Winfield's Walnut Valley Festival Seth Bate, Dan Crary, Beppe Gambetta, John McCutcheon, Orin Friesen, 2022-08-15 Local historian Seth Bate tells the story of the Walnut Valley Festival with reflections from staff emcees performers campers and characters from throughout its history The Festival was launched in 1972 when a guitar maker a farmer and a businessman built their own music festival from the ground up It has made the small town of Winfield into an annual destination for acoustic musicians and music lovers from around the world and it has always been participatory with the informal campsite pickin as much a part of the event as the stage shows and instrumental contests The Walnut Valley Festival has always been proud of its deep rooted traditions but

most of all it is a community celebration *Feast of Shadows* Rick Wayne, 2019-07-19 One part mystery One part savagery Three parts magic Years ago driven by greed men penetrated the last soft places on earth Out of the clear cut jungle out of nowhere a man appeared eyes rimmed in blue The last shaman A man who could make magic Across five stories five victims of inexplicable events narrate their encounters with an enigmatic titan of magic a man without a past whose tattooed palms hold the power to alter human history or to end it Agony in Violet As his marriage crumbles around him a brilliant medical scientist searches for the source of a horrific illness that leaves its victims ashen and wasted With no apparent connections between them his only clues are the strange symbols that appear near the bodies after death When a child is stricken old traumas resurface and the good doctor turns in desperation to a curious consultant who reveals that not every labyrinth has walls and that the horrors you face there are always your own Curse of the Red Dagger A troubled young woman pregnant with a billionaire's baby disappears without a trace Determined to save his child he offers her best friend one million dollars to find her But following in her friend's footsteps proves more difficult than she expected Everyone connected to the disappearance seems desperate to hide the truth As they each fall to mysterious circumstances death closes around her and her only chance to save her friend is to sacrifice herself to an ancient power To the White of the Bone A mangled body floats to the surface of a reservoir with nothing to distinguish the victim save for a binding knot branded under her tongue The case is routed to the NYPD's resident occultist an uncompromising homicide detective whose history of unusual and uncertain results has left her career in shambles Dodging an inquiry into a fatal shooting and pursued by a homicidal witch she contemplates a devil's bargain to stop the killer who just may be the Lord of Shadows The Song on the Green One by one the children of an upscale Pennsylvania neighborhood are found crippled and catatonic their minds seemingly vanished As the panicked community searches in vain for a human predator they neglect the only witness an eight year old boy with a menagerie of strays who is left to stand alone against the very creature that hunts him Bright Black After carelessly killing an innocent a beautiful aristocrat is cursed with eternal youth Forced to endure as waves of friends and loved ones wither and fade around her she wanders the ages in search of meaning from the wars of Napoleon to the Victorians in India from the Great Depression to the collapse of the Iron Curtain Recruited as a spy in an occult war she soon tires of blood and loss and retreats to a small village in the mountains where an accident reveals missing memories and an unfortunate truth that the mistakes of five lifetimes are not so easily fled Part urban fantasy part hard boiled whodunit FEAST OF SHADOWS is a five course occult mystery and the most devilish meal you'll ever read The complete epic conundrum is available in two parts

San Diego's Hilarious History Herbert Lockwood,2004-03 From the story of Dora San Diego s last slave to an exploration of how camels were used to carry the mail across the desert this book unearths the wacky world of San Diego history that s never been taught in school **As a Deer Longs for Flowing Streams** Staffan Olofsson,2011-08-17 This volume of the new DSI series is the most comprehensive investigation of Hebrew and Greek translation equivalents in Ps 42 43 in the Psalter and in the Septuagint as a whole currently available This detailed study does not only include the translation equivalents in the Septuagint the semantic meanings of the Hebrew and Greek words are also discussed and parallels in the LXX as well as in the Hebrew Bible are included A systematic investigation of the translator s method must be carried out before one can use the manuscripts in a proper way Accordingly the extensive translation technical emphasis and the discussion of text critical matters make it possible to present a more accurate Old Greek text and this book may thus contribute to a new critical edition of the Greek Psalter The book is also in some respects in itself a text critical study since all variants in Rahlfs edition of the Septuagint Psalms with the addition of Papyrus Bodmer XXIV Rahlfs 2110 as well as Hebrew variants are referred to and studied This includes suggestions and evaluations of the Hebrew Vorlage behind the Septuagint text It is also a commentary on the Hebrew and the Greek texts of Ps 42 43 Like other commentaries it describes the position of the psalm it presents the unity and form of the psalm its structure and its relation to the close context As a commentary on both the Hebrew Bible and the Septuagint it gives an overall interpretation of the psalm in Hebrew and in Greek separately The book can be read by the specialist in Septuagint studies as well as all scholars interested in translation textual criticism and in the book of Psalms not least its use of metaphors and the reflection of temple theology **Naked Festival** Tamotsu Yato,1969 Shouting out Wasshoi Wasshoi the almost fully naked men approach the precincts Although this festival takes place in the cold season the fervor of the men waiting impatiently is so strong that they seem to have difficulty breathing which is why water is splashed over them Precisely at midnight the lights are turned off all at once the sacred sticks are thrown into the crowd and the vehement rush to grab the sticks starts Even if someone is lucky enough to get hold

of the sacred sticks they are quickly snatched away by others almost like a rugby game Spectators usually crowd around the participants within the precincts of the shrine to experience all the thrills and excitement of the action But if you wish to look on safely there are seats available though you have to pay for them On the day of the festival prior to the main event there is a Hadaka Matsuri from 18 00 when primary school boys compete for rice cakes and cylindrical treasures
