EndFragment **Guinea Pig Club** Emily Mayhew, 2018-09-30 This book speaks to two of the most diametrically opposed yet mutually supportive aspects of war the ability to inflict horrific injury and the ability to heal Mayhew is to be commended on an outstanding addition to expanding our knowledge of an area rarely discussed by historians Her book should be mandatory reading for all defence members both civilian and military and on everyone s history shelf This book is highly recommended Airforce Magazine The history of the Guinea Pig Club the band of airmen who were seriously burned in aeroplane fires is a truly inspiring spine tingling tale Plastic surgery was in its infancy before the Second World War The most rudimentary techniques were only known to a few surgeons worldwide The Allies were tremendously fortunate in having the maverick surgeon Archibald McIndoe nicknamed the Boss or the Maestro operating at a small hospital in East

Grinstead in the south of England McIndoe constructed a medical infrastructure from scratch After arguing with his superiors he set up a revolutionary new treatment regime Uniquely concerned with the social environment or holistic care McIndoe also enlisted the help of the local civilian population He rightly secured his group of patients dubbed the Guinea Pig Club an honoured place in society as heroes of Britain's war For the first time official records have been used to explain fully how and why this remarkable relationship developed between the Guinea Pig Club the RAF and the Home Front First person recollections bring to life the heroism of the airmen with incredible clarity This is a revised and expanded edition with new material including a foreword by HRH Prince Harry published to tie in with a major new film expected to be released in late 2018 **Fighters and Bombers of World War II**, *American Warplanes of WWII*, Special Bibliography Series, 1957 *The Me 262 Stormbird* Colin Heaton, Anne-Marie Lewis, 2012-05-15 The Me 262 was the first of its kind the first jet powered aircraft Although conceived before the war with the initial plans being drawn in April 1939 the Stormbird was beset with technological particularly the revolutionary engines and political difficulties resulting in it not entering combat until August 1944 with claims of nineteen downed Allied aircraft The performance of the Me 262 so far exceeded that of Allied aircraft that on 1 September 1944 USAAF General Carl Spaatz remarked that if greater numbers of German jets appeared they could inflict losses heavy enough to force cancellation of the Allied daylight bombing offensive The story of how the Stormbird came to be is fascinating history and it comes to life in the hands of noted historian Colin Heaton Told largely in the words of the German aces who flew it The Me 262 Stormbird provides the complete history of this remarkable airplane from the drawing boards to combat in the skies over the Third Reich Features two forewords one by Jorg Cypionka Me 262 night fighter pilot and another by historian and author Barrett Tillman *Flying with the Fifteenth Air Force* Tom Faulkner, 2018-11-15 In 1944 and 1945 Tom Faulkner was a B 24 pilot flying out of San Giovanni airfield in Italy as a member of the 15th Air Force of the U S Army Air Forces Only 19 years old when he completed his 28th and last mission Tom was one of the youngest bomber pilots to serve in the U S Army Air Forces during World War II Between September 1944 and the end of February 1945 he flew against targets in Hungary Germany Italy Austria and Yugoslavia On Tom's last mission against the marshalling yards at Augsburg Germany his plane was severely damaged and he had to fly to Switzerland where he and his crew were interned The 15th Air Force generally has been overshadowed by works on the 8th Air Force based in England Faulkner's memoir helps fill an important void by providing a first hand account of a pilot and his crew during the waning months of the war as well as a description of his experiences before his military service David L Snead has edited the memoir and provided annotations and corroboration for the various missions Professional Journal of the United States Army, 1984 **Military Review**, 1984 **Review of Current Military Literature**, 1984 **The Taran** J. T. Quinlivan, Rand Corporation, 1986 **Quarterly Review of Military Literature**, 1984 *American Book Publishing Record*, 1984-04
