The Golden Mountain: Marvellous Tales of Rabbi Israel Baal Shem and His Great-Grandson, Rabbi Nachman, Retold from Hebrew, Yiddish and German Sources Nahman (of Bratslav), 1932-01-01 When God was about to create Adam a number of souls knowing that all of the souls then living in heaven would share in the sin of created Adam fled to a far place outside the boundaries of heaven and hid themselves in a corner of chaos There they waited until after the first sin was done Only that band of hidden souls escaped the evil touch of Adam s sin And they are the Innocent souls When the Enemy becomes powerful on earth and stretches mountains of black clouds between man s earth and heaven when men become knotted with evil and lose their Godly form then the Almighty goes up to the highest of his regions and seeks out one of his Innocent souls He says to the Innocent soul Go down and purify the earth Such were the souls of Abraham of Isaac and of Jacob such was the soul of Noah such were the souls of the great prophets of the great scribes and of the great rabbis The soul of the Messiah is prince among this band of Innocent souls and when the time of Redemption arrives Messiah himself will come down from the highest of heavens Then the Enemy will disappear forever The soul of Rabbi Israel the Baal Shem Tov was one of that band of innocents who escaped the sin of Eden And this is how he came to be born on earth In a hamlet in the district of Moldau there lived the pious Rabbi Eleazer His wife was a virtuous woman she was the daughter of a pious Jew of the city of Okup Tartars attacked the valleys of Moldau pillaged the villages slaughtered many Jews and carried off others into slavery Rabbi Eleazer was one of those taken captive His wife said I will wait for his return until the end of my days and if he does not return to me in this world I will meet him in the next world In heaven Elijah came to God and said See

how the Jews suffer It is time to send an Innocent soul down to earth to sweeten the lives of the Jews God said Not yet For many weeks Eleazer voyaged with the barbarians On land he was forced to carry heavy burdens On sea he was chained to an oar and made to row as a galley slave At last coming to a strange shore the Tartars took the Jew into the city and sold him in the marketplace as a slave He was purchased by the King s Grand Vizier who soon perceived that the slave though of a race unknown to him was a person of unusual intelligence Rabbi Eleazer had kept count of the days When Sabbath came he begged his master to permit him to rest on that day This the Vizier granted and Rabbi Eleazer did not work on Sabbath The only duty of Rabbi Eleazer when he was a slave was to watch for the time when his master the Vizier returned from his audience with the King then Rabbi Eleazer would wash the feet of the Grand Vizier Thus the slave had a great deal of time to pass Rabbi Eleazer knew by heart the Psalms of David and he passed his days singing the Psalms He was not happy for he felt himself alone away from his people and he prayed God that he might be released to go home to his wife and to live among other Jews At last he could bear his life in the court no longer and he thought of flight One night he crept from his bed and made his way through the halls of the palace until he reached the gate There he saw the guard asleep His naked sword fallen from his hand lay at his side The keys were bound to his girdle Rabbi Eleazer looked at the sword and said to himself To take the keys I must lift the sword and slay the man Instead he returned and remained in captivity One year the King besieged a neighbouring city The city was strong and withstood his attack Then the King did not know what to do he asked of his advisers whether his army should continue to stand in their boats on the river before the walls of the city becoming themselves weaker while they waited for the enemy to weaken or whether he should risk all of his men in a charge upon the walls The Vizier did not know what advice to give and fell therefore into disfavour with the King When the Vizier came home Eleazer saw that he was troubled He began as every day to wash his master s feet The Vizier sighed and said Would that my own task were so simple

Logic, Language and Reality Bimal Krishna Matilal,2008-01-01 The word philosophy as well as the conjuring expression Indian philosophy has meant different things to different people endeavours and activities old and new grave and frivolous edifying and banal esoteric and exoteric In this book the author has chosen deliberately a very dominant trend of the classical Sanskrit philosophical literature as his subject of study The age of the material used here demands both philological scholarship and philosophical amplification Classical pramanasastras usually deal with the theory of knowledge the nature of inference and language and the related questions of ontology and semantics Several important concepts and theories have been singled out for critical analysis and clarification in modern terms so that the results may be intelligible to modern students of both Sanskrit and philosophy It is hoped that such an attempt will kindle the enthusiasm of young scholars in the field and inspire them to proceed in this comparatively new area of research and explore further and more interesting possibilities **Bound Feet Walk** River Stone,AI,2025-02-27 Bound Feet Walk intimately explores the life of a Chinese woman navigating early 20th century China and immigrating to America highlighting themes of female resilience and

cultural clash The book delves into the oppressive practice of foot binding a tradition that physically and socially restricted women and contrasts it with the immigrant experience in America where Chinese newcomers faced discrimination and hardship The narrative emphasizes the protagonist s journey from physical bondage to intellectual and emotional liberation offering a nuanced perspective on immigrant assimilation This biography unfolds in three parts the protagonist s early life in China her arduous journey to America and her efforts to establish herself and contribute to her community Using historical research family records and oral histories the book provides a comprehensive portrayal of her life and social context It reveals how even within restrictive circumstances the human spirit can triumph through determination and adaptability By weaving together a personal story with the broader historical narrative of Chinese immigration *Bound Feet Walk* offers a compelling exploration of its themes This book is valuable to those interested in women s history immigration studies and Chinese culture presenting factual information in an engaging and accessible manner *Voyage to Himavat* Navdeep
