Mennonite Family History, 2002 **Peace, Faith, Nation** Theron F. Schlabach, 2007-02-02 Peace Faith Nation tells the story of Mennonite and Amish life in nineteenth century America stories of families of churches of communities It tells of work and play of moving and settling of struggling with citizenship of various means including the Old Order ways of church renewal It is a Mennonite history but also an American history At its heart it tells of response to the nationalist individualistic aggressive and progressive spirit of America Most Mennonites were quiet peace oriented communal and humility minded Yet the American spirit beckoned especially as it often came through Protestant revivalism and promised religious renewal

Mennonites and Media: Mentioned in It, Maligned by It, and Makers of It Steven P. Carpenter, 2014-12-31 Anabaptists and Mennonites have often been the subject of media scrutiny sometimes admired at other times maligned Luther called them schwarmar a German word meaning fanatics that alludes to a swarm of bees In contrast American independent film producer John Sayles drew inspiration from Mennonite conscientious objectors for his 1987 award winning film *Matewan* Voltaire's *Candide* features a virtuous Anabaptist Oscar Wilde's play *The Importance of Being Earnest* contains an Anabaptist reference An Anabaptist chaplain is central to Joseph Heller's antiwar classic *Catch 22* President Lincoln and General Stonewall Jackson both had something to say about Mennonites Garrison Keillor tells Mennonite jokes These are just a few of the dozens of fascinating media references dating from the early 1500s through the present which are chronicled and analyzed here Mennonites although often considered media shy have in fact used media to great advantage in shaping their faith and identity Beginning with the *Martyrs Mirror* this book examines the writings of Mennonite authors John Howard Yoder Donald Kraybill Rudy Wiebe Rhoda Janzen and Malcolm Gladwell Citing books film art theater and Ngram the online culturomic tool developed by Harvard University and Google the author demonstrates that Mennonites punch above their weight class in the media and especially in print Signs of the Times, 1895 **Signs of the Times, and Doctrinal Advocate and Monitor**, 1899 **Christian Herald and Signs of Our Times**, 1886 **Sacred Song and the Pennsylvania Dutch** Daniel Jay Grimminger, Don Yoder, 2012 Sheds light on the process of cultural change that occurred over the course of a century or more in the majority of Pennsylvania German communities and churches The Pennsylvania Dutch comprised the largest single ethnic group in the early American Republic of the late eighteenth and early nineteenth centuries Yet like other ethnic minorities in early America they struggled to maintain their own distinct ethnic identity in everything that they did Eventually their German Lutheran and Reformed customs and folkways gave way to Anglo American pressure The tune and chorale books printed for use in Pennsylvania Dutch churches document this gradual process of Americanization including notable moments of resistance to change Daniel Grimminger's *Sacred Song and the Pennsylvania Dutch* is the only in depth study of the shifting identity of the Pennsylvania Dutch as manifested in their music Through a

closer examination of music sources folk art and historical contexts this interdisciplinary study sheds light on the process of cultural change that occurred over the course of a century or more in the majority of Pennsylvania German communities and churches Grimminger's book also provides a model with which to view all ethnic enclaves in America and elsewhere and the ways in which loyalties can shift as a group becomes part of a larger cultural fabric Daniel Grimminger holds a doctorate in sacred music and choral conducting as well as a PhD in musicology He also holds a master of theological studies degree and is a clergyman in the North American Lutheran Church Grimminger teaches at Kent State University and is the pastor at Faith Lutheran Church in Millersburg Holmes County Ohio *Town & County Edition of The American City*, 1917

Publication, 1991 **T&T Clark Handbook of Anabaptism** Brian C. Brewer, 2021-12-30 By utilizing the contributions of a variety of scholars theologians historians and biblical scholars this book makes the complex and sometimes disparate Anabaptist movement more easily accessible It does this by outlining Anabaptism's early history during the Reformation of the sixteenth century its varied and distinctive theological convictions and its ongoing challenges to and influence on contemporary Christianity T T Clark Handbook of Anabaptism comprises four sections 1 Origins 2 Doctrine 3 Influences on Anabaptism and 4 Contemporary Anabaptism and Relationship to Others The volume concludes with a chapter on how contemporary Anabaptists interact with the wider Church in all its variety While some of the authorities within the volume will disagree even with one another regarding Anabaptist origins emphases on doctrine and influence in the contemporary world such differences represent the diversity that constitutes the history of this movement Hex Signs Don Yoder, Thomas E. Graves, 2000 Investigates the possible meanings of hex sign barn decorations both historically and at the present

Internal Revenue Service, 1997 **Troubled by Faith** Owen Davies, 2023 The early nineteenth century witnessed the birth of psychiatry a new medical science that fundamentally changed how mental illness was labelled and understood Troubled by Faith explores how psychiatrists not only thought they were agents of modernity but that they could also explain the occult mysteries of the past They bristled with confidence that in an era of unprecedented change unlocking the secrets of the mind was essential to an ordered and progressive society And a progressive society was one that did not believe in witches ghosts and fairies and did not exhibit excited religious emotions and divine communications Through examining the extensive psychiatric literature from Europe and America Troubled by Faith charts how once widely held popular beliefs were pathologized and how this fundamentally impacted on the notion of criminal and legal responsibility In the second half of the book we listen to the voices of asylum patients as recorded in case books The asylum was an extraordinary cultural space

where under one roof prophets messiahs the bewitched and the haunted mixed and people wrestled with angels devils imps and witches It was a place filled with talk of infernal machines and sinister electrical forces Whether seriously ill and deluded or sane and lucid in their beliefs and imaginings patients experiences were nevertheless reflective of a society being transformed by technology and yet still rooted in the supernatural
