Lady And Doc Holliday:

The Lady and Doc Holliday Preston Lewis, 2016-08-20 Doc Holliday's Woman Jane Candia Coleman, A novel based on the life of Kate Elder a courageous independent woman who survived alone on the frontier from St Louis to the OK Corral and eventually became Doc Holliday's mistress The author has drawn on sources such as interviews with Kate Elder herself in the 1930s and other accounts and memoirs to build a vision of the Wild West that is at once accurate and compelling

Chasing the Sun Edward Joseph Beverly, 2008 Chasing the Sun is a guide to Western fiction with more than 1 350 entries including 59 reviews of the author's personal favorites organized around theme **The Lady and the Mountain Man** Chris Enss, 2021-08-01 2022 Will Rogers Medallion Award Gold Winner for Western Biographies and Memoirs The love they shared for an untamed land brought them together Isabella Bird was a proper Victorian lady a minister's daughter a writer who traveled the globe She was expected to marry a man of means and position instead she was drawn to a gruff mountain man a desperado named Jim Nugent The unlikely pair met in Estes Park Colorado in 1873 Jim was enchanted by Isabella and she was infatuated with him In a published version of Isabella's letter to her sister she said of Jim that he was a man any woman might love but no sane woman would marry On a climb to the top of Longs Peak their friendship blossomed into more than expected This book reveals the true story of Bird's relationship with Nugent as they traveled through the dramatic wilderness of the Rocky Mountains Doc Holliday John Myers Myers, 1955-01-01 A biography of the well known Old West gambler and gunfighter Doc Holliday **Women of the Western Frontier in Fact, Fiction, and Film** Ronald W. Lackmann, 1997-01-01 This work provides factual accounts of women of the Old West in contrast to their depictions on film and in fiction The lives of Martha Calamity Jane Canary and Belle The Bandit Queen Starr are first detailed one discovers that Starr was indeed friends with notorious bank robbers of the time including Jesse James and Cole Younger but was herself primarily a cattle and horse thief Wives and lovers of some of the West's most famous outlaws are covered in the second section along with real life female entertainers prostitutes and gamblers Native Americans entrepreneurs doctors reformers artists writers schoolteachers and other such respectable women are covered in the third section *Gun Women* Mary Zeiss Stange, Carol K. Oyster, 2000-09-01 Women we are told should not own guns Women we are told are more likely to be injured by their own guns than to fend off an attack themselves This fact is rooted in a fundamental assumption of female weakness and vulnerability Why should a woman not be every bit as capable as a man of using a firearm in self defense And yet the reality is that millions of American women somewhere between 11 000 000 and 17 000 000 use guns confidently and competently every day Women are hunting using firearms in their work as policewomen and in the military shooting for sport and arming themselves for personal security in ever increasing numbers What motivates women to possess firearms What is their relationship to their guns And who exactly are these women Crucially can a woman be a gun owner and a feminist too Women's growing tendency to arm themselves has in recent years been political fodder for both the right and the left Female

gun owners are frequently painted as trying to be like men the conservative perspective or capitulating to patriarchal ideas about power the liberal critique Eschewing the polar extremes in the heated debate over gun ownership and gun control and linking firearms and feminism in novel fashion Mary Zeiss Stange and Carol K Oyster here cut through the rhetoric to paint a precise and unflinching account of America's gun women
