Lake Of Sorrows:

Lake of Sorrows Erin Hart, 2004 When workers at a vast peat extraction site in the bleak and tortured landscape of the Irish midlands uncover a long buried badly damaged corpse they call in pathologist Nora Gavin The body has apparently been strangled slashed and drowned the ritual triple death of Ireland's blood soaked pagan past But moments after Nora arrives a much more recent victim is discovered Like the ancient body this new corpse seems to have suffered the triple death Nora and her lover archaeologist Cormac Maguire must team up professionally once more Soon they are enmeshed in a web of tangled desires and terrible secrets The danger mounts fuelled by rumours of ancient gold illicit liaisons and long delayed revenge Though they do not realise it Nora and Cormac have come far too close to the truth placing them in ever greater danger of becoming a ruthless killer's next victims

Becoming a

Mountain Stephen Alter, 2015-03-10 Hailed as a wondrous book by Gretel Ehrlich and winner of the Kekoo Naoroji Book Award for Himalayan Literature a journey of healing that becomes a pilgrimage for the soul Stephen Alter was raised by American missionary parents in the hill station of Mussoorie in the foothills of the Himalayas where he and his wife Ameeta now live Their idyllic existence was brutally interrupted when four armed intruders invaded their house and viciously attacked them leaving them for dead The violent assault and the trauma of almost dying left him questioning assumptions he had lived by since childhood For the first time he encountered the face of evil and the terror of the unknown He felt like a foreigner in the land of his birth This book is his account of a series of treks he took in the high Himalayas following his convalescence to Bandar Punch the monkey's tail Nanda Devi the second highest mountain in India and Mt Kailash in Tibet He set himself this goal to prove that he had healed mentally as well as physically and to re knit his connection to his homeland Undertaken out of sorrow the treks become a moving soul journey a way to rediscover mountains in his inner landscape Weaving together observations of the natural world Himalayan history folklore and mythology as well as encounters with other pilgrims along the way Stephen Alter has given us a moving meditation on the solace of high places
