Shaw, 2021-03-17 The sacred secular divide permeates our churches our seminaries and our lives By perpetuating the false belief that there are some areas of life that are not important to God some callings that are second class and some spheres of society that are not worth engaging the sacred secular divide diminishes our understanding of God discipleship missiology and the gospel itself Seeking to liberate the global church from the power of this dichotomy *Whole Life Mission for the Whole Church* provides theological educators with the tools they need to combat the sacred secular divide in the very realm where it is so often generated the classroom Filled with contributions from practitioners around the world this book contains a wealth of insight into both the nature of the problem and the possibilities for its solution The approaches suggested here are biblically rooted contextually appropriate and experientially tested offering an excellent resource for educators desiring to transform their institutional cultures curriculums and classrooms into environments that envision empower and liberate the whole church for its role in the mission of God      **Christian Ritualizing and the Baptismal Process** Susan Marie Smith, 2011-11-15 Most people even non Christians know that Christians gather for worship once a week and that they are right there to support each other when there is a baptism or a wedding or a funeral But what about other poignant vulnerable or life changing times How does the church help people handle changes that in the past in Christendom were considered secular Does the church have a role at retirement when one's ministry changes or when a family's children leave home and familiar patterns seem to grind to a halt Is there any rite possible for someone who is called to Christian ministry but not to ordination Or to someone whose vows are broken in divorce *Christian Ritualizing and the Baptismal Process* asserts that baptism marks the beginning of a process of participation in Christ's ministry so that no part of life can finally be considered secular Susan Marie Smith shows how every passage healing and ministry vocation is holy and she lays the groundwork needed for every church to create the rituals necessary to lament and celebrate the endings and beginnings that happen in every Christian life      **RIC.**, 1987      **Work and Faith in Society** Maurice L.
