## **Land Reform And Social Change In Iran:**

*Land Reform and Social Change in Iran* Afsaneh Najmabadi, 1987      **Social Change in Iran** Behzad Yaghmaian, 2012-02-01 Social Change in Iran is an inquiry into the recent changes in Iran blending scholarly analysis eyewitness accounts and the author's personal experiences It tells the stories of everyday people be it young men and women challenging the cultural and social mandates of the Islamic Republic or workers toiling at multiple jobs to overcome harsh economic realities This passionate homage to the people of Iran as told by a native is a glimpse into the human feelings and aspirations of a people subjected to varying forms of violence at home and widespread misunderstanding abroad At the same time Yaghmaian provides an informed analysis of the widening political divide within the state and the emergence of a movement for reform both of which have shaken the seemingly indisputable foundations of the Islamic Republic      Land Reform, State Policy, and Social Change in Iran Abol Hassan Danesh, 1992      **The Unthinkable Revolution in Iran** Charles Kurzman, 2005-09-06 The shah of Iran Mohammad Reza Pahlavi would remain on the throne for the foreseeable future This was the firm conclusion of a top secret CIA analysis issued in October 1978 One hundred days later the shah despite his massive military fearsome security police and superpower support was overthrown by a popular and largely peaceful revolution But the CIA was not alone in its myopia as Charles Kurzman reveals in this penetrating work Iranians themselves except for a tiny minority considered a revolution inconceivable until it actually occurred Revisiting the circumstances surrounding the fall of the shah Kurzman offers rare insight into the nature and evolution of the Iranian revolution and into the ultimate unpredictability of protest movements in general As one Iranian recalls The future was up in the air Through interviews and eyewitness accounts declassified security documents and underground pamphlets Kurzman documents the overwhelming sense of confusion that gripped pre revolutionary Iran and that characterizes major protest movements His book provides a striking picture of the chaotic conditions under which Iranians acted participating in protest only when they expected others to do so too the process approaching critical mass in unforeseen and unforeseeable ways Only when large numbers of Iranians began to think the unthinkable in the words of the U S ambassador did revolutionary expectations become a self fulfilling prophecy A corrective to 20/20 hindsight this book reveals shortcomings of analyses that make the Iranian revolution or any major protest movement seem inevitable in retrospect      *Iran* Abbas Amanat, 2017-10-24 A masterfully researched and compelling history of Iran from 1501 to 2009 This history of modern Iran is not a survey in the conventional sense but an ambitious exploration of the story of a nation It offers a revealing look at how events people and institutions are shaped by currents that sometimes reach back hundreds of years The book covers the complex history of the diverse societies and economies of Iran against the background of dynastic changes revolutions civil wars foreign occupation and the rise of the Islamic Republic Abbas Amanat combines chronological and thematic approaches exploring events with lasting implications for modern Iran and the world Drawing on diverse historical scholarship and emphasizing the twentieth

century he addresses debates about Iran's culture and politics. Political history is the driving narrative force given impetus by Amanat's decades of research and study. He layers the book with discussions of literature, music, and the arts, ideology, and religion, economy, and society, and cultural identity and heritage. The Formation of Modern Kurdish Society in Iran Marouf Cabi, 2021-11-04. Although the Kurds have attracted widespread international attention, Iranian Kurdistan has been largely overlooked. This book examines the consequences of modernity and modernisation for Iran's Kurdish society in the 20th century. Marouf Cabi argues that while state-led modernisation integrated the Kurds in modern Iran, the homogenisation of identity and culture also resulted in their vigorous pursuit of their political and cultural rights. Focusing on the dual process of state-led modernisation and homogenisation of identity and culture, Cabi examines the consequences of modernity and modernisation for the socioeconomic, cultural, and political structures, as well as for gender relations. It is the consequences of this dynamic dual process that explains the modern structures of Iran's Kurdish society on the one hand and its intimate relationship with Iran as a historical, geographical, and political entity on the other. Using Persian, Kurdish, and English sources, the book explores the transformation of Kurdish society between the Second World War and the 1979 Iranian Revolution, with a special focus on the era of the White Revolution during the 1960s and 1970s. Imagining Iran Majid Sharifi, 2013-08-22. Thematically, this book problematizes Iranian official nationalism. It reviews how every modern Iranian regime since the constitutional revolution of the 1905-06 has failed to legitimize its official identity, resulting in the fall of five different regimes. The book details how the collapse of each regime resulted in the interruption of the official meaning of being Iranian, as well as the meanings of its enemies. What remained the same was how every Iranian regime represented itself as the agent of a particular national desire defined in terms of making Iran to become sovereign, developed, democratic, and constitutional. Nonetheless, no regime was able to convince a great majority of the people that it achieved what it represented. This book makes three specific contributions. The first contribution is pedagogical. By focusing on the dynamics of regime changes, it provides a heuristic model for identifying challenges that all Iranian regimes have faced. Moreover, the book is a comprehensive review of the disruptive, oppressive, and bloody nature of the rise and fall of different regimes. The second contribution is theoretical. Rather than examining the behavior of various Iranian regimes in isolation from their international context, the book examines how each regime got to understand itself in relation to its imperial others. By examining the governmental rationality of each regime, the book offers a better theoretical framework for understanding political development not only in Iran but also in all other Middle Eastern and South Asian states. Finally, the third contribution of this book is its critical approach to the main body of the literature on Iran, modernity, development, democracy, and constitutionalism. **Petroleum and Progress in Iran** Gregory Brew, 2022-12-22. From the 1940s to the 1960s, Iran developed into the world's first petro-state, where oil represented the bulk of state revenue and supported an industrializing economy, expanding middle class, and powerful administrative and military apparatus. Drawing on both American and Iranian sources,

Gregory Brew outlines how the Pahlavi petro state emerged from a confluence of forces some global some local He shows how the shah s particular form of oil based authoritarianism evolved from interactions with American developmentalists Pahlavi technocrats and major oil companies all against the looming backdrop of the United States Cold War policy and the coup d etat of August 1953 By placing oil at the centre of the Cold War narrative Brew contextualises Iran s pro Western alignment and slide into petrolic authoritarianism Synthesising a wide range of sources and research methods this book demonstrates that the Pahlavi petro state was not born but made and not solely by the Pahlavi shah

**State and Rural Development in the Post-Revolutionary Iran** A. Shakoori,2001-05-04 Rural reform policy has been an important part of the government policy in post revolutionary Iran This book seeks to examine the post revolutionary rural policies and their socio economic impact on rural people After reviewing the main debates on rural development literature and providing the historical background of agrarian change in the pre revolutionary era it examines the post revolutionary rural reforms in separate parts the effects of the government agricultural policies on agricultural performance and the post revolutionary reorganisational policies and the impact of rural strategies on the socio economy of the rural life at village level

The Last Shah Ray Takeyh,2021-01-26 The surprising story of Iran s transformation from America s ally in the Middle East into one of its staunchest adversaries An original interpretation that puts Iranian actors where they belong at center stage Michael Doran Wall Street Journal An extraordinary account Deeply nuanced and eloquent Benjamin Weinthal Jerusalem Post Offering a new view of one of America s most important infamously strained and widely misunderstood relationships of the postwar era this book tells the history of America and Iran from the time the last shah Mohammad Reza Pahlavi was placed on the throne in 1941 to the 1979 revolution that brought the present Islamist government to power This revolution was not as many believe the popular overthrow of a powerful and ruthless puppet of the United States rather it followed decades of corrosion of Iran s political establishment by an autocratic ruler who demanded fealty but lacked the personal strength to make hard decisions and ultimately lost the support of every sector of Iranian society Esteemed Middle East scholar Ray Takeyh provides new interpretations of many key events including the 1953 coup against Prime Minister Mohammad Mossadeq and the rise of Ayatollah Ruhollah Khomeini significantly revising our understanding of America and Iran s complex and difficult history

Iran's Reconstruction Jihad Eric Lob,2020-02-27 The first full length study to examine the significance of the critical but neglected Iranian organization and ministry Reconstruction Jihad

*Iran* ,2007-08-24 On June 24 2005 after nearly ten years of supporting liberal reform the people of Iran surprised the world by electing the conservative mayor of Tehran Mahmoud Ahmadinejad as their new president Soon after the new president announced Iran would restart its uranium enrichment program drawing international criticism and condemnation from leaders in Europe and the United States Many observers suspect it is the desire to produce not nuclear energy but nuclear weapons that lies behind Iran s controversial decision Ever since President George W Bush described Iran Iraq and North Korea as the Axis of Evil

**Iran's Political Economy since the Revolution** Suzanne

Maloney, 2015-08-13. Over three decades after the Iranian Revolution reconfigured the strategic landscape in the Middle East, scholars are still trying to decipher its aftereffects. Suzanne Maloney provides the first comprehensive overview of Iran's political economy since the 1979 revolution and offers detailed examinations of two aspects of the Iranian economy of direct interest to scholars and non-specialist readers of Iran: the energy sector and the role of sanctions. Based on the author's research as both a scholar and government advisor, the book also features interviews with American and Iranian government officials. Moving chronologically from the early years under Khomeini through the economic deprivations of the 1980s during the Iran Iraq war, through liberalization under Khatami to the present, Maloney offers fascinating insights into Iran's domestic politics and how economic policies have affected ideology, leadership priorities, and foreign relations.

The I.B. Tauris Handbook of Iranian Cinema Michelle Langford, Maryam Ghorbankarimi, Zahra Khosroshahi, 2024-10-31. This volume brings together scholarship from both established scholars and early career academics to provide fresh insights and new research on the cinema of Iran. The book is organized around eight broad themes including cinema before and after the revolution, stylistic innovation, documentary, gender, and genre. Encompassing a diverse range of methodological approaches and disciplinary frameworks including film studies, cultural studies, and political economy, each chapter is a self-contained study on a specific topic engaging with the national and transnational history of Iranian cinema which combined provide readers with original new insights into Iranian film and filmmakers from fiction films to art house and popular cinema. The Handbook includes analysis of the works of established filmmakers such as Bahram Beyzaie, Rakhshan Banetamad, Abbas Kiarostami, and Mohsen Makhmalbaf, as well as the output of emerging voices such as Ida Panahandeh and Shahram Mokri. Covering well known topics as well as cutting edge ones such as the sonic and visual manifestations of the urban environment in Iranian films.

this book is a vital resource for understanding Iran and its unique cinematic culture      *A History of Social Justice and Political Power in the Middle East* Linda T. Darling, 2013-05-02 From ancient Mesopotamia into the 20th century the Circle of Justice as a concept has pervaded Middle Eastern political thought and underpinned the exercise of power in the Middle East The Circle of Justice depicts graphically how a government's justice toward the population generates political power military strength prosperity and good administration This book traces this set of relationships from its earliest appearance in the political writings of the Sumerians through four millennia of Middle Eastern culture It explores how people conceptualized and acted upon this powerful insight how they portrayed it in symbol painting and story and how they transmitted it from one regime to the next Moving towards the modern day the author shows how although the Circle of Justice was largely dropped from political discourse it did not disappear from people's political culture and expectations of government The book demonstrates the Circle's relevance to the Iranian Revolution and the rise of Islamist movements all over the Middle East and suggests how the concept remains relevant in an age of capitalism A must read for students policymakers and ordinary citizens this book will be an important contribution to the areas of political history political theory Middle East studies and Orientalism      **Islam, Gender, & Social Change** Yvonne Yazbeck Haddad, John L. Esposito, 1998 The essays collected in this book place this issue in its historical context and offer case studies of Muslim societies from North Africa to Southeast Asia These fascinating studies shed light on the impact of the Islamic resurgence on gender issues in Iran Egypt Jordan Pakistan Oman Bahrain the Philippines and Kuwait Taken together the essays reveal the wide variety that exists among Muslim societies and believers and the complexity of the issues under consideration      **A Mission for Development** Richard Garlitz, 2018-07-02 A Mission for Development tells the remarkable story of faculty from three Utah universities who lived and worked in Iran as part of the Point Four Program Using the experience of these advisors the book reexamines the rise and fall of the US Iranian alliance and explores the roles that American universities played in international development during the Cold War The Point Four Program sponsored American technical assistance for developing countries during the 1950s an American Cold War strategy to cultivate friendly governments and economic development in countries purportedly susceptible to Communist influence Between 1951 and 1964 advisors from Brigham Young University sought to modernize Iranian public education experts from Utah State University worked to improve agricultural production and doctors and nurses from the University of Utah helped with the Iranian government's rural health initiatives In A Mission for Development author Richard Garlitz offers a critical and clear-eyed assessment of the challenges the Utahns faced and the contributions they made to Iranian development The book also reexamines the Iranian political crisis of the early 1950s and the overthrow of Prime Minister Mohammad Mossadegh through the eyes of the Utah advisors A Mission for Development provides rare insight into the university role in international development and will be of interest to historians and policy makers      **Tribal Politics in Iran** Stephanie Cronin, 2007-01-24 Placing Iran's tribal problem in its historical context Tribal

Politics in Iran provides an overall assessment on the impact of this crucial period on the character of tribe state relations in Iran to the end of Pahlavi rule and in the Islamic Republic It analyzes the political and socio economic factors undermining tribal politics under the regime of Reza Shah and examines the division which took place regarding the tribal problem The author argues that on the one hand it lead to modern ethnic nationalism and on the other detribalization and absorption into wider class or ideology based organizations happened Looking particularly at the land reform of the early 1960s and the revolution of 1979 Cronin also discusses the final disappearance of the khans as a political force and the rise of a new tribal leadership loyal to and dependent upon the regime This innovative and important work challenges conventional political and scholarly approaches to tribal politics     *Iran* Laura Etheredge Assistant Editor, Middle East Geography,2011-01-15

Examines the culture politics and history of Iran and describes the geography of the country     **Eternal Iran** P. Clawson,M.
