Solitary Impressions Lane Carnes, 2016-07-06 The initial inception for crafting this novella germinated twenty three years ago I wanted to devise a type of autobiography underscoring certain experiences in my life referencing Puerto Rico as the backdrop for its creation While exploring and searching for my personal ensimismamiento search within I adhere to the literary flow of consciousness technique in my prose for ruminating on life's meaning interconnecting my individual and global perspectives My discourse is derived from my respective perceptions and academic training along with knowledge gained from my travels to Latin America and Europe For me writing and speculating on life can be encapsulated at specific and well defined moments In the summer of 2014 I remember sitting with my wife at a shaded table drinking caf con leche inside the 18th century courtyard of Plaza Mayor in Salamanca Spain There I opened my journal and composed one of a series of poems in Spanish during our seven day sojourn in this illustrious World Heritage City Free verse and stream of consciousness represent the modes of communication for expressing the thoughts I choose to explore Here I define my place as a quasi philosopher in the silent contemplation of ideas recorded simply with papier et stylo paper and pen

Preachers and Misfits, Prophets and Thieves G. Lee Ramsey, 2008-01-01 In this compelling book G Lee Ramsey Jr mines the riches of southern fiction and discovers a colorful assortment of ministers who arise out of the religious South At once mystical and mischievous these ministers haunt the margins of southern life while preaching a gospel that startles and compels But their oddness is also their appeal and part of their gift For through these colorful portraits of Christian ministry today's readers are challenged to think about what matters in ministry and to re imagine ministry in ways that bring new life to the church and community Throughout Ramsey shows how ministers such as Roger Hagan in Will Campbell's *The Convention* and Hazel Motes in Flannery O'Connor's *Wise Blood* can help show us the stumbling blocks to faithful ministry and steer clergy and congregations forward in today's world

God's War Christopher Tyerman, 2007-10-04 Wonderfully written and characteristically brilliant Peter Frankopan author of *The Silk Roads* Elegant readable an impressive synthesis Not many historians could have done it Jonathan Sumption *Spectator* Tyerman's book is fascinating not just for what it has to tell us about the Crusades but for the mirror it holds up to today's religious extremism Tom Holland *Spectator* Thousands left their homelands in the Middle Ages to fight
