Anna Marmodoro, Jonathan Hill, 2013-10 Explores the persona of the author in classical Greek and Latin authors from a range

of disciplines and considers authority and ascription in relation to the authorial voice **The Cambridge Companion to Ovid** Philip R. Hardie, 2002-05-02 Ovid was one of the greatest writers of classical antiquity and arguably the single most influential ancient poet for post classical literature and culture In this Cambridge Companion chapters by leading authorities from Europe and North America discuss the backgrounds and contexts for Ovid the individual works and his influence on later literature and art Coverage of essential information is combined with exciting critical approaches This Companion is designed both as an accessible handbook for the general reader who wishes to learn about Ovid and as a series of stimulating essays for students of Latin poetry and of the classical tradition The Historiography of Late Republican Civil War, 2019-07-29 The Historiography of Late Republican Civil War is part of a burgeoning new trend that focuses on the great impact of stasis and civil war on Roman society This volume specifically concentrates on the Late Republic a transformative period marked by social and political violence stasis factional strife and civil war Its constitutive chapters closely study developments and discussions concerning the concept of civil war in the late republican and early imperial historiography of the late Republic from L Cornelius Sulla Felix to the Severan dynasty The Routledge Dictionary of Egyptian Gods and Goddesses George Hart, 2005 A dictionary of Egyptian Gods **Reading Roman Comedy** Alison Sharrock, 2009-09-24 For many years the domain of specialists in early Latin in complex metres and in the reconstruction of texts Roman comedy is now established in the mainstream of Classical literary criticism Where most books stress the original performance as the primary location for the encountering of the plays this book finds the locus of meaning and appreciation in the activity of a reader albeit one whose manner of reading necessarily involves the imaginative reconstruction of performance The texts are treated and celebrated as literary devices with programmatic beginnings middles ends and intertexts All the extant plays of Plautus and Terence have at least a bit part in this book which seeks to expose the authors fabulous artificiality and artifice while playing along with their differing but interrelated poses of generic humility *The Iliad in a Nutshell* Michael Squire, 2011-10-06 A new illustrated study of the Iliac tablets a group of objects inscribed in miniature with epic episodes Like the tablets themselves Michael Squire tackles major themes through small ones by relating their production to macroscopic problems of signification in Graeco Roman antiquity **Jude on the Attack** Alexandra Robinson, 2017-12-14 Alexandra Robinson examines the letter of Jude in the light of repeated scholarly references to this source as an invective a polemic and an attack speech with a dependence on both Jewish and Greco Roman sources Moving beyond the Hellenism Judaism divide Robinson specifies what these elements are and how they relate to the harsh nature of the discourse This study shows how where and why Jude borrows from these contemporary genres with a detailed survey of Greco Roman invectives and Jewish judgement oracles comparing and contrasting them to the epistle of Jude with consideration of structure aims themes and style Robinson argues that Jude has constructed a Jewish invective and that his epistle is a polemical text which takes the form structure aims and style of a typical Greco Roman invective but is filled with Jewish

content themes and allusions drawing on Israel's heritage for the benefit of his primarily Jewish Christian audience

Communication, Cultural and Media Studies: The Key Concepts John Hartley, 2003-12-16 This is the third edition of an up to date multi disciplinary glossary of the concepts you are most likely to encounter in the study of communication culture and media with new entries and coverage of recent developments

Menander in Contexts Alan H. Sommerstein, 2013-12-04 The comedies of the Athenian dramatist Menander c 342-291 BC and his contemporaries were the ultimate source of a Western tradition of light drama that has continued to the present day Yet for over a millennium Menander's own plays were thought to have been completely lost Thanks to a long and continuing series of papyrus discoveries Menander has now been able to take his place among the major surviving ancient Greek dramatists alongside Aeschylus Sophocles Euripides and Aristophanes In this book sixteen contributors examine and explore the Menander we know today in light of the various literary intellectual and social contexts in which his plays can be viewed Topics covered include the society culture and politics of his generation the intellectual currents of the period the literary precursors who inspired Menander or whom he expected his audiences to recall and responses to Menander from his own time to ours As the first wide ranging collective study of Menander in English this book is essential reading for those interested in ancient comedy the world over

Women Poets in Ancient Greece and Rome Ellen Greene, 2005 Although Greek society was largely male dominated it gave rise to a strong tradition of female authorship

Women poets of ancient Greece and Rome have long fascinated readers even though much of their poetry survives only in fragmentary form This pathbreaking volume is the first collection of essays to examine virtually all surviving poetry by Greek and Roman women It elevates the status of the poems by demonstrating their depth and artistry Edited and with an introduction by Ellen Greene the volume covers a broad time span beginning with Sappho ca 630 b c e in archaic Greece and extending to Sulpicia first century B C E in Augustan Rome In their analyses the contributors situate the female poets in an established male tradition but they also reveal their distinctly feminine perspectives Despite relying on literary convention the female poets often defy cultural norms speaking in their own voices and transcending their positions as objects of derision in male authored texts In their innovative reworkings of established forms women poets of ancient Greece and Rome are not mere imitators but creators of a distinct and original body of work The Roman Gaze David Fredrick,2002-11-18 Sharrock William C Fitzgerald University of California Berkeley American Historical Review **Family and Kinship in the Deuterocanonical and Cognate Literature** Angelo Passaro,2013-12-12 This volume discusses various conceptions of family and kinship in the context of deuterocanonical literature After analyzing the topic family in a narrow sense of the term the articles investigate general ideas of morality respect or love and take a critical look at representations of gender power and social norms in Judaism and Early Christianity
