The Great Hacienda, Transl. Alvin Eustis. Pref. Lesley Byrd Simpson* François Chevalier,Alvin Eustis,Lesley Byrd Simpson,1970 *Land and Society in Colonial Mexico* Francois Chevalier,1966 *The Oxford Handbook of the Jesuits* Ines G. Zupanov,2019-05-15 Through its missionary pedagogical and scientific accomplishments the Society of Jesus known as the Jesuits became one of the first institutions with a truly global reach in practice and intention The Oxford Handbook of the Jesuits offers a critical assessment of the Order helping to chart new directions for research at a time when there is renewed interest in Jesuit studies In particular the Handbook examines their resilient dynamism and innovative spirit grounded in Catholic theology and Christian spirituality but also profoundly rooted in society and cultural institutions It also explores Jesuit contributions to education the arts politics and theology among others The volume is organized in seven major sections totaling forty articles on the Order s foundation and administration the theological underpinnings of its activities the Jesuit involvement with secular culture missiology the Order s contributions to the arts and sciences the suppression the Order endured in the 18th century and finally the restoration The volume also looks at the way the Jesuit Order is changing including becoming more non European and ethnically diverse with its members increasingly interested in engaging society in addition to traditional pastoral duties A History of Latin America to 1825 ,2011-08-24 The updated and enhanced third edition of A History of Latin America to 1825 presents a comprehensive narrative survey of Latin American history from the region s first human presence until the majority of Iberian colonies in America emerged as sovereign states c 1825 This edition features new content on the history of women gender Africans in the Iberian colonies and pre Columbian peoples Includes more illustrations to aid learning over 50 figures

and photographs several accompanied by short essays Concentrates on the colonial period and earlier expanding coverage of the period and incorporating more social and cultural history with the political narrative Part of The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production

Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

[The Indian in Latin American History](#) John E. Kicza, 1999-09-01 Initially decimated by disease and later faced with the loss of their lands and their political autonomy Latin American Indians have displayed remarkable resilience They have resisted cultural hegemony with rebellions and have initiated petitions to demand remedies to injustices while consciously selecting certain aspects of the West to incorporate into their cultures Leading historians anthropologists and sociologists examine Indian Western relationships from the Spaniards initial contact with the Incas to the cultural interplay of today's Latin America This revised edition contains four brand new chapters and a revised introduction The list of suggested readings and films has also been updated

Latin American Law M. C.

Mirow, 2010-01-01 Private law touches every aspect of people's daily lives landholding inheritance private property marriage and family relations contracts employment and business dealings and the court records and legal documents produced under private law are a rich source of information for anyone researching social political economic or environmental history But to utilize these records fully researchers need a fundamental understanding of how private law and legal institutions functioned in the place and time period under study This book offers the first comprehensive introduction in either English or Spanish to private law in Spanish Latin America from the colonial period to the present M C Mirow organizes the book into three substantial sections that describe private law and legal institutions in the colonial period the independence era and

nineteenth century and the twentieth century Each section begins with an introduction to the nature and function of private law during the period and discusses such topics as legal education and lawyers legal sources courts land inheritance commercial law family law and personal status Each section also presents themes of special interest during its respective time period including slavery Indian status codification land reform and development and globalization

Climate and Society in Colonial Mexico Georgina H. Endfield, 2011-07-20 By considering three case study regions in Mexico during the Colonial era *Climate and Society in Colonial Mexico A Study in Vulnerability* examines the complex interrelationship between climate and society and its contemporary implications Provides unique insights on climate and society by capitalizing on Mexico's rich colonial archives Offers a unique approach by combining geographical and historic perspectives in order to comprehend contemporary concerns over climate change Considers three case study regions in Mexico with very different cultural economic and environmental characteristics

De León, a Tejano Family History A. Carolina Castillo Crimm, 2003 La familia de Le n was one of the foundation stones on which Texas was built Mart n de Le n and his wife Patricia de la Garza left a comfortable life in Mexico for the hardships and uncertainties of the Texas frontier in 1801 Together they established family ranches in South Texas and in 1824 the town of Victoria and the de Le n colony on the Guadalupe River along with Stephen F Austin's colony the only completely successful colonization effort in Texas They and their descendents survived and prospered under four governments as the society in which they lived evolved from autocratic to republican and the economy from which they drew their livelihood changed from one of mercantile control to one characterized by capitalistic investments Combining the storytelling flair of a novelist with a scholar's concern for the facts Ana Carolina Castillo Crimm here recounts the history of three generations of the de Le n family She follows Mart n and Patricia from their beginnings in Mexico through the establishment of the family ranches in Texas and the founding of the de Le n colony and the town of Victoria Then she details how after Mart n's death in 1834 Patricia and her children endured the Texas Revolution exile in New Orleans and Mexico expropriation of their lands and after returning to Texas years of legal battles to regain their property Representative of the experiences of many Tejanos whose stories have yet to be written the history of the de Le n family is the story of the Tejano settlers of Texas

Latin America Jan Knippers Black, 2018-04-17 Now in a fifth edition *Latin America* has been updated to reflect the region's growing optimism as economies stabilize trade diversifies and political systems become more participatory This multidisciplinary survey of Latin American history politics and society features invited contributions from authorities in a variety of fields New sections address current events including deforestation in Costa Rica and Brazil emerging social movements Ecuador's new constitution and Obama's stated objectives to repair U S relations with the region In addition key topics such as women and Latin American politics socialist governments and anti American sentiment Argentina's deteriorating economy and Colombia's struggle with military and narcotics issues receive expanded and revitalized treatment Other updated material covers outcomes of recent elections in Bolivia Brazil and

Nicaragua among others Through a hybrid thematic and regional organization this text provides an essential foundation for introductory courses on Latin America **The Body of the Conquistador** Rebecca Earle, 2012 Could European bodies thrive in the Indies Would Indians turn into Spaniards if they ate Spanish food This fascinating history of food colonisation and race shows that attitudes about food were fundamental to European colonialism and understandings of physical difference in the Age of Discovery
