books in Print* ,2003     **Current Biography** ,2009     **Canadian Periodical Index** ,2000     **“The” Fight of My Life** Maude Barlow,1998 Pick any social struggle in Canada over the last 20 years and you can be sure that Maude Barlow was in the thick of it This passionate unrepentant Canadian has fought in the

trenches of women s rights issues pornography free trade national unity and human rights concerns Her story which moves from a middle class protected childhood to Parliament Hill to Iraq on the eve of war from corporate boardrooms to the slums of Mexico is a fascinating political biography and a behind the scenes look at the issues and the personalities that engage and anger us unite and divide us The Fight of My Life is Maude Barlow personified Feisty opinionated compassionate and caring it hums with the stories of ordinary and extraordinary people taking us into the heart and mind of a woman of courage
