Land And People Of Pakistan:

The Land and People of Pakistan Mark Weston,1992 An introduction to the history geography government economy culture and people of Pakistan **Pakistan - The Land** Carolyn Black,2003 Brilliant full color photographs explore Pakistan's varied landscape including mountain glaciers the Indus River the Thar Desert and the Himalaya mountains Children will enjoy learning about Pakistan's bustling cities and bazaars the Karakoram Highway monsoons and more The Land and People of Pakistan, Etc. [With Plates.] Herbert FELDMAN,1958 **The Land and People of Pakistan** Robert Lang,1968 Discusses the history culture education and religion of the Pakistanis and describes their problems under British rule and as an independent nation **Pakistan** Anatol Lieven,2011-04-12 An expert's compelling portrait of the complex volatile country now situated at the fulcrum of international concerns The Christians of Pakistan Linda Walbridge,2012-10-12 In May 1998 John Joseph the first native Pakistani Catholic bishop shot himself in front of the courthouse where a Christian had been sentenced to death for blasphemy This book tells the story of the Christians in Pakistan with Bishop Joseph as its centrepiece It is an account of outcasts who sought hope through Christianity but who now find themselves victims of a struggle to define Islam in Pakistan The majority of Pakistani Christians are descendants of untouchables converted to Christianity in the late 19th century In Pakistan a minority religion is linked with low status perpetuating the Indian Hindu caste system even though the Muslim majority has disassociated itself from all things Hindu and Indian The book also deals with enculturation in the Pakistani church the rise of native clergy conflicts between the local church and Rome the rise of fundamentalist Islam and the position of women in society and church The Publishers' Trade List Annual ,1973

North-East India: Land, People and Economy K.R. Dikshit,Jutta K Dikshit,2013-10-21 North East India comprising the seven contiguous states around Assam the principal state of the region is a relatively unknown yet very fascinating region The forest clad peripheral mountains home to indigenous peoples like the Nagas Mizos and the Khasis the densely populated Brahmaputra valley with its lush green tea gardens and the golden rice fields the moderately populated hill regions and plateaus and the sparsely inhabited Himalayas form a unique mosaic of natural and cultural landscapes and human interactions with unparalleled diversity The book provides a glimpse into the region's past and gives a comprehensive picture of its physical environment people resources and its economy The physical environment takes into account not only the structural base of the region its physical characteristics and natural vegetation but also offers an impression of the region's biodiversity and the measures undertaken to preserve it The people of the region especially the indigenous population inhabiting contrasting environments and speaking a variety of regional and local dialects have received special attention bringing into focus the role of migration that has influenced the traditional societies for centuries The book acquaints the readers with spatial distribution life style and culture of the indigenous people outlining the unique features of each tribe The economy of the region depending originally on primitive farming and cottage industries like silkworm rearing but now greatly

transformed with the emergence of modern industries power resources and expanding trade is reviewed based on authentic data and actual field observations The epilogue the last chapter in the book summarizes the authors perception of the region and its future

Land and Land Appraisal R.O. Whyte,2012-12-06 This book is designed to present those principles and techniques for land appraisal which are applicable to all developing countries Examples of specific situations in which these techniques have been or might be adopted are taken primarily from monsoonal and equatorial Asia It is in this region that the land food population problem is most acute It is also the writer s region of specialization over the past ten years out of a total of some twenty five years working in or closely concerned with Asia an attempt has been made to examine the major problems of land potential in relation to rural economy and nutrition in the whole region and in particular to show to what extent its different parts resemble or differ from each other The geographical scope comprises mainland southern southeast and east Asia from Pakistan to the People s Republic of China and Korea with the insular monsoonal and equatorial lands of Sri Lanka Indonesia East Malaysia Philippines Taiwan and Japan part International and bilateral agencies and specialists outside Asia repeatedly insist that Asia must learn to feed itself from the produce of its own land or from imported foods paid for by the exports of primary and secondary commodities and of manufactured products to the developed world The Land and People of Pakistan Herbert Feldman,1958

No Land's People Abhishek Saha,2021-03-12 The preparation of the National Register of Citizens NRC in Assam was an unprecedented exercise that sought to establish Indian citizenship of the state s 33 million residents The process intersected with the already existing parallel mechanisms of citizenship determination in the state The final list published on 31 August 2019 left out around 1.9 million applicants who risk being rendered stateless after their appeals are heard by the state s Foreigners Tribunals The NRC s narrative is expansive and complex a blend of history politics law human rights and administrative red tape No Land s People documents the unfolding humanitarian crisis in Assam s citizenship tangle juxtaposes it with the complications of the NRC process while exploring technical social and legal aspects of the exercise
