## Lady Love:

Leftover lady's Love Story , Zhenyinfang,2020-02-17 Xiao Jiajia thought of the scratchy love letter the angry eyes of her mother and the frightened eyes of the boy and thought that time was running by and she had been in love with her so how could she be left After graduating from college her classmates and girlfriends got married and had children one after another She began to be afraid of the reunion of her classmates and always went alone But once the hero of the old plot saved the beauty she knew him and they started like this Her shadow appeared in his eyes and her heart reserved a place for him In the new era a woman can't say let's get married to a man      **Hernarne** William B. Arthur,2014-04-08 This translation first published in 1992 presents one of the most memorable medieval ballads largely because it contains a number of surprises and falsified expectations Jaufre the hero arrives at the court of King Arthur with a total and naive faith in the King and his ability to effect a total transformation in his followers by inducting them into the order of knighthood As his quest proceeds he learns the mistake in his idealised view of chivalry and his uncompromising view of pure justice untempered by mercy By charting the choices Jaufre makes in military and amorous encounters and the effectiveness of his responses to social trials and temptations the audience discerns the route to independent adulthood prestige and virtue as the poet conceives of them This fascinating reissue will be of particular value to students and academics researching the concepts typically explored within
