*Racist Love* Leslie Bow, 2021-12-13 In *Racist Love* Leslie Bow traces the ways in which Asian Americans become objects of anxiety and desire Conceptualizing these feelings as racist love she explores how race is abstracted and then projected onto Asianized objects Bow shows how anthropomorphic objects and images such as cartoon animals in children's books home decor and cute tchotchkes contemporary visual art and artificially intelligent robots function as repositories of seemingly positive feelings and attachment to Asianness At the same time Bow demonstrates that these Asianized proxies reveal how fetishistic attraction and pleasure serve as a source of anti Asian bias and violence By outlining how attraction to popular representations of Asianness cloaks racial resentment and fears of globalization Bow provides a new means of understanding the ambivalence surrounding Asians in the United States while offering a theory of the psychological affective and symbolic dynamics of racist love in contemporary America **Black Like Us** Devon W. American Poets Guiyou Huang,2002-05-30 Even though Asian American literature is enjoying an impressive critical popularity attention has focused primarily on longer narrative forms such as the novel And despite the proliferation of a large number of poets of Asian descent in the 20th century Asian American poetry remains a neglected area of study Poetry as an elite genre has not reached the level of popularity of the novel or short story partly due to the difficulties of reading and interpreting poetic texts The lack of criticism on Asian American poetry speaks to the urgent need for scholarship in this area since perhaps more than any other genre poetry most forcefully captures the intense feelings and emotions that Asian Americans have experienced about themselves and their world This reference book overviews the tremendous cultural contributions of Asian American poets Included are alphabetically arranged entries on 48 American poets of Asian descent most of whom have been active during the latter half of the 20th century Each entry begins with a short biography which sometimes includes information drawn from personal interviews The entries then discuss the poet s major works and themes including such concerns as family racism sexism identity language and politics A survey of the poet s critical reception

follows In many cases the existing criticism is scant and the entries offer new readings of neglected works The entries conclude with bibliographies of primary and secondary texts and the volume closes with a selected general bibliography

*Precise Machine* Dennis Barone, 2006 Fiction Prose Poetry PRECISE MACHINE is a collection of poetic fictions that swell in multiple dimensions These pieces take us around the globe and through history in an epic of moments large and small a bike s flat tire a moment of teenage comeuppance an Italian city destroyed by plague Dennis Barone s prose seduces and derails then ensnares again He invites us at once to inhabit his stories and to retreat to the periphery to query how experience itself is recorded catalogued and remembered Infused not with certitude but with the far more human condition of ambivalence these fictions are parables that do not patronize Barone s work has appeared in the CHICAGO REVIEW The Prose Poem An International Journal and Quarter After Eight among others and is the author of many books of poetry and fiction carried by SPD including TEMPLE OF THE RAT and ECHOES

The Cumulative Book Index , 1999 *Fantasies of Fetishism* Amanda Fernbach, 2002 At the dawn of the new millennium Western culture is marked by various fantasies that imagine our future selves and their forms of embodiment These fantasies form part of a rapidly growing cultural discourse about the future of the human form the disappearing boundary between the human and the technological and the cultural consequences of greater human technological integration This book is about those cultural fantasies of fetishism the different forms they take and the various ways in which the transformative processes they depict can reaffirm accepted definitions of identity or reconfigure them in an entirely new fashion But what exactly is fetishism At one level fetish club subcultures spectacularize fetishism as a celebration of difference in which the transformation of the self is paramount and mainstream categories including beliefs about gender sexuality and the body are transgressed However in film feminist and post colonial criticism fetishism s meaning owes much to Freud s interpretation that the fetish stands in for the mother s missing phallus and disavows her sexual difference At the level of critical theory fetishism is almost always regarded as being synonymous with the reproduction of the same the disavowal rather than the

pursuit of otherness This book argues that the orthodox interpretation of classical fetishism is not and never has been up to the task of explaining all cultural fetishisms It identifies several different forms of fetishism decadent fetishism magical fetishism matrix fetishism and immortality fetishism and accounts for its sometimes radical and productive edge Ranging widely over texts and cultures Amanda Fernbach skilfully deploys these concepts of fetishism to topics in cultural studies such as sexual difference queer identities computer culture and the post human and as well as to her objects of study cross cultural dressers technofetishists cyberspace cowboys cyborgs geekgirls Bookforum ,1998 *The Asian Pacific American Journal* ,1998 *Women Who Love Monsters* Lori Perkins,2018-03-06 Hollywood has thrilled and titillated audiences with tales of women who love monsters since King Kong and The Creature from the Black Lagoon Our love affair with the ultimate others continued as we made the acquaintances of Barnabas Collins Swamp Thing the Vampire Lestat Hellboy and Shrek Most recently the genre was celebrated and ultimately validated when The Shape of Water won the Academy Award for Best Motion Picture a rare nod to the power and popularity of paranormal romance story telling It should come as no surprise that when ViceTV decided to do an episode on Monsters Fantasies they came to Riverdale Avenue Books to interview some of those authors in an episode that aired in March 2018 Women Who Love Monsters With Stories by Cecilia Tan Jamie K Schmidt Laura Antoniou Katherine Ramsland Trinity Blacio Nathan Pettigrew j Gambardella Truth Venson CB Archer Jennifer Williams Stanley B Webb Amy Stilgenbauer Cynthia Ward **American Book Publishing Record** ,1998 **Love Under Foot** Greg Wharton,M.
