

The One I Love

*I can't imagine my life without you...
No one to talk to when I'm feeling blue,
No one to laugh with at every day things,
No one to share all the joy that life brings.*

*No hand to hold as I'm walking along,
No one to turn to, who's caring and strong.
No goodnight kiss at the end of the day,
No one to chase all my worries away.*

*I'd be so lost without you by my side,
Like a leaf in the wind, or a shell in the tide.
My reasons to smile would soon disappear,
If you weren't in my life, if you weren't always near.*

*You are my partner, my lover, my friend,
My story's beginning, my fairy tale end...
The one who completes me, devoted & true,
And I'll spend the rest of my life loving you!*

Lady One Of Love And Other Poems:

Lady One Breyten Breytenbach, 2002 Please deliver me Lady of prattle and cant As I bury one hundred years of war and want Evoking an extraordinary range of settings and images from Africa where blood blackens and tiny desert creatures have to lick the dew from their flanks to survive to the havens of exile and the snow once again over Paris this morning sheeting light under grey blankets this searching verse explores love and loss light and darkness war and want and wounds that do not heal The texture of nostalgic sometimes bitter memories of childhood in Breytenbach's African homeland is as palpable here as the vigorous exultation of love found amid the ruins of an earlier life And pervading all the experience rendered is a sense of wonder and awe that the light lies silvery smooth in the furrows dug by the farmer to lead astray the drought and bring succour to the runner beans the maize tomatoes melons peppers onions garlic potatoes and love **The Cambridge**

Martin, 1996-07-12 In this challenging study Priscilla Martin investigates the subjects of women sex and gender in Chaucer's poetry She argues convincingly that these are Chaucer's major subjects and that he presents them as an area of human experience fraught with problems Women instead of producing texts and meanings themselves are trapped in the books and meanings of others and so the Madonna and the courtly heroine the nun and the wife are familiar but questionable images of constructed femininity an intelligent sensitive fresh and close reading which focuses upon Chaucer's women unconventional and subtle John J McGavin Times Higher Education Supplement **Women Latin Poets**
