## **Lamberts George Constant And Kit:**

*Constant Lambert* Stephen Lloyd, 2014 To the economist and ballet enthusiast John Maynard Keynes he was potentially the most brilliant man he d ever met to Dame Ninette de Valois he was the greatest ballet conductor and advisor this country has ever had to the composer Denis ApIvor he was the greatest most lovable and most entertaining personality of the musical world whilst to the dance critic Clement Crisp he was quite simply a musician of genius Yet sixty years after his death Constant Lambert is little known today As a composer he is remembered for his jazz inspired *The Rio Grande* but little more and for a man who devoted the greater part of his life to the establishment of English ballet his work is largely unrecognized today This book looks not only at his music but at his journalism his talks for the BBC his championing of jazz in particular Duke Ellington and more privately his longstanding affair with Margot Fonteyn Book jacket Lamberts Andrew Motion, 2012-07-19 A bald summary does no justice to the subtlety and exceptional lucidity of a book which turns the bland familiar intrinsically worthy stuff of so many fictional family sagas into a biographical triumph Observer Motion has given us an exemplary piece of research and a comparison of three eras that is of compelling interest not least in showing what damage one generation does to the next Sunday Times The story of the three Lamberts is as cruel and horrifying as any Greek tragedy What it may lack in grandeur it makes up for in being true and recent Its portrayal of the way in which the Lamberts instinctively yet unintentionally assisted in the destruction of their own offspring makes for truly compulsive reading Harpers and Queen

**Critical theory and demagogic populism** Paul K. Jones, 2020-11-03 Populism is a powerful force today but its full scope has eluded the analytical tools of both orthodox and heterodox populism studies This book provides a valuable alternative perspective It reconstructs in detail for the first time the sociological analyses of US demagogues by members of the Frankfurt School and compares these with contemporary approaches Modern demagoguery emerges as a key under researched feature of populism since populist movements whether left or right are highly susceptible to demagogic capture The book also details the culture industry s populist contradictions including its role as an incubator of modern demagogues from the 1930s through to today s social media and Trumpian psychotechnics Featuring a previously unpublished text by Adorno on modern demagoguery as an appendix it will be of interest to researchers and students in critical theory sociology politics German studies philosophy and history of ideas as well as all those concerned about the rise of demagogic populism today

**Miscellaneous Verdicts** Anthony Powell, 1992-07 *Miscellaneous Verdicts* represents the best of Anthony Powell s critical writing over a period of four decades Drawn from his regular reviews for the Daily Telegraph from his occasional humorous pieces for Punch and from his more sustained pieces of critical and anecdotal writing on writers this collection is as witty fresh surprising and entertaining as one would expect from the author of *Dance to the Music of Time* Powell begins with a section on the British exploring his fascination both with genealogy and with figures like John Aubrey and writing in depth about writers like Kipling Conrad and Hardy The second section on America also opens

with discussions of family trees in this case presidential ones and includes pieces on Henry James James Thurber American booksellers in Paris Hemingway and Dashiell Hammett Personal encounters and absorbing incidents from the lives of his subjects frequently fill these pages as they do even more in the section on Powell's contemporaries Connolly Orwell Graham Greene and others Finally and aptly the book closes with a section on Proust and matters Proustian including a marvellous essay on what is eaten and drunk and by whom in *A la Recherche du Temps Perdu* An urbane book quietly erudite very sensible highly civilized remarkably useful Anthony Burgess Observer An acute intelligence and fastidious sense of humor make Powell the funniest and most profound living writer of the English language Hugh Montgomery Massingberd Sunday Telegraph Anthony Powell was born in London in 1905 He is the author of seven novels a biography of John Aubrey two plays a collection of memoirs and the twelve volume novel sequence *Dance to the Music of Time*

**Memories of Childhood** Martin Nicholson, 2011-09-21 Martin Nicholson was born in 1937 in Rio de Janeiro where his father was working for Shell. He had sailed across the Atlantic twice before he was three years old the second time just days after the start of the Second World War when the family returned to South America to live near Buenos Aires in Argentina. They returned to England in 1946 to experience the realities of austerity Britain of the 1950s. They faced the bitter winter of 1946-1947 in Sutton Coldfield near Birmingham then moved to Twickenham south west London where they made their first real home. Like many middle class English boys of that era he went through the discipline of boarding school in Swanage on the south coast and at Oundle School Peterborough. This book the first of a projected series of four volumes that will take his memoirs up to retirement from the Diplomatic Service in 1997 tells the story of a childhood constantly on the move but always in the bosom of a secure and loving family his parents and three siblings. *Chiang Yee and His Circle* Paul Bevan, Anne Witchard, Da Zheng, 2022-04-13 This book *Chiang Yee and His Circle* Chinese Artistic and Intellectual Life in Britain 1930-1950 celebrates the life and work of Chiang Yee 1903-1977 a Chinese writer poet and painter who made his home in London England during the 1930s and 1940s. It examines Chiang's relationship with his circle of friends and colleagues in the English capital and assesses the work he produced during his sojourn there. This edited volume with contributions from eleven distinguished scholars tells a story of a Chinese intellectual community in London that up to now has been largely overlooked. It portrays a dynamic picture of the London based migr life during the years that led up to the war and during the conflict that was the catalyst for many of them moving on. In addition the book broadens our understanding of cultural interactions between China and the West in Hampstead one of the most vibrant artistic communities in London. The collected essays convey a striking portrait of a community of Chinese intellectuals in England during World War II and how it interacted with cultural elites in London and elsewhere both as artists and as anti fascist activists. As a whole the volume makes significant points about how people claim status as authentic interpreters of a cultural tradition a process that can pit friends against each other. Kristin Stapleton The University at Buffalo SUNY In this delightful collection of essays a team of experts in literature history and the arts bring to light a world of literary interconnectedness and wartime collaboration seldom explored in scholarship. The perfect resource for anyone who values the humanistic common ground between the East and the West. Jenny H Day Skidmore College *The Royal College of Music and its Contexts* David C. H. Wright, 2019-09-05 A rounded portrait of the Royal College of Music investigating its educational and cultural impact on music and musical life. **"British Music and Modernism, 1895-1960"** Matthew Riley, 2017-07-05 Imaginative analytical and critical work on British music of the early twentieth century has been hindered by perceptions of the repertoire as insular in its references and backward in its style and syntax escaping the modernity that surrounded its composers.
