Lady Molly of Scotland Yard Baroness Emmuska Orczy Orczy, 2020-09-28 Well you know some say she is the daughter of a duke others that she was born in the gutter and that the handle has been soldered on to her name in order to give her style and influence I could say a lot of course but my lips are sealed as the poets say All through her successful career at the Yard she honoured me with her friendship and confidence but when she took me in partnership as it were she made me promise that I would never breathe a word of her private life and this I swore on my Bible oath wish I may die and all the rest of it Yes we always called her my lady from the moment that she was put at the head of our section and the chief called her Lady Molly in our presence We of the Female Department are dreadfully snubbed by the men though don t tell me that women have not ten times as much intuition as the blundering and sterner sex my firm belief is that we shouldn t have half so many undetected crimes if some of the so called mysteries were put to the test of feminine investigation Do you suppose for a moment for instance that the truth about that extraordinary case at Ninescore would ever have come to light if the men alone had had the handling of it Would any man have taken so bold a risk as Lady Molly did when But I am anticipating Let me go back to that memorable morning when she came into my room in a wild state of agitation The chief says I may go down to Ninescore if I like Mary she said in a voice all a quiver with excitement You I ejaculated What for What for what for she repeated eagerly Mary don t you understand It is the chance I have been waiting for the chance of a lifetime They are all desperate about the case up at the Yard the public is furious and columns of sarcastic letters appear in the daily press None of our men know what to do they are at their wits end and so this morning I went to the chief Yes I queried eagerly for she had suddenly ceased speaking Well never mind now how I did it I will tell you all about it on the way for we have just got time to catch the 11 a m down to Canterbury The chief says I may go and that I may take whom I like with me He suggested one of the men but somehow I feel that this is woman s work and I d rather have you Mary than anyone We will go over the preliminaries of the case together in the train as I don't suppose that you have got them at your fingers ends yet and you have only just got time to put a few things together and meet me at Charing Cross booking office in time for that 11 0 sharp
