Lady's Life In The Rocky Mountains:

A Lady's Life in the Rocky Mountains Isabella Lucy Bird, 1893 Letters to her sister about the author's travel in Colorado autumn and early winter 1873

A Lady's Life in the Rocky Mountains Isabella Bird, 2020-12-30 A Lady's Life in the Rocky Mountains is a travel book by Isabella Bird describing her 1873 trip to the Rocky Mountains of Colorado. The book is a compilation of letters that Isabella Bird wrote to her sister Henrietta. In 1872 Isabella left Britain going first to Australia then to Hawaii which she refers to as the Sandwich Islands. In 1873 she travelled to Colorado then the Colorado Territory. After living a time in Hawaii she takes a boat to San Francisco. She passed the area of Lake Tahoe to Cheyenne, Wyoming to ultimate Estes Park, Colorado also elsewhere in and near the Rocky Mountains of the Colorado Territory. Early in Colorado she met Rocky Mountain Jim described as a desperado but with whom she got along quite well. She described him as: "He is a man whom any woman might love but no sane woman would marry." She was the first white woman to stand atop Longs Peak, Colorado pointing out that Jim dragged me up like a bale of goods by sheer force of muscle. Rocky Mountain Jim treated her quite well and it is sad to note he was shot to death seven months later. After many other adventures Isabella Bird ultimately took a train east. Upon publication *A Lady's Life in the Rocky Mountains* proved an instant bestseller and is still considered to be her best work.

A Lady's Life in the Rocky Mountains Isabella Bird, 2013-03-27 Dressed practically and riding not sidesaddle but frontwards like a man though she threatened to sue the Times for saying she dressed like one she covered over 800 miles in the Rocky Mountains in 1873. Her letters to her sister first printed in the magazine *Leisure Hour* comprised her fourth and perhaps most famous book. *A Lady's Life in the Rocky Mountains*. Bird's time in the Rockies was enlivened especially by her acquaintance with Jim Nugent, Rocky Mountain Jim, a textbook outlaw with one eye and an affinity for violence and poetry. "A man any woman might love but no sane woman would marry," Bird declared in a section excised from her letters before their publication. Nugent also seemed captivated by the independent minded Bird but she ultimately left the Rockies and her dear desperado Nugent was shot dead less than a year later.

ABOUT THE BOOK I have just dropped into the very place I have been seeking but in everything it exceeds all my dreams. Imagine a time when the wild west was still wild when no one knew what lay inside the dense forests blanketing Colorado's Rocky Mountains. When grizzly bears still reigned supreme over California's forests and the night was filled with the sounds of night creatures. Imagine a time when ruffians and desperados roamed the land inspiring both fear and awe in all those who saw them. Imagine a time when Denver was a rough and ready town just recently brought under civil law and the ink on the document proclaiming Colorado's statehood was still wet. The mountains were not yet riddled with mine shafts but hopes and

dreams were just beginning to be smashed by the empty promises of wealth below the Earth's surface. The year is 1873 and America is a wild place still recovering from a devastating civil war and learning how to be a country. Colorado is a wilderness just beginning to be populated by miners, settlers looking for a new life and invalids grasping at the hope that the clean air will bring a cure. It is a beautiful place full of promise but it is also a hard place that is more likely to break your heart. It is to this Colorado that Isabella Bird, a 43-year-old English lady, finds herself drawn.

EXCERPT FROM THE BOOK *In 1873*

Isabella Bird is 42 years old and she has mountain fever. She yearns to immerse herself in the beauty and culture of Colorado's Rocky Mountains. She doesn't care if she has to rough it a little; she wants to ride a horse through dense forests and climb atop rocky crags to look down on the world from above. Isabella's journey begins in San Francisco and quickly moves to the Sierra Nevadas where she is transfixed by the sparkling emerald beauty of Lake Tahoe and the tragic mountain gem of Donner Lake. Dipping down on the easterly slope of the Sierras, she begins a long and tedious crossing of the Plains. Here she finds herself enclosed in an endless sea of grass that possesses all the loneliness of the ocean and none of the beauty. Isabella is stifled by the heat and black flies that coat every surface. The towns in which she stops are dreary outposts of no merit. So she runs for the hills. For weeks Isabella finds herself stuck in Canyon Colorado, staying with the Chalmers family. There is nothing beautiful about this place where everyone lives and breathes work. She lends a hand where she can and bides her time until she can figure out a way to reach Estes Park, the mountain land of her dreams. Just when Isabella is about to give up hope of ever reaching Estes Park, she finds two young men who will take her there. The ride is beautiful and before she knows it, they are at Rocky Mountain Jim's cabin at the mouth of Estes Park. She is immediately struck by both the handsomeness, brutality, and charm of the ruffian. He continues to be in her thoughts until she comes upon Evans's camp set up in a lovely meadow next to a picturesque lake. She decides to stay in this idyllic setting until winter comes on.

A Lady's Life in the Rocky Mountains Isabella Lucy Bird, 1960 Women were scarce enough in the West of the late nineteenth century and a middle aged English lady traveling alone by horseback was a real phenomenon. It was during the autumn and early winter of 1873 that Isabella Bird made this extended tour of the Rocky Mountain area of Colorado guided by desperado Mountain Jim. This book contains letters to her sister detailing her experiences during this travel from back cover. **A Lady's Life in the Rocky Mountains** Isabella Lucy Bird, 1900 **Isabella Lucy Bird's "A Lady's Life in the Rocky Mountains"** Isabella Lucy Bird, Ernest S. Bernard, 1999-01 The watershed year of Isabella Lucy Bird's life was 1873. In autumn of that year the forty one year old English gentlewoman embarked by rail from San Francisco's east bay bound for the Colorado Rockies. A challenging journey it drove Bird to the utmost physical effort and initiated her lifelong career in what today is called adventure travel. More than one hundred twenty years after their first publication Isabella Bird's letters to her sister continue to thrill readers with their account of the then untamed and largely unknown American mountain wilderness. This elegant illustrated edition of Bird's *A Lady's Life in the Rocky Mountains* annotated by Ernest S. Bernard sheds fresh light on ambiguities and obscurities in Bird's letters and contains new details about the frontier Rocky Mountain West a region Bird found so beautiful that she gently chided nature for her close imitation of art. Readers will share Bird's joy and terror as she scales the nearly sheer face of Longs Peak her wistfulness and wonder in the company of the dashing doomed mountain man Rocky Mountain Jim and her unalloyed rapture as she glories in the rushing winds the piled up peaks

the great pines the wild night noises the poetry and prose of her beloved mountains In addition to a map of Bird's 1873 route and contemporary photographs this new annotated edition includes an appendix that illustrates and charts the course of Bird's historic ascent of Longs Peak allowing travelers real and armchair to share the dangers and discoveries of Isabella Lucy Bird's amazing journey
