suggest the uncle is somehow testing the heir Rupert Saint Leger inherits his uncle's estate worth more than one million pounds on condition that he live for a year in his uncle's castle in the Land of the Blue Mountains on the Dalmatian coast. There Rupert tries to win the trust of the conservative mountaineer population by using his fortune to buy them modern arms from a South American country that has unexpectedly found itself at peace for their fight against Turkish invasion; the story was written shortly before the Balkan Wars. One wet night he is visited in his room in the castle by a pale woman wearing a wet shroud seeking warmth. He lets her dry herself before his fire and she flees before morning. She visits several more times all at night and they hardly speak but he falls in love with her despite thinking she is a vampire. He visits the local church and finds her in a glass-topped stone coffin in the crypt. Despite misgivings he declares his love to her, whether she is living or undead, and she arranges the marriage in an Orthodox ceremony conducted by candlelight in the church one night, although he still does not know her name and she says she must still live alone in the crypt for the present. Soon afterwards she is kidnapped by a forward party of Turkish troops and he learns that she, Teuta, is not undead but the living daughter of the local Voivode who is currently returning from a visit to America. She had fallen into a trance and was declared dead but then revived, and the local leaders and clergy spread a story of vampirism which was more acceptable after the mistaken news of her death to the uneducated locals than the truth. Living up to this story, she had spent her days in the coffin in the crypt but during heavy rain when the crypt flooded came out seeking warmth in the castle in which she had grown up and knew all the secret entrances and hence her meetings with Rupert behind locked gates. Rupert leads a relief force which kills her kidnappers and rescues her. But news immediately arrives that the Voivode has just returned to the country only to be kidnapped by Turks himself. They race back to the coast and Rupert unloads an aeroplane with a near-silent engine from the munitions ship which has also just arrived along with sets of bullet-proof clothes. The kidnapped Voivode is tracked to a nearby castle ruin and Rupert pilots the plane onto the castle wall as if it were a balloon or dirigible, lowers Teuta by rope to her father. He dons a set of the bullet-proof clothes which Teuta and Rupert are also wearing and Rupert hauls both up to the aircraft which he silently flies off. The castle is then attacked by local troops and the Turks defeated. Teuta subsequently reveals her marriage to Rupert to her father who welcomes him into the family and the country.

*Bram Stoker's The Lady of the Shroud* Bram Stoker,2001 A strange story comes from the Adriatic It appears that on the night of the 9th as the Italia Steamship Company s vessel Victorine was passing a little before midnight the point known as the Spear of Ivan on the coast of the Blue Mountains the attention of the Captain then on the bridge was called by the look out man to a tiny floating light close inshore It is the custom of some South going ships to run close to the Spear of Ivan in fine weather as the water is deep and there is no settled current also there are no outlying rocks Indeed some years ago the local steamers had become accustomed to hug the shore here so closely that an intimation was sent from Lloyd s that any mischance under the circumstances would not be included in ordinary sea risks Captain Mirolani is one of those who insist on a wholesome distance from the promontory being kept but on his attention having been called to the circumstance reported he thought it well to investigate it as it might be some case of personal distress Accordingly he had the engines slowed down and edged cautiously in towards shore He was joined on the bridge by two of his officers Signori Falamano and Destilia and by one passenger on board Mr Peter Caulfield whose reports of Spiritual Phenomena in remote places are well known to the readers of The Journal of Occultism The following account of the strange occurrence written by him and attested by the signatures of Captain Mirolani and the other gentleman named has been sent to us

*The Lady of the Shroud* Bram Stoker,2019-04-15 In *The Lady of the Shroud* Bram Stoker crafts a richly woven narrative that merges elements of Gothic horror and romance with political intrigue Set against the picturesque and enigmatic backdrop of the Adriatic the story revolves around the mysterious Lady and the supernatural forces that bind her to a cursed shroud Stoker s prose is imbued with vivid imagery and an atmosphere of suspense that mirrors the tension between the old world charm of Eastern Europe and burgeoning modernity reflecting the literary themes prevalent in the late Victorian era Bram Stoker known primarily for his iconic novel *Dracula* intricately combines his interests in the macabre with his fascination for the supernatural and the human psyche in *The Lady of the Shroud* Drawing upon his extensive travels and historical contexts particularly around the Balkans Stoker explores themes of identity and power dynamics The book exemplifies his ability to meld personal

experiences with literary ambition revealing a more nuanced understanding of fear and desire I highly recommend *The Lady of the Shroud* not only for its haunting narrative but also for its deep psychological insights and cultural commentary Readers who seek an engaging blend of suspense romance and historical depth will find this work an essential addition to Stoker's esteemed bibliography unveiling the shadows of love and loss that linger in its pages *The Lady of the Shroud* Bram Stoker, 2012-04-27 **The Lady of the Shroud** Bram Stoker, 2018-04-23 The tale of Rupert Sent Leger who has inherited huge amount of money under one condition to keep it he must help the people of the Blue Mountain gain their independence Visited by a young and beautiful lady he is in despair about whether she might be a vampire Set in the early nineteenth century Brams fiction *The Lady of the Shroud* is full of mystical and super natural elements A brilliant presentation of a lady who appears always in a shroud this work engrosses the readers The Balkan lands are presented and a slight political touch is also given towards the end Mesmerizing We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
