## **Fifes Fishing Industry:**

Fife's Fishing Industry Linda McGowan, 2003 Linda McGowan charts the evolution of Fife's fishing industry through photographs from the Scottish Fisheries Museum Anstruther They concentrate on the East Neuk fishing villages that dominated Fife's fishing industry showing the teeming harbours the piers busy with herring lasses and the shores piled high with baskets and boxes Back cover *Fishing for Heritage* Jane Nadel-Klein, 2020-05-26 Castles lochs seascapes Coastal Scotland is one of the world's most romanticized tourist destinations yet it is in the midst of severe economic decline The North Atlantic fisheries crisis has hit Scottish communities hard and local fisherfolk are faced with chronic insecurity anxiety over the decline of fishing and doubts about their cultural survival The decline of this traditional industry has been accompanied by growing tourism along Scottish shores Fishing villages are marketed for tourist consumption and culture has become a commodity Drawing upon fieldwork novels folk music and travel literature Nadel Klein explores how these influences have affected locals sense of identity and presence within a modern European nation How is identity linked to power What role do memory and authenticity play in the creation of Scottish heritage How do locals feel about the onslaught of tourists The topical nature of these issues and their relevance to other regions facing similar tensions make this book an important contribution to contemporary anthropology **The Fishing Industries of Scotland, 1790-1914** Malcolm Gray, 1978 **County Folk-Lore - Volume VII - Examples of Printed Folk-Lore Concerning Fife with Some Notes on Clackmannan and Kinross-Shires** John Ewart Simpkins, 2024-07-01 Part of the successful county folklore series this book is packed full of superstitions customs and old wives tales A great book for anybody in or around Fife or with an interest in the rich folklore of the United Kingdom Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork World Fishing, 1994 *Guide to the East Neuk of Fife* David Hay Fleming, 1886 **Fisher Life; Or, The Memorials of Cellardyke and the Fife Coast** George Gourlay, 1879 *The Fife Book* Donald Omand, 2000 The Kingdom of Fife as it is still proudly known lies at the heart of Scotland From earliest times it had been the centre of power and is of historical significance This volume covers the history of the area from Cardinal Beaton's murder to local mining and Victorian monuments **Connecticut's Fife and Drum Tradition** James Clark, 2012-01-01 The state of Connecticut boasts an extensive and active community of fife and drum groups This musical tradition has its origins in the small military bands maintained by standing armies in Britain and Europe in the seventeenth and eighteenth centuries the drum was especially important as it helped officers train soldiers how to march and was also used to communicate with troops across battlefields Today fifers and drummers gather at conventions called musters which may include a parade and concerts featuring the various participating corps According to the Guinness Book of World Records the largest muster ever was held in Deep River Connecticut in 1976 Musician and historian James Clark is the first to detail the

colorful history of this unique music This engaging book leads the reader through the history of the individual instruments and tells the story of this classic folk tradition through anecdotes biographies photographs and musical examples *The British Herring Industry* Christopher Unsworth,2013-02-15 At different times of the year herring were found in commercial numbers in the North Sea the Moray Firth the Minches the Firth of Clyde the Irish Sea and the English Channel The Scottish Bankers Magazine ,1918 **The Gas Engine** ,1908 Argonaut David Smith,2012-12-11 David Smith was born in 1930 into a dynasty of fishermen He found himself a young teenager at the end of World War II From the most humble expectations of life he set to work rising from his first job as a boy cook on a herring drifter to ownership of a string of the most successful inshore fishing vessels of his era As a young skipper David began to notch up unsurpassed catch records He was gifted with a personal determination to be successful and in a series of his boats all named Argonaut David repeatedly claimed trophies for skippering the crew of the inshore vessel topping the annual grossings table throughout Scotland His success dominated an era David was to become something of a pioneer in the British fishing industry He kept himself abreast of all new developments through international fishing publications He was to make a significant contribution through the input of his own practical ideas which helped to shape the design and development of engineered laborsaving powered equipment His single minded approach would lead him to seize the initiative to show willingness to undergo testing and the courage to make changes to long held practice The skipper bears a heavy responsibility for his crew and David Smith served the fishing community through assisting in the development of changes that were to make a significant difference to Scottish fishermens working lives their conditions and their safety As a skipper David led by example His readiness to experiment in adapting testing and redesigning equipment in the fishing industry saw him introducing the first shelter deck to the Scottish fleet for the protection of his crew This innovation was subsequently widely adopted and eventually full shelter decks became the standard throughout the Scottish fleet David Smith is a recipient of the MBE for his services to the fishing industry But ultimately what emanates from the text are the personal qualities of a man whose life was dedicated to fishing He is a resourceful and determined man thoughtful single minded and courageous at times self deprecating and yet maintaining his sense of humour David Smiths personal story as a skipper acknowledges both hardship and success and offers us a rich and valuable primary source that provides insight into a disappeared way of life It is the record of a tight knit family at home and at work and the mesh of those family lines within the wider fishing community Those who pick up and read Davids book will immediately recognize it as a significant contribution not only to local history but to the wider context of the British fishing industry **50 Gems of Fife** Jack Gillon,2022-11-15 This beautifully photographed selection of fifty of Fife s most precious assets shows what makes it such a popular destination *Fast and Bonnie* May Fife McCallum,2001-01-01 From humble beginnings at Fairlie Ayrshire in the early years of the nineteenth century William Fife and Son grew to become one of Britain s premier yacht building yards attracting commissions from as far afield as America Canada and America By the time

the yard closed on the eve of the Second World War three generations of the Fife family had been responsible for the design and building of almost a thousand yachts crafts that were recognized world wide as the epitome of elegance and design This memorable story of enterprise and craftsmanship chronicles the development and progress of the Fife yard and its business during its 125 year history It includes a vast wealth of information on the yachts themselves and is interspersed with lively anecdotes about the family their clients and their craftsmen making it an essential addition to the literature on Scotland s maritime past May Fife McCallum a descendant of the founder has had privileged access to private papers business records and photographs Over many years she has researched this archival material and also recorded the reminiscences of family friends and of local people personally associated with the yard and its workforce
