*Coates's Herd Book* Henry Strafford,1882      *The Berkshire News* ,1949-11      *The Benevolent Light* Daisha Marie Korth,2013-09-16 Darkness shrouds the Darktowers as they press forward the familiar cliffs in the forefront of their minds as their journey comes close to the end Rothan sits over his mound of gold the devil in command of his army with his evil eyes seeing each shadow every corner any opportunity with which to gain power to flaunt the tree upon his palm and take what he covets most And through the storm that brews the light fades until the blackness chokes all in its path A battle of wills dictates which path will be taken and when the torment ends Aspen finds one brilliant shaft of light A benevolent light The most beautiful beam of light one has ever seen      **The Farmer's Magazine** ,1867      [Herd-Book, Containing the Pedigree of Improved Short-horned Cows](#) ,1867      [Thornton's Circular](#) ,1869      *Herdbook Containing the Pedigree of Improved Short-horn Cattle* ,1871 Vols include the Shorthorn Society s Grading register for beef Shorthorn cattle v include the society s Herd book of poll shorthorns      [The American Hereford Record, and Hereford Herd Book](#) ,1919      *Merchant Vessels of the United States* ,1953      [The Price of Power: Book Two of the Aspen Series](#) Daisha Marie Korth,2017-02-12 After the battle of Rosehill Thorne and Aspen Darktower come face to face with finding the balance between peace and justice amidst the adversity that meets them head on as they explore their new positions as the Grand Duke and Duchess of Elgolan Being led forward by the imperious Sir Lernmoore they find their relationship tested by the powers granted them by the king and the bonds of their love are stretched by the evil that surrounds them unable to be found Together they learn a new nobility through the people they meet and the places they see on their quest to return home Their tale continues from the unforgettable story Noble Courage There is a price to be paid for the power which we hold Hans Broadleaf      **American Oxford Down Record** American Oxford Down Sheep Record Association,1887      **Periodicals for the People** Society for the Diffusion of Pure Literature Among the People,1856      [The American Shorthorn Herd Book](#) ,1902      **The American Short-horn Herd Book** Lewis Falley Allen,William T. Bailey,1902      *Salvation of the Forgotten: Book Four of the Aspen Series* Daisha Marie Korth,2012-08-02 As Baroness of Shadowed Meadow it is Aspen Darktower s duty to transform the forgotten village into a prosperous place to live by order of King Rothan But it seems as though there is some sort of enchantment over the lush green grasses and rushing river leaving it to remain primitive and backward resistant to change The unity of the Darktower people begins to crack like weathered stone and a once very tightly knitted group is torn to shreds by poverty illness and battles brought on by bloodthirsty men And in the very center of the storm Rayven has plans of his own set out to destroy Thorne and claim Aspen for his master Dracul for reasons he cannot understand It lies within the Twelve to see the greater good and save the people they have sworn to protect To be among the saved you must first take the fall to be built up strong again      **The Illustrated Queen Almanac and Lady's Calendar** ,1877      **Tears of Penance** Daisha Marie Korth,2011-05-20 The path of duty and position brings Thorne and Aspen Darktower to the posh and luxurious

city of Foxglove Pass where the charming Duke Gallant shows them comfort and friendship Still there are many dark corners where questions of terrible consequence beg to be answered and the castle s gardens provoke the innocence of love It is a place where the happiest in the territory smile in the sunshine and fear the Blood Thieves by night The warmth of evil is felt upon the necks of the Darktowers Tears fall like diamonds from the eyes of the penitent and fists fall as swords upon the condemned Your prayers would be welcome Perhaps God had grown weary of listening to mine Breigh Berrybough The Aspen Series continues

**Noble Courage: Book One of the Aspen Series** Daisha Marie Korth,2015-04-21 The Darktower name held the power to make one shiver with trepidation as it rolled off the tongue Thorne Darktower Earl of Cliffhaven stood tall and ominous resentful of his own existence and plotting against his own family s life long enemy until he is touched by the heart of an angel and shown the promise of life as she lifts the wool of hatred from his eyes Aspen Tiller found herself as an unsuspecting pawn in a strategic game of self preservation With her innocence and child like ideals held close to her she reaches deep within herself to accomplish the impossible command the respect of those around her welcome the love of all who knew her and face the wrath of the devil who covets her And still embedded in her character is a courage so noble that it refuses to allow her to give in to defeat as she trudges through the obstacles in her path to emerge anew But does it destroy the woman so many love
