## Land Of Maybe:

**The Land of Maybe** Tim Ecott, 2021-09-09 In this excellent book Ecott's evocative telling makes me want to go to this weird and wonderful place PAUL THEROUX I never want to leave the remote island world so atmospherically precisely educed between the covers of this book Ecott's prose has the power of tides his perception is as searching as the Atlantic wind and he has the soul of a natural born naturalist A masterpiece JOHN LEWIS STEMPLE Following the natural cycle of the year The Land of Maybe captures the essence of slow life on the 18 remote mysterious islands which make up the Faroes in the North Atlantic Closer to the UK than Denmark this fast disappearing world is home to a close knit society where just 50 000 people share Viking roots and a language that is unlike any other in Scandinavia We follow the arrival of the migratory birds the over wintering of the sheep and the way food is gathered and eaten in tune with the seasons Buffeted by the weather and the demands of a volatile natural environment people still hunt seabirds and herd pilot whales for a significant portion of their basic food needs This is not a travelogue but a deeper exploration of how to be in a tough landscape a study of a people and a way of life that represents continuity and a deep connection to the past The Land of Maybe offers not just a refuge from the freneticism of modern life but lessons about where we come from and how we may find a balance in our lives

**Love and Rage** Lama Rod Owens, 2020-06-16 A LOS ANGELES TIMES BESTSELLER In the face of systemic racism and state sanctioned violence how can we metabolize our anger into a force for liberation White supremacy in the United States has long necessitated that Black rage be suppressed repressed or denied often as a means of survival a literal matter of life and death In Love and Rage Lama Rod Owens coauthor of Radical Dharma shows how this unmetabolized anger and the grief hurt and transhistorical trauma beneath it needs to be explored respected and fully embodied to heal from heartbreak and walk the path of liberation This is not a book about bypassing anger to focus on happiness or a road map for using spirituality to transform the nature of rage into something else Instead it is one that offers a potent vision of anger that acknowledges and honors its power as a vehicle for radical social change and enduring spiritual transformation Love and Rage weaves the inimitable wisdom and lived experience of Lama Rod Owens with Buddhist philosophy practical meditation exercises mindfulness tantra pranayama ancestor practices energy work and classical yoga The result is a book that serves as both a balm and a blueprint for those seeking justice who can feel
