Lady And The Little Fox Fur:

The Lady and the Little Fox Fur Violette Leduc, 2018-09-06 Violette Leduc's novels are works of genius and also a bit peculiar. Deborah Levy from the introduction: An old woman lives alone in a tiny attic flat in Paris counting out coffee beans every morning beneath the roar of the overhead metro. Starving, she spends her days walking around the city, each step a bid for recognition of her own existence. She rides crowded metro carriages to feel the warmth of other bodies and watches the hot batter of pancakes drip from the hands of street sellers. One morning she awakes with an urgent need to taste an orange, but when she rummages in the bins she finds instead a discarded fox fur scarf. The little fox fur becomes the key to her salvation, the friend who changes her lonely existence into a playful world of her own invention. *The Lady and the Little Fox Fur* is a stunning portrait of Paris, of the invisibility we all feel in a big city and ultimately of the hope and triumph of a woman who reclaims her place in the world. A moving, beautiful and authentic classic. We must be grateful to the Penguin European Writers series, a precious venture in these dark times for bringing it back to us. John Banville, Booker prize-winning author of *The Sea*. The great French feminist writer we need to remember. Guardian. *The Lady and the Little Fox Fur*, Tr. by Derek Coltman. Violette Leduc, 1967. *The Position of Spoons* Deborah Levy, 2024-10-01. From twice Booker shortlisted author Deborah Levy, a feast of observations about everything from the particular beauty of lemons on a table to the muses that have shaped her life to the streets of Paris. In *The Position of Spoons*, Deborah Levy invites us into the interiors of her world, sharing her most intimate thoughts and experiences as she traces and measures her life against the backdrop of the literary and artistic muses that have shaped her. From Marguerite Duras to Colette and Ballard and from Lee Miller to Francesca Woodman and Paula Rego, we can relish here the richness of their work and in turn the richness of the author's own. Each page draws upon Levy's life in exalting ways, encapsulating the wonderful precision and astonishing depth of her writing as she seamlessly shifts between and mediates on questions of morality, language, suburbia, gender, consumerism and the poetics of everyday living. From the child born in South Africa to her teenage years in Britain to her travels across the world as a young woman, each page is a beautiful, tender composition of the questioning self, a portrait of Deborah Levy's writing life and intellectual vitality in all its dimensions. **French Women Writers** Eva Martin Sartori, Dorothy Wynne Zimmerman, 1994-01-01. Marie de France, Mme de S. Vign and Mme de Lafayette achieved international reputations during periods when women in other European countries were able to write only letters, translations, religious tracts and miscellaneous fragments. There were obstacles, but French women writers were more or less sustained and empowered by the French culture. Often unconventional in their personal lives and occupied with careers besides writing as educators, painters, actresses, preachers, salon hostesses, labor organizers, these women did not wait for Simone de Beauvoir to tell them to make existential choices and have projects in the world. *French Women Writers* describes the lives and careers of fifty-two literary figures from the twelfth century to the late twentieth. All the contributors are recognized authorities. Some of their

subjects like Colette and George Sand are celebrated and others are just now gaining critical notice From Christine de Pizan and Marguerite de Navarre to Rachilde and H l _ne Cixous from Louise Labe to Marguerite Duras these women speak through the centuries to issues of gender sexuality and language French Women Writers now becomes widely available in this Bison Book edition **Long Live the Bandit Lady** Xiao BenEr,2020-07-26 My aunt is living her own life With an old man

The Dry Season Melissa Febos, 2025-06-03 The award winning author of *Girlhood* returns with a revelatory chronicle of her year of celibacy and its transformative impact on her relationships to others and to herself In the wake of a catastrophic two year relationship Melissa Febos decided to take a break for three months she would abstain from dating and casual sex Ever since her teens she d been in one entanglement after another As she puts it she could trace a daisy chain of romances from her adolescence to her mid thirties And no matter where her partners identified on the gender spectrum she always instinctively molded herself to appeal to them Over those first few months she gleaned insights into her past and awoke to the joys of being single She decided to extend her celibacy not knowing it would become the most sensual and satisfying year of her life Unburdened by preoccupations that had consumed her for decades she learned to relish the delights of solitude and the thrill of living on her own terms A reckoning with lifelong patterns and dominant systems of power *The Dry Season* puts Febos s experience into conversation with those of women throughout history from Sappho to mystic nuns to Virginia Woolf situating it within a lineage of queer and feminist role models in unapologetic pursuit of their ambitions and ideals Blending intimate personal narrative and incisive cultural criticism Febos tells a story that s as much about celibacy as it is about its inverse pleasure desire fulfillment Infused with her fearless honesty and keen intellect it s the memoir of a woman learning to live at the centre of her story and a much needed catalyst for a more radical conversation around sex and love

Part-Architecture Emma Cheatle, 2017-07-20 *Part Architecture* presents a detailed and original study of Pierre Chareau s *Maison de Verre* through another seminal modernist artwork Marcel Duchamp s *Large Glass* Aligning the two works materially historically and conceptually the book challenges the accepted architectural descriptions of the *Maison de Verre* makes original spatial and social accounts of its inhabitation in 1930s Paris and presents new architectural readings of the *Large Glass* Through a rich analysis which incorporates creative projects into history and theory research the book establishes new ways of writing about architecture Designed for politically progressive gynaecologist Dr Jean Dalsace and his avant garde wife Annie Dalsace the *Maison de Verre* combines a family home with a gynaecology clinic into a free plan layout Screened only by glass walls the presence of the clinic in the home suggests an untold dialogue on 1930s sexuality The text explores the *Maison de Verre* through another radical glass construction the *Large Glass* where Duchamp s complex depiction of unconsummated sexual relations across the glass planes reveals his resistance to the marital conventions of 1920s Paris This and other analyses of the *Large Glass* are used as a framework to examine the *Maison de Verre* as a register of the changing history of women s domestic and maternal choices reclaiming the building as a piece of female social architectural history The process used to uncover and write the accounts in the book is termed *part architecture* Derived from psychoanalytic theory *part architecture* fuses analytical descriptive and creative processes to produce a unique social and architectural critique Identifying three essential materials to the *Large Glass* the book has three main chapters *Glass Dust and Air* Combining theory text creative writing and drawing each traces

Heroines, new edition Kate Zambreno, 2024-03-05 A manifesto reclaiming the wives and mistresses of literary modernism that inspired a generation of writers and scholars reissued after more than a decade I am beginning to realize that taking the self out of our essays is a form of repression Taking the self out feels like obeying a gag order pretending an objectivity where there is nothing objective about the experience of confronting and engaging with and swooning over literature On the last day of December 2009 Kate Zambreno then an unpublished writer began a blog called Frances Farmer Is My Sister arising from her obsession with literary modernism and her recent transplantation to Akron Ohio where her partner held a university job Widely reposted Zambreno's blog became an outlet for her highly informed and passionate rants and melancholy portraits of the fates of the modernist wives and mistresses reclaiming the traditionally pathologized biographies of Vivienne Eliot Jane Bowles Jean Rhys and Zelda Fitzgerald writers and artists themselves who served as male writers' muses only to end their lives silenced erased and institutionalized Over the course of two years Frances Farmer Is My Sister helped create a community of writers and devised a new feminist discourse of writing in the margins and developing an alternative canon In *Heroines* Zambreno extends the polemic begun on her blog into a dazzling original work of literary scholarship Combining theories that have dictated what literature should be and who is allowed to write it she traces the genesis of a cultural template that consistently exiles feminine experience to the realm of the minor and diagnoses women for transgressing social bounds ANXIETY When she experiences it it's pathological writes Zambreno When he does it's existential With *Heroines* Zambreno provided a model for a newly subjectivized criticism prefiguring many group biographies and forms of autotheory and hybrid memoirs that were to come in the years to follow A book that has become its own canon *Heroines* was named one of the 50 Books that define the past 5 Years in Literature by Flavorwire an Essential Feminist Manifesto by Dazed and one of the 50 Greatest Books by Women in Buzzfeed

In Love Alfred Hayes,2007 She had a tiny scar over the ridge of one eye She knew a dozen words in French she had never learned to drive a car I measured her once against a wall kissing her for every twelve inches and she was five feet four and a half inches without her shoes on Fifty years ago Alfred Hayes was regarded as one of the most interesting and original American novelists and he deserves to be better known today In Love is set in the Manhattan bar scene of the 1940s and reads like a Edward Hopper painting A middle aged man tells a young woman on an adjacent bar stool the story of his last love affair a relationship in the thoroughly modern sense full of misplaced lust and misunderstood emotion He depicts the boy of his tale as moody and evasive the girl as even worse It was a mostly erratic affair downbeat dysfunctional and on the brink of sinking without a trace until an unscrupulous millionaire intervened The ensuing turmoil will be recognizable to anyone who has fallen into and then out of a relationship This tale is as much an indictment of love as an elegy to it an examination of heartbreak rather than the heart itself
