LAMAR DODD.A RETROSPECTIVE EXHIBITION. ,1970 *Lamar Dodd, a Retrospective Exhibition* Lloyd Goodrich,1970 **Lamar Dodd** Lamar Dodd,1970-06 This volume of selected paintings by native Georgian Lamar Dodd was published to accompany a retrospective exhibition in 1970 Mainly works in oil the ninety three plates in this catalog range from the representational to the abstract and chart Dodd s powerful vision from 1929 to 1969 Eighteen paintings are reproduced in full color The catalog also includes basic curatorial information on the paintings a chronology of Dodd s life and career through 1970 and a selection of critical commentary on his work **Retrospective Exhibition** Lamar Dodd, **Lamar Dodd** ,1970 **A Southern Collection** ,1993-02-01 A Southern Collection presents select masterworks from the permanent collection of the Morris Museum of Art on the occasion of the institution s inaugural exhibition Drawn from a comprehensive survey collection of painting in the South from the late eighteenth century to the present day the museum s opening exhibit explores an artistic terrain as rich and diverse as the South itself arranged in categories that reflect critical chronological developments in the art world A survey of painting activity in the South begins with the travels of itinerant portrait artists working prior to the Civil War At the same time landscape painting encompasses a sensitive response to the swamps bayous and fertile fields of the South Late in the nineteenth century strong and vivid genre painting competes with the nostalgic effects realized by Southern impressionists whose shimmering liquid images are invested with an elusive spirit of place In this century those strains of realism and naturalism that characterize the classic body of Southern writing appear in the representational art of painters who defied the modern abstract dictum And finally the exciting compelling works of a current generation of both self taught artists and sophisticated contemporary painters complete this fascinating though sometimes neglected chapter in American art history **The New Encyclopedia of Southern Culture** Judith H. Bonner,Estill Curtis Pennington,Charles Reagan Wilson,2013-01-14 From the Potomac to the Gulf artists were creating in the South even before it was recognized as a region The South has contributed to America s cultural heritage with works as diverse as Benjamin Henry Latrobe s architectural plans for the nation s Capitol the wares of the Newcomb Pottery and Richard Clague s tonalist Louisiana bayou scenes This comprehensive volume shows how through the decades and centuries the art of the South expanded from mimetic portraiture to sophisticated responses to national and international movements The essays treat historic and current trends in the visual arts and architecture major collections and institutions and biographies of artists themselves As leading experts on the region s artists and their work editors Judith H Bonner and Estill Curtis Pennington frame the volume s contributions with insightful overview essays on the visual arts and architecture in the American South *A Legacy of Art* Carol Lowrey,2007 For more than a century a Gilded Age mansion on the south side of New York City s Gramercy Park has been home to the National Arts Club NAC its magnificent interior a refuge from hectic city life In this special catalog Lowrey curator of the club s permanent collection documents selected works by Artist Life

The Truth in Things William U. Eiland, Lamar Dodd, 1996 Eiland discusses the various stylistic shifts of the artist s truth seeking from the realism of the thirties through the cubism and abstract expressionism of the late forties and fifties to his return to a mature naturalism tempered by a growing optimism in the ability of the artist to order and explain the universe
