Drew, 2010-11-24 This book is about how one man's journey as a Chicago Police Officer helped him to seek out his true calling in life It explores in detail his life on the mean streets of Chicago It provides an up close and personal look at how death danger and destruction affected him mentally and spiritually His experiences on the streets led him to resign and begin another chapter in his life This new chapter began with him studying at Candler school of Theology in Atlanta Georgia His personal mission was to become a protestant minister However the Lord had other plans His experience at Candler helped him to embrace his Roman Catholic tradition and eventually enabled him to answer his call to the priesthood **Long, Lean and Lethal** Lorie O'Clare, 2009-08-28 Detective Rain Huxtable works alone and she likes it that way But when a fourth spouse turns up dead in Lincoln Nebraska Rain's superiors call in help from the FBI They've either got a serial killer or a hired murderer on their hands and their solution is to team Rain up with Special Agent Noah Kayne and send them undercover as a married couple Noah is infuriating and infuriatingly attractive Rain wants no part of this charade but with four people dead under suspiciously similar circumstances in a matter of months she has no choice but to play the part of a doting wife and investigate a close knit group of suburban couples It's hard enough to keep up a professional facade when the heat between her and Noah burns so dangerously But it may be even more dangerous for Rain to let her guard down once she realizes that the couples involved are playing a very sordid and deadly game **The Lady's Paladin** John DeLaMater, 2019-08-29 The Lady's Paladin A Policeman's Guide for the American Woman and the Western _inker is interlaced with encouraging helpful information for women of all ages regarding a number of subjects Within its pages women will see their gender from a heightened perspective thereby sensing much greater potential within themselves In this process they will come to better understand men the fine and decent and most notably those to avoid in any relationship Married or single young or old the reader will be taken behind the scenes in police settings and read accounts of tragic incidents some of which could have been prevented DeLaMater skillfully navigates numerous police cases providing the reader with helpful insight to better help her avoid potential pitfalls for herself and loved ones including potentially harmful relationships His vast police experience will keep the reader on the edge of her seat at times and occasionally bring disgust upon learning of officials who failed society through their arrogance incompetence or impotence At the same time he clearly applauds the dedicated competent and hardworking Beyond heart wrenching accounts of tragic events many in which the author was personally involved he effortlessly traverses to romantic stories with a touch of humor Unafraid of self criticism he is likely to bring delightful thought and encouragement to the unsuspecting reader She will surely find in him a kindred spirit and a true friend as his respect for women is clearly visible Humility and deep thought emanate from this read as the author adeptly mixes things up a bit to stimulate the mind all to benefit women in relationships with others including their children Finally this work ties together one's present status with great future potential as it
