Mahaffie, 2003 From 1604 to 1755 the Acadian settlers of present day Nova Scotia and New Brunswick were the focus of political economic and military rivalries between France and Britain Their stubborn nonconformity and political neutrality baffled and infuriated both European powers fighting for the upper hand Finally Britain s drastic solution was to expel them from their homes Little has been published about early Acadia which included much of the Maine coast and the Maritimes and the origins of the Acadians This rich story peopled with memorable men and women whose lives make fascinating reading is skillfully chronicled by retired attorney and historical writer Charles Mahaffie

French Missionaries in Acadia/Nova Scotia, 1654-1755 Matteo Binasco, 2022-10-11 This book investigates and assesses how and to what extent the French Catholic missionaries carried out their evangelical activity amid the natives of Acadia Nova Scotia from the mid seventeenth century until 1755 the year of the Great Deportation of the Acadians It provides a new understanding of the role played by the French missionaries in the most peripheral and less populated area of Canada during the colonial period The decision to focus on this period is dictated by the need to investigate how and to which extent the French missionaries sought to carry out their activity within a contested territory which was exposed to the pressures coming out of both French and British imperial interests
