Lady Lincoln Scandal The:

The Women Lincoln Loved William Eleazar Barton,1927 The Routledge Handbook of Victorian Scandals in Literature and Culture Brenda Ayres,Sarah E. Maier,2022-12-01 The Routledge Handbook of Victorian Scandals in Literature and Culture exposes explores and examines what Victorians once considered flagrant breaches of decorum Infringements that were fantasized through artforms or were actually committed exceeded entertaining parlor gossip once in print they were condemned as socially contaminative but were also consumed as delightfully sensational Written by scholars in diverse disciplines this volume Demonstrates that spreading scandals seemed to have been one of the most entertaining sources of activities but were also normative efforts made by the Victorians to ensure conformity of decorum Provides a broad spectrum of infractions that were considered scandalous to the Victorians Identifies Victorian transgressions that made the news and that may still shock modern readers Covers a gamut of moral infractions and transgressions either practiced rumored or fantasized in art forms This handbook is an invaluable resource about Victorian literature art and culture which challenges its readers to ponder perplexing questions about how and why some scandals were perpetrated and propagated in the nineteenth century while others were not and what the controversies reveal about the human condition that persists beyond Victoria s reign of propriety Trollope Victoria Glendinning,2011-04-30 Victoria Glendinning provides a woman s view of Anthony Trollope placing emphasis on family particularly on his relationship with his mother But it is Anthony as a husband and lover that intrigues her most She looks at the nature of his love for his wife Rose and at his love for Kate Field

Aristocratic Women and Political Society in Victorian Britain K. D. Reynolds,1998 This is a study of gender and power in Victorian Britain It examines the contribution made by women to the public culture of the British aristocracy in the nineteenth century It challenges the view that power and authority were predominantly masculine attributes and shows that a partnership of authority between men and women was integral to aristocratic life The book is thus an important addition to the debate on separate spheres Dr Reynolds explores the roles of aristocratic women in estate management patronage of churches and schools and in caring for the poor and other dependants She shows how women were at the heart of the local communities and institutions on which aristocratic power was based The book goes on to discuss the realm of national politics analysing women s participation in the electoral process in Westminster based political life and at Queen Victoria s court Based on a wide range of previously unused archival sources Aristocratic Women and Political Society presents a lively portrait of women s experiences and a corrective to the view of the upper class Victorian woman as a passive social butterfly

Affairs of State Robert P. Watson,2012 In recent years Arnold Schwarzenegger Eliot Spitzer John Edwards Newt Gingrich Herman Cain and countless other politicians have made headlines for their sexual scandals But such stories are not new Indeed there is a long history of misbehavior in politics including in the nation s highest office Bill Clinton it can safely be said was not the first president to misbehave nor was he the worst In fact there is a long history of presidential peccadilloes

Many presidents have been influenced and had their careers affected by the hand of a woman sometimes that of a wife or mother but at other times that of a mistress But these stories are rarely told Instead history has tended to glorify our leaders Such a scrubbed version of the lives of presidents however omits their marital woes love lives and sexual peccadilloes As Robert P Watson reveals it is precisely these intimate and all too human moments that provide some of the most valuable insights into our leaders Affairs of State is not just about sex and scandal the who did it of history although such incidents are described in detail It is a book about love marriage and affairs in the White House offering an intimate character study of the First Couples who made history To see the author discuss his book on Inside South Florida please click here To see him discuss the book on C SPAN please click here

The Mystery of Lincoln's Inn Robert Machray,1903 **Encyclopedia of Women and American Politics, Third Edition** Lynne Ford,2021-07-01 Encyclopedia of Women and American Politics Third Edition contains all the material a reader needs to understand the role of women throughout America s political history This informative A to Z volume contains hundreds of entries covering the people events and terms involved in the history of women and politics Entries include Abortion Alexandria Ocasio Cortez The birth control movement Black Lives Matter Hillary Rodham Clinton Deb Haaland Domestic violence Equal Rights Amendment ERA Glass ceiling League of Women Voters MeToo movement Michelle Obama Sonia Sotomayor Elizabeth Warren and many more

Women and Literary Celebrity in the Nineteenth Century Brenda R. Weber,2016-02-11 Focusing on representations of women s literary celebrity in nineteenth century biographies autobiographical accounts periodicals and fiction Brenda R Weber examines the transatlantic cultural politics of visibility in relation to gender sex and the body Looking both at discursive patterns and specific Anglo American texts that foreground the figure of the successful woman writer Weber argues that authors such as Elizabeth Gaskell Fanny Fern Mary Cholmondeley Margaret Oliphant Elizabeth Robins Eliza Potter and Elizabeth Keckley helped create an intelligible category of the famous writer that used celebrity as a leveraging tool for altering perceptions about femininity and female identity Doing so Weber demonstrates involved an intricate gender sex negotiation that had ramifications for what it meant to be public professional intelligent and extraordinary Weber s persuasive account elucidates how Gaskell s biography of Charlotte Bront served simultaneously to support claims for Bront s genius and to diminish Bront s body in compensation for the magnitude of those claims thus serving as a touchstone for later representations of women s literary genius and celebrity Fanny Fern for example adapts Gaskell s maneuvers on behalf of Charlotte Bront to portray the weak woman s body becoming strong as it is made visible through and celebrated within the literary marketplace Throughout her study Weber analyzes the complex codes connected to transatlantic formations of gender sex the body and literary celebrity as women authors proactively resisted an intense backlash against their own success

Lady Lincoln Scandal Virginia Surtees,2005-02-01 **100 Black Women Who Shaped America** Glenn L. Starks,2024-06-27 This introductory text explores the lives of 100 Black women and their unique and meaningful legacies upon the history society and culture of the

USA Today the names and remarkable achievements of Black women such as Maya Angelou Serena Williams Michelle Obama and Oprah Winfrey are well known to many Americans Yet throughout American history many lesser known Black women like them have made invaluable contributions to sports science the arts medicine politics and civil rights Josephine St Pierre Ruffin who published the first newspaper written for and by African American women championed the cause of women s suffrage Matilda Sissieretta Jones whose father was an enslaved person toured Europe and performed at the White House in front of four different presidents as one of the great sopranos of her generation Augusta Savage overcoming racism and sexism became one of the most celebrated sculptors in history This book serves as an important reminder that the story of America cannot be told without the Black women who with strength and determination have always pushed America forward even when others held them back

1939: The Last Season of Peace Angela Lambert,2011-09-28 First published in 1989 this is an account of the oldest of traditions It was called the London Season and for three centuries it had been a time of fashionable suppers and brilliant balls that introduced England s most aristocratic and eligible girls to society Though by 1939 the stately gavottes and minuets had long since given way to waltzes and fox trots the cream of young womanhood still curtsied low before the Queen and then went out to dance the night away with the young men they would one day marry But the Season of 1939 was different it was to be the last And like many a finale it lives on in memory as a lovely enchanted dream all the more beautiful for the horror and destruction that would follow so soon Based on a wealth of first hand reminiscences press clippings and memorabilia *1939 The Last Season of Peace* is a fascinating portrait of this fairy tale about to end It captures the end of an era as it recreates a world whose inhabitants still believed in empire and tradition It is a vivid picture of a generation suspended in a brief moment of sunlit summer glory before the gathering storm of World War II swept it all away

At Lincoln's Side Michael Burlingame,2006-09-07 John Hay believed that real history is told in private letters and the more than 220 surviving letters and telegrams from his Civil War days prove that to be true showing Abraham Lincoln in action The Tycoon is in fine whack I have rarely seen him more serene busy He is managing this war the draft foreign relations and planning a reconstruction of the Union all at once I never knew with what tyrannous authority he rules the Cabinet till now The most important things he decides there is no cavil Along with Hay s personal correspondence Burlingame includes his surviving official letters Though lacking the literary brilliance of Hay s personal letters Burlingame explains they help flesh out the historical record Burlingame also includes some of the letters Hay composed for Lincoln s signature including the celebrated letter of condolence to the Widow Bixby More than an inside glimpse of the Civil War White House Hay s surviving correspondence provides a window on the world of nineteenth century Washington D C

Lady's Realm ,1903 **The Jewish Woman** ,1928 **Abraham Lincoln** Michael Burlingame,2009-01-05 This award winning biography has been hailed as the definitive portrait of Lincoln Named One of the 5 Best Books of 2009 by The AtlanticNamed One of the 10 Top Lincoln Books by Chicago Tribune Winner 2008 PROSE Award for Best Book in U S History

and Biography Autobiography Association of American Publishers Winner 2010 Lincoln Prize from the Civil War Institute at Gettysburg College In the first multi volume biography of Abraham Lincoln to be published in decades Lincoln scholar Michael Burlingame offers a fresh look at the life of one of America s greatest presidents Incorporating the field notes of earlier biographers along with decades of research in multiple manuscript archives and long neglected newspapers this remarkable work will both alter and reinforce our current understanding of America s sixteenth president Volume 1 covers Lincoln s early childhood his experiences as a farm boy in Indiana and Illinois his legal training and the political ambition that led to a term in Congress in the 1840s In volume 2 Burlingame examines Lincoln s life during his presidency and the Civil War narrating in fascinating detail the crisis over Fort Sumter and Lincoln s own battles with relentless office seekers hostile newspaper editors and incompetent field commanders Burlingame also offers new interpretations of Lincoln s private life discussing his marriage to Mary Todd and the untimely deaths of two sons to disease In volume 2 Burlingame examines Lincoln s presidency and the trials of the Civil War He supplies fascinating details on the crisis over Fort Sumter and the relentless office seekers who plagued Lincoln He introduces readers to the president s battles with hostile newspaper editors and his quarrels with incompetent field commanders Burlingame also interprets Lincoln s private life discussing his marriage to Mary Todd the untimely death of his son Willie to disease in 1862 and his recurrent anguish over the enormous human costs of the war

A History of Divorce Law Henry Kha, 2020-11-30 The book explores the rise of civil divorce in Victorian England the subsequent operation of a fault system of divorce based solely on the ground of adultery and the eventual piecemeal repeal of the Victorian era divorce law during the Interwar years The legal history of the Matrimonial Causes Act 1857 is at the heart of the book The Act had a transformative impact on English law and society by introducing a secular judicial system of civil divorce This swept aside the old system of divorce that was only obtainable from the House of Lords and inadvertently led to the creation of the modern family justice system The book argues that only through understanding the legal doctrine in its wider cultural political religious and social context is it possible to fully analyse and assess the changes brought about by the Act The major developments included the end of any pretence of the indissolubility of marriage the statutory enshrinement of a double standard based on gender in the grounds for divorce and the growth of divorce across all spectrums of English society The Act was a product of political and legal compromise between conservative forces resisting the legal introduction of civil divorce and the reformers who demanded married women receive equal access to the grounds of divorce Changing attitudes towards divorce that began in the Edwardian period led to a gradual rejection of Victorian moral values and the repeal of the Act after 80 years of existence in the Interwar years The book will be a valuable resource for academics and researchers with an interest in legal history family law and Victorian studies

Disraeli's Disciple Mary S. Millar, 2006-01-01 In addition to the portrait it paints of a fascinating man whose public life was as earnest and idealistic as his private life was shocking and titillating Disraeli s Disciple also provides new insights into the politics of

this formative stage in British history

Disarming the Nation Elizabeth Young, 1999-12-15 In a study that will radically shift our understanding of Civil War literature Elizabeth Young shows that American women writers have been profoundly influenced by the Civil War and that in turn their works have contributed powerfully to conceptions of the war and its aftermath Offering fascinating reassessments of works by white writers such as Harriet Beecher Stowe Louisa May Alcott and Margaret Mitchell and African American writers including Elizabeth Keckley Frances Harper and Margaret Walker Young also highlights crucial but lesser known texts such as the memoirs of women who masqueraded as soldiers In each case she explores the interdependence of gender with issues of race sexuality region and nation Combining literary analysis cultural history and feminist theory *Disarming the Nation* argues that the Civil War functioned in women's writings to connect female bodies with the body politic Women writers used the idea of civil war as a metaphor to represent struggles between and within women including struggles against the cultural prescriptions of civility At the same time these writers also reimagined the nation itself foregrounding women in their visions of America at war and in peace In a substantial afterword Young shows how contemporary black and white women including those who crossdress in Civil War reenactments continue to reshape the meanings of the war in ways startlingly similar to their nineteenth century counterparts Learned witty and accessible *Disarming the Nation* provides fresh and compelling perspectives on the Civil War women's writing and the many unresolved civil wars within American culture today

Mary Lincoln for the Ages Jason Emerson, 2019-04-19 In this sweeping analytical bibliography Jason Emerson goes beyond the few sources usually employed to contextualize Mary Lincoln's life and thoroughly reexamines nearly every word ever written about her In doing so this book becomes the prime authority on Mary Lincoln points researchers to key underused sources reveals how views about her have evolved over the years and sets the stage for new questions and debates about the themes and controversies that have defined her legacy *Mary Lincoln for the Ages* first articulates how reliance on limited sources has greatly restricted our understanding of the subject evaluating their flaws and benefits and pointing out the shallowness of using the same texts to study her life Emerson then presents more than four hundred bibliographical entries of nonfiction books and pamphlets scholarly and popular articles journalism literature and juvenilia More than just listings of titles and publication dates each entry includes Emerson's deft analysis of these additional works on Mary Lincoln that should be used but rarely have been to better understand who she was during her life and why we see her as we do The volume also includes rarely used illustrations including some that have never before appeared in print A roadmap for a firmer more complete grasp of Mary Lincoln's place in the historical record this is the first and only extensive analytical bibliography of the subject In highlighting hundreds of overlooked sources Emerson changes the paradigm of Mary Lincoln's legacy

Writing African American Women Elizabeth A. Beaulieu, 2006-04-30 Women have had a complex experience in African American culture The first work of its kind this encyclopedia approaches African American literature from a Women's Studies perspective While Yolanda Williams Page 5
