**Annual Report of the New York State College of Agriculture and Life Sciences at Cornell University & the Cornell University Agricultural Experiment Station** New York State College of Agriculture,1919      **Summer** Dallas Lore Sharp,2021-05-18 In Summer Dallas Lore Sharp invites readers into an immersive exploration of the warmest season seamlessly blending nature writing with personal reflection to evoke a vibrant tapestry of life The text is characterized by its

lyrical prose and keen observations that reflect Sharp's profound appreciation for the natural world. Positioned within the early 20th century American literary context, Sharp's work aligns with the burgeoning popularity of nature writing during this period, echoing the sentiments of contemporaries like John Muir and Henry David Thoreau while maintaining a distinctively personal touch. Dallas Lore Sharp, an influential American naturalist and writer, devoted his life to fostering a deeper understanding of nature through his writings. His experiences as a professor of English and a conservation advocate undoubtedly influenced his perspective. Sharp's deep-rooted love for the outdoors, coupled with a desire to bridge the gap between humanity and nature, led him to craft this beautiful celebration of summer, reflecting on its beauty, complexities, and the interdependence of all life. I enthusiastically recommend *Summer* to anyone seeking a poignant contemplation of nature's beauty and rhythm. This work not only enriches one's appreciation for the season but also inspires a more profound connection to the natural world, making it essential reading for nature enthusiasts and lovers of eloquent prose. **365**

An intriguing, motivated book explores skipping rope's history, its health benefits, and the good ol' ditties we used to sing. Grab a rope or just skip in place, jump with joy in your heart, and bring enthusiasm to your life. Restore your self-confidence, encourage the inner you as you gain strength and endurance, and even shed a few pounds for a healthier lifestyle. Start jumping now! Get all your friends involved: Mom and Dad, brother and sister, even Grandpa and Grandma. Step up to the challenge and fun for a new beginning to a new you and have a wonderful time doing it. To all the little children in our lives that bring us the touch of joy through their interaction and enthusiasm, may they carry forward this joy to all those that are willing to share with them. Two little eyes to look to God, two little ears to hear His word, two little feet to walk in His ways, two little lips to sing His praise, two little hands to do His will, and one little heart to love Him still. May we keep skipping uphill. **Love and Other Curious Adventures** April Rhodes James, 2021-09-15.
