Fighting for Peace Daisaku Ikeda, 2004 **Fighting for Peace** Daisaku Ikeda,2004 Daisaku Ikeda and Dialogue for Peace Olivier Urbain, 2013-08-09 The prominent Buddhist religious leader and advocate for peace Daisaku Ikeda has placed dialogue at the centre of his efforts towards securing global justice and conflict resolution However far from constituting abstract plans for the future of the world Ikeda's dialogues represent very concrete and focused activity. He concentrates on one significant individual such as Joseph Rotblat Linus Pauling and Mikhail Gorbachev at a time or sometimes small groups in order to attempt the transformation of thinking and society through intense discussion This book offers detailed exploration of this crucial aspect of Ikeda's philosophy of peace Contributors examine topics such as the background to Ikeda's dialogic thinking as found in the Lotus Sutra Buddhism as a practical philosophy of dialogue Ikeda s use of dialogue specifically in the field of education and dialogue in relation to the abolition of nuclear weapons Ikeda's concept of dialogue emerges as a paradoxical movement towards common ground based on respectful difference This study will appeal to students of peace Daisaku Ikeda's Philosophy of Peace Olivier Urbain, 2010-03-30 Who is Daisaku Ikeda politics and modern Buddhism At one level he is the leader of a religious movement Soka Gakkai which began in Japan where it still has its headquarters but which now claims 12 million adherents around the world At another level he is a globetrotting figure whose formal conversations with diverse writers thinkers and diplomats including Arnold Toynbee Joseph Rotblat and Mikhail Gorbachev have garnered him an international profile as well as academic recognition Perhaps above all else Daisaku Ikeda is viewed as a campaigner for peace And it is Ikeda's specific contribution to peacebuilding notably through the central emphasis he has placed on the significance of dialogue that this book explores the first to do so in a concerted way Olivier Urbain shows that while Soka Gakkai the value society may stem from the medieval principles of Nichiren Buddhism under Ikeda s leadership it has taken these classic wisdoms and transformed them Now essentially classless and secularised as well as adaptable and sensitive to modern challenges like resource shortages and climate change this argues the author is a pragmatic approach to peace which has proved both popular and eminently transportable Daisaku Ikeda and Voices for Peace from Africa Henry Indangasi, Masumi O. Hashimoto, 2008 Beyond Global Crisis Terrence Edward Paupp, 2017-09-29 In this volume Terrence Paupp critically describes the various dimensions of today s global crisis Among other things this volume analyzes nuclear weapons proliferation climate change and international lawlessness in the form of wars of aggression Paupp argues that much human conflict and environmental degradation is the direct consequence of poverty and inequality Until these issues are addressed many of the world's problems will remain Paupp asserts that around the world peoples and nations are becoming more open to a strategy and culture of peace that evolves through discovering a commonality of interests the value of mutual cooperation and the desirability of forging consensus By using various road maps and remedies supplied by noted Japanese peace activist Daisaku Ikeda and his contemporaries viable solutions will emerge In this new endeavor equipped

with some of the proposed solutions and strategies that this book provides humanity will collectively become engaged in remaking the character of global governance in order to build a global culture of peace Journey of Life Daisaku Ikeda, 2014-05-20 Whether through lyrical celebrations of the wonders of nature paeans to the steadfastness of women or salutations to the world leaders who have in their various ways provided inspiration to his lifelong devotion to the causes of peace justice and education Daisaku Ikeda in his poems expresses unwavering commitment to the development of a humanistic global culture These translations the first of a three volume collection and based on the Japanese Complete Works of Daisaku Ikeda Ikeda Daisaku zenshu cover the years 1945 2007 and explore the many subjects to which the leader of the Soka Gakkai International has devoted his poetic heart and mind The translators have sought to reproduce the rhythms and timbres of a voice which though influenced by the likes of Whitman Defoe Dumas Ibsen Emerson and Shelley is yet distinctive and unique Sometimes the poet adopts a simple vernacular note at other times the compression associated with Japanese poeic forms haiku and waka But at all times the poetry maintains a stately rhythm that reflects the dignity of ordinary language and expression This collection will delight readers familiar with the prose writings of the author as well as those coming to his work for the first time The poems within it speak with freedom and feeling of a world where genuine poetry reigns supreme and of a world where poetic perception becomes a perception of interconnectedness between friends between humanity and nature or between humanity and the cosmos Taneesha Never Disparaging M. LaVora Perry, 2011-04-28 Fifth grade isn t exactly easy for eleven year old Taneesha Bey Ross For one thing she's getting tired of being her best friend Carli Flanagan s personal bodyguard Carli wears a leg brace and she s white and when Taneesha does stand up for Carli in the face of a local bully a giant of a girl with big fists and army boots she s told to expect revenge Taneesha's also running a loser's race for class president and her love hate interest Rayshaun has learned that Taneesha is a Buddhist so now he s taunting her saying that she s going to hell Her mom may have told her that Taneesha s got heaven in her heart but it doesn't feel that way And just in case she forgets it there's always Evella Taneesha's evil imaginary twin to remind her that she s a total failure This beautifully written fun and instantly engaging novel presents vivid characters and a timely story about the big issues that every child faces **SGI Quarterly** ,2004 Peace culture and education from a Buddhist perspective **Songs from My Heart** Daisaku Ikeda,2014-10-01 For many years Daisaku Ikeda has used poetry to express his innermost observations and sensations He has given poetic voice to feelings that have emerged from real life and from the activities of an internationally known champion of peace and education and the leader of a worldwide lay Buddhist movement With a vigour and simplicity that derive from a style rooted in classical rather than colloquial traditions his poems celebrate the themes of youth and of progress and the mysteries of the natural world whether a wind that sighs with its melancholy chant to the traveller or a great sky with its transcendent beauty and stillness or a moon that shines with the light of the silver monarch These are poignant meditations above all on time transience and the eternal rendered visible

through a palette of diverse poetic colour and framed within a universe where all people are called to strive for a better world Such a world is characterized not by division but by peace and love In that sense these are verses expressive of the **Creating the Culture of** author's deepest hopes and sentiments not merely poems but keenly felt songs from his heart **Peace** Anwarul K. Chowdhury, Daisaku Ikeda, 2020-07-23 The culture of peace and non violence is essential to human existence development and progress In 1999 the United Nations General Assembly adopted by consensus the norm setting forward looking Declaration and Programme of Action on a Culture of Peace Governments institutions NGOs other civil society entities and in particular individuals all are encouraged therein to contribute to the global movement for the culture of peace Related to this vision this rich and varied dialogue discusses how the culture of peace can be achieved in the world Based on the extensive personal and professional experiences of two high profile thinkers and activists they analyse the challenges unfolding at local national and global levels and how these relate to humanity s guest for peace human security and happiness Although coming from very different positions one a Buddhist philosopher educator and leader the other a UN diplomat renowned for his international work in peace development and human rights these interlocutors are united in their search for justice and better quality of life for all and their conviction that women and young people are the most effective means to achieving positive change in the world The dialogue provides ideas on the key challenges that face our planet poverty and deprivation war and violence nuclear weapons and small arms climate change and environmental degradation weak governance and financial crises marginalization of women and alienation of youth and the relentless drive for materialism They also invite us to consider how the culture of peace can be practically achieved through an individual collective and institutional transformation Recognizing that global citizenship multilateralism women s equality and value creating education are central and inter linked themes this dialogue also underscores the inherent strength of spirituality compassion empathy forgiveness respect for diversity and empowerment that comes from the trials and tribulations of life

The Publishers Weekly ,2004 The Sun of Youth Daisaku Ikeda,2017-04-01 Adventure Passion Justice Struggle Revolution Faith These words exude the spirit of youth and fill this collection of poems Daisaku Ikeda s odes to those who are the hope of humanity With his own youthful spirit evident in every line the philosopher and peace activist inspires consoles celebrates and challenges young people expressing his deep feelings for them and his undying hope that they will find true meaning in their lives and be shining lights for this troubled world Philosophy and Human Revolution Vinicio Busacchi,2018-12-13 This book collects a series of philosophical papers dedicated to the figure and work of Daisaku Ikeda The author's interest in studying Ikeda's work is not to carry out a specialised or disciplinary study of his Buddhist exegesis or to offer a critical synthesis from the point of view of its basic doctrinal contents and references nor to examine his creed and religious teaching Beyond the fact that Ikeda's work has the double face of a construction founded on a Japanese philosophical religious tradition with specific links to classical Chinese tradition interfaced with the globe's most

representative literary scientific and speculative cultural products it was developed according to an intercultural design strongly marked by western rationality and a spiritual speculative pragmatic approach to life and the world Throughout this book the author proposes an agnostic suspension in order to leave a place for philosophy and its argumentative constructions

Ethical Visions of Education David T. Hansen, 2007-04-13 Putting good ideas into practice is one of the greatest challenges facing any educator Eminent thinkers John Dewey Jane Addams and others dedicated their lives to producing ways of thinking about education and human welfare that have influenced many persons lives At the same time these renowned thinkers were also trying to solve problems that every classroom teacher faces namely how to help children grow and learn as global citizens in a complex world This pathbreaking book edited by David T Hansen provides readers with a collection of insights drawn from a diverse array of thinkers that proves there is nothing guite as practical as a good educational philosophy It will challenge readers to articulate their own working vision of how to integrate the big ideas about education into daily practice Toward a Century of Peace Kevin P. Clements, Daisaku Ikeda, 2018-12-21 Peace studies pioneer Kevin Clements and Buddhist peacebuilder Daisaku Ikeda engage in dialogue on topics such as conflict resolution the refugee problem nuclear disarmament building a culture of peace and human rights and the path to recovery and reconstruction following natural disasters While articulating their personal religious beliefs their unique perspectives underlying their actions for peace and their problem solving methodologies they present a message based on unlimited trust in the transformative power for change residing within each individual The Wisdom of Tolerance Daisaku Ikeda, Abdurrahman Wahid, 2015-04-15 What do Buddhism and Islam have in common And what positive characteristics might Buddhist Japan and Muslim Indonesia be able to offer one another In this thoughtful and wide ranging discussion which draws on creative artists and thinkers as diverse as Beethoven Goethe Tolstoy Thomas Jefferson and Akira Kurosawa distinguished representatives from each country demonstrate that meaningful dialogue between religions and cultures begins with a one to one conversation between individuals Addressing the similarities of their nations as island peoples with a shared history of trade and cultural exchange Abdurrahman Wahid and Daisaku Ikeda agree that the aim of dialogue like that of Buddhism and Islam alike is fundamentally the goal of peace A pivotal moment in the conversation comes when reference is made to the Indonesian story of the Bamboo Princess from the Chronicle of the Kings of Pasai this is seen to bear close resemblance to the Japanese Taketori Monogatari or Tale of the Bamboo Cutter Such narrative interrelationship which can be discerned even in the midst of religious and cultural distinctiveness emerges as a powerful symbol of the common humanity not just of Indonesia and Japan but of all cultures Both thinkers continue to draw on their respective traditions on their personal experiences of war and adversity and especially on the lives of the Buddha and the Prophet Mohammed to show that harmony springs from an attitude of tolerance and nonviolence which is where true courage resides Whether masterfully expounding the teachings of Nichiren or indicating that a proper understanding of jihad is not about religious

conflict but about communicating the truth of Allah the discussants mutually transform our understandings of value pluralism and amity *The New Human Revolution, vol. 14* Daisaku Ikeda,2020-09-01 Through this novelized history of the Soka Gakkai one of the most dynamic diverse and empowering movements in the world today readers will discover the organization s goals and achievements even as they find inspiring and practical Buddhist wisdom for living happily and compassionately in today s world The book recounts the stories of ordinary individuals who faced tremendous odds in transforming their lives through the practice of Nichiren Buddhism and in bringing Buddhism s humanistic teachings to the world This inspiring narrative provides readers with the principles with which they can positively transform their own lives for the better and realize enduring happiness for themselves and others <u>A Lasting Peace</u> Daisaku Ikeda,1981 *Seikyo Times*,1991
